Notes to the accounts

(see notes 82 and 83)

All notes to the accounts must be entered on or attached to this part of the return.

PLEASE SEE ATTACHED

1. Accounting policies

The following accounting policies have been applied consistently in dealing with the items that are considered material in relation to the Union's accounts.

- a) The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland.
- b) Income and Expenditure is accounted for on the accruals basis, provision being made for contributions receivable for the period to 31st December, but not received by the year end and also for other accrued income and expenditure.
- c) Fixed assets are depreciated down to their residual value over their estimated useful life as follows:

Freehold property	Fifty years from the date of purchase or valuation
Leasehold property	Forty years
Motor cars	Two years
Office and computer equipment	Two and a half years
- d) Investments (Fixed asset investments) in listed company shares are remeasured to market value at each Balance Sheet date. Gains and losses on remeasurement are recognised in the income and expenditure account for the period.
- e) Pension costs (see note 6)
- f) Operating lease rentals are charged on a straight line basis over the lease term.
- g) Legal income is measured as the fair value of the consideration received or receivable. Legal income is recognised in the period in which the legal defence and compensation claims are settled in the Union's favour, only at this stage can income be reliably measured. The Union accounts for costs and disbursements as incurred and for refunded disbursements as received.
- h) Government Grants received are netted off against the direct expenditure incurred on each of the projects. In the case of the Union Learning Fund, a grant has been provided to cover the full cost of the project.
- i) Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities.

2. Fixed Assets

All freehold property is stated at cost less depreciation to date.

Movements on fixed assets are disclosed in Schedule IV.

3. Judgements in applying accounting policies and key sources of estimation uncertainty

The preparation of the financial statements requires the directors to make judgements, estimates and assumptions that can affect the amounts reported for assets and liabilities, and the results for the year. The nature of estimation is such though that actual outcomes could differ significantly from those estimates.

The following judgements have had the most significant impact on amounts recognised in the financial statements:

Pension Scheme

Values are determined using the actuarial valuations. The actuarial valuation involves making assumptions about discount rates, future salary increases, mortality rates and future pension increases are used in calculating scheme assets and liabilities. Due to the complexity of the valuation, the underlying assumptions and the long term nature of these plans, such estimates are subject to significant uncertainty. After taking appropriate professional advice, management determines the appropriate discount rate at the end of each reporting period. This is the interest rate that should be used to determine the present value of estimated future cash outflows to be required to settle the pension obligations.

4. Contingent Liabilities

As at the year end the Union was administering ongoing legal cases on behalf of its members. For cases lodged the Union may receive legal income in relation to cases with a successful outcome, and will incur legal costs in relation to the ongoing cases. Legal costs are recognised only when they can be reliably measured which is usually at the conclusion of each case. Contingent liabilities are not recognised in the financial statements in respect of legal cases still in progress, as the outcome of such cases cannot be reliably predicted and the associated legal costs cannot be reliably measured.

5. Operating Lease Commitments

At the Financial year end, The Union had future minimum lease payments under non-cancellable operating leases as follows:

	2024			2023		
	£	£	£	£	£	£
	Motor cars	Office equipment	Land and buildings	Motor cars	Office equipment	Land and buildings
Not later than one year	73,379	39,917	9,414	76,496	23,996	9,414
One to two years	42,631	33,452	4,707	39,059	23,583	9,414.00
Two to five years	15,007	47,294	-	8,311	17,688	4,707.00
The charge against income for the year was	91,411	26,729	9,864	84,147	26,729	20,244

6. Pension costs

The Union operates a UK registered trust based pension scheme that provides defined benefits. For service up to 31 May 2011, pension benefits are linked to the members' final salaries and service up to 31 May 2011 (or date of leaving if earlier). From 1 June 2011, pension benefits are built up on a Career Averaged Revalued Earnings (CARE) basis, where benefits are linked to members' salaries in each year and increased to retirement broadly in line with inflation.

The Trustees are responsible for running the Scheme in accordance with the Scheme's Trust Deed and Rules, which sets out their powers. The Trustees of the Scheme are required to act in the best interests of the beneficiaries of the Scheme.

There are three categories of pension scheme members:

- Active members: currently employed by the Union.
- Deferred members: former active members of the Union and not yet in receipt of a pension.
- Pensioner members: in receipt of pension.

The Trustees are required to carry out an actuarial valuation every 3 years.

An actuarial valuation of the Scheme was performed by the Scheme Actuary for the Trustees as at 31 December 2021. This valuation revealed a funding shortfall of £3,008,000. Following this valuation, the Union agreed to pay annual contributions of 19.2% of members' pensionable salaries (less the member's contributions) to meet the cost of future service accrual.

6. Pension costs (continued)

The Union has also agreed to pay contributions towards the funding shortfall in the Scheme, expenses and PPF levy of £268,000 per annum from 1 April 2023 to 31 December 2034.

The Union therefore expects to pay £402,000 to the Scheme during the accounting year beginning 1 January 2025.

