Dear Sir/Madam

Erection of 75no. dwellings with associated infrastructure and landscaping. Provision of playing fields and associated clubhouse at former Friends School Field, Mount Pleasant Road, Saffron Walden

Thank you for consulting me on this application.

The second row of houses back from Mount Pleasant Road (I regret I cannot see any plot numbers on the layout plan) is crowded compared with the row of houses facing Mount Pleasant Road. The Aspen+ house type abutting the eastern boundary looks cramped and should be omitted, allowing more space for the remaining houses.

Yours faithfully

Ellen Griffiths (Mrs)
