Subject: 7 Bellevue Cottages

I would definitely question the reasons in turning this small cottage into a 4 bedroom property. The access road to the cottage is down a very poorly maintained road with no street lighting or pavements for pedestrians.

The start of the access road to the cottages is also used as the only turning area for vehicles in Bellevue Crescent and so any additional cars wishing to park there would find it almost impossible.

Renovate no problem; but don't over populate!

Kind regards