The results for the most recent formal actuarial valuation as at 31 December 2021 have been updated to 31 December 2024 by a qualified independent actuary. The assumptions used were as follows:

Significant actuarial assumptions	Year ended 31/12/24 pa	Year ended 31/12/23 pa
Discount rate	5.50%	4.60%
Retail prices inflation (RPI)	3.15%	3.05%
Consumer prices inflation (CPI)	2.80%	2.65%
Other actuarial assumptions		
Salary increases	2.80%	2.65%
Pension increases:		
Post 88 GMP	2.30%	2.30%
Pre 1 June 2011	3.10%	3.00%

Assets

The fair value of the assets of the Scheme were:

Asset class	Year ended 31/12/24 Mkt value £'000	Year ended 31/12/23 Mkt value £'000
Equities/Growth Assets	2,823	2,717
Liability driven investments	1,182	1,654
Trustee bank account	12	7
Cash	20	-
Sundry debtors & creditors	40	40
Owed to the Union	(20)	(20)
Insured annuities	78	87
	<u>4,135</u>	<u>4,485</u>

The return on the asset was:

Asset class	£'000	£'000
Interest income	202	213
Return on assets less interest income	(356)	41
Total return on assets	<u>(154)</u>	<u>254</u>

There have been no amendments, curtailments or settlements over the accounting period.

The Union is aware of the 2023 ruling in the Virgin Media vs NTL Pension Trustee case and subsequent court of appeal ruling published in July 2024. These ruled that certain amendments made to the NTL Pension Plan were invalid because they were not accompanied by the correct actuarial confirmation. There remains significant uncertainty as to whether the judgments will result in additional liabilities for UK pension schemes and it is possible that the Department for Work and Pensions will introduce legislation to allow changes to be certified retrospectively. A detailed review of historic documentation will be needed to determine whether the changes made by the Scheme were valid (assuming retrospective certification does not become an option), and such a review will take some time to complete. As a result, the Union cannot be certain of the potential implications (if any) in relation to the Scheme and therefore a sufficiently reliable estimate of any effect on the obligation cannot be made at this time.

7. Reconciliation of Movement in Members' Funds

	2024 £	2023 £

Checklist for auditor's report

(see notes 90 and 96)

The checklist below is for guidance. A report is still required either set out overleaf or by way of an attached auditor's report that covers the 1992 Act requirements.

1. In the opinion of the auditors or auditor do the accounts they have audited and which are contained in this return give a true and fair view of the matters to which they related? (See section 36(1) and (2) of the 1992 Act and notes 92 and 93)

Please explain in your report overleaf or attached.

2. Are the auditors or auditor of the opinion that the union has complied with section 28 of the 1992 Act and has:

- a. kept proper accounting records with respect to its transactions and its assets and liabilities; and
- b. established and maintained a satisfactory system of control of its accounting records, its cash holding and all its receipts and remittances. (See section 36(4) of the 1992 Act set out in note 92)

Please explain in your report overleaf or attached

3. Your auditors or auditor must include in their report the following wording:

In our opinion the financial statements:

- **give a true and fair view of the matters to which they relate to.**
- **have been prepared in accordance with the requirements of the sections 28, 32 and 36 of the Trade Union and Labour Relations (consolidation) Act 1992.**

Opinion

We have audited the financial statements on pages 1 to 15 of Bakers, Food and Allied Workers Union (the 'Union') for the year ended 31 December 2024. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Union's affairs as at 31 December 2024 and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the executive council's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Union's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the executive council with respect to going concern are described in the relevant sections of this report.

Other information

The Executive Council are responsible for the other information. The other information comprises the information included in the Annual Report of the Executive Council, other than the financial statements and our Auditors' report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Union and its environment obtained in the course of the audit, we have not identified material misstatements in the Executive Council's report.

We have nothing to report in respect of the following matters where the Trade Union and Labour Relations Act 1992 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures within the form AR21 of Officers' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Executive Council

As explained more fully in the Executive Council's responsibilities statement on page 16, the Executive Council are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Executive Council determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Executive Council are responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Council either intend to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Capability of the audit in detecting irregularities, including fraud

Based on our understanding of the Trade Union and through discussion with the executive council and other management (as required by auditing standards), we identified that the principal risks of non-compliance with laws and regulations related to GDPR and employment law. We considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Trade Union Act 2016 and Labour Relations (Consolidation) Act 1992 (Amended). We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to posting inappropriate journal entries to increase income or reduce expenditure and management bias in accounting estimates and judgemental areas of the financial statements. Audit procedures performed by the engagement team included:

- Discussions with management and assessment of known or suspected instances of non-compliance with laws and regulations (including health and safety) and fraud, and review of the reports made by management; and
- Assessment of identified fraud risk factors; and
- Challenging assumptions and judgements forming the bases of significant accounting estimates; and
- Performing analytical procedures to identify any unusual or unexpected relationships, including related party transactions, that may indicate risks of material misstatement due to fraud; and
- Confirmation of related parties with management, and review of transactions throughout the period to identify any previously undisclosed transactions with related parties outside the normal course of business; and
- Reading minutes of meetings of those charged with governance and reviewing correspondence with relevant tax and regulatory authorities; and
- Review of significant and unusual transactions and evaluation of the underlying financial rationale supporting the transactions; and
- Obtaining a bank audit letter at the reporting date to verify the cash at bank balances; and
- Identifying and testing journal entries, in particular any manual entries made at the year end for financial statement preparation.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. the risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Union's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executive Council.
- Conclude on the appropriateness of the Executive Council's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Union's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Union to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the Union's members, as a body, in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the Union's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Union and the Union's members as a body, for our audit work, for this report, or for the opinions we have formed.
