Country of Origin	China
Counterfeit	No
Risk Level	Serious
Risk Type	Entrapment and Asphyxiation
Risk Description	<p>The product presents a serious risk of entrapment, as the detachable toys included fabric loops sewn into the side of one of the seams. The loops were large enough that a young child could easily insert their finger into them and twist, causing injuries.</p> <p>The product also presents a high risk of asphyxiation as the fabric on the star toy split at a lower than permissible force, allowing access to internal fibrous filling. A young child may place this filling in their mouth, causing them to choke and/or asphyxiate.</p> <p>The product does not meet the requirements of the Toys (Safety) Regulations 2011.</p>
