

EMPLOYMENT TRIBUNALS

Claimant: Mr S Thompson

Respondent: Transition Solutions Ltd (In compulsory liquidation)

JUDGMENT

The claim is struck out.

REASONS

1. By a letter dated 22 April 2025 the Tribunal gave the claimant an opportunity to provide evidence that he had received permission from the Insolvency Court for the claim to proceed or an explanation of when the decision was expected.
2. As the claimant has failed to respond by the deadline (16 May 2025) the claim is struck out, as the Employment Judge concludes the claim has not been actively pursued.
