## 8. EXAMINATION REQUIREMENTS

The conditions that apply at the time of examination are listed in the application appointment letter you will receive after your application has been processed.

**Potential for the Approval Authority to consider a Remote Assessment – Vehicles subject to “Normal” IVA, except imported vehicles, including those previously approved to a non - EU standard.**

*The approval authority **may** choose to offer an examination following a Remote Assessment Procedure (RAP) i.e. a process where our examiner is office based and connects with your facility remotely through a video link and guides your employee to demonstrate vehicle compliance by enabling the examiner to see all the relevant items.*

This process requires the following to be met :

- Suitable connectivity in the inspection area:
  - that you test your video/audio equipment prior to the test date;
  - that your camera/phone has a fully charged battery.
- Level area free from obstructions.
- Vehicle/trailer clearance: Front/rear – 3 metres – Side - 2 metres.
- Underside inspection facility: Inspection pit, vehicle hoists or ramps:
  - hoist – attached equipment used to raise vehicle i.e. column lift
  - ramp - platform that supports vehicle being raised i.e. four post lift.
- Adequate lighting for both topside and underside inspections.
- Your nominated employee will require an assistant.

Equipment required :

- 5 metre tape measure
- Plumb bob
- Chalk
- Hand Torch

**Note** - *The Examiner will suspend/terminate the inspection, if due to technical issues a thorough test cannot be carried out.*

You (the presenter) are responsible for ensuring compliance with all Health & Safety requirements during the assessment.

**8. EXAMINATION REQUIREMENTS** *(Continued)*

Please confirm :

a. You can meet all the above RAP requirements and would accept  
a RAP if the option is offered to you?

YES

☐

b. From what date the vehicle will be available for examination ►

If 'YES' please provide the contact details for the person nominated to conduct the examination

**9. DATA PROTECTION, DECLARATION AND SIGNATURE**

**DATA PROTECTION** – We collect, use and store your personal data so that we can process your IVA 1LG application.

We may share your personal data if we have a lawful reason. For example, as part of a criminal investigation or to prevent fraud. Find out more at [www.gov.uk/dvsa/privacy](http://www.gov.uk/dvsa/privacy)

**DECLARATION** – I the undersigned declare that :

- The vehicle specified in this application will, at the time of examination, be built in accordance with the required standards contained in the relevant IVA Inspection Manual and/or Technical Standards.
- If the vehicle is examined by the Remote Assessment Procedure (RAP), the requirements in Section 8 will be met.
- If the vehicle is examined by the Remote Assessment Procedure I accept that;
  - it may be subject to future inspection;
  - the issue of an Approval Certificate must not be taken as absolute evidence that the vehicle can legally be used on the road, as there may be other applicable requirements contained in other regulations.
- As far as I know, all statements in this application are true and copies of the evidence of eligibility and compliance are true copies of the original documents.
- If this application is for a **PERSONAL IMPORT**, the vehicle is for my personal or household use in the United Kingdom or I am authorised by the person importing the vehicle to act on their behalf.
- I agree to the speedometer requirements as mentioned in Section 5.
- I agree to use the Model Report procedure on the conditions that apply to the compliance check arrangements described in the Guidance Notes of this form.
- I have read and understand the IVA Cancellation and Amendment Policy.

I confirm that, to the best of my knowledge, all statements in this application are true.
