| Product Description                             | A black electric air compressor/pump fitted with a black 'clover' style plug.   |
| Country of Origin                               | China   |
| Counterfeit                                     | Unknown   |
| Risk Level                                      | Serious   |
| Risk Type                                       | Fire  |
| Risk Description                                | The product presents a serious risk of fire as it is supplied with a 3-pin 'clover' style plug which does not have the facility for a fuse link. If a fault occurred while in use, the plug may overheat and catch fire. Improvements are also required to marking, labelling and documentation.<br>The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016 or the Plugs and Sockets etc. (Safety) Regulations 1994. |
| Corrective Measures                             | The import has been rejected at the border and destroyed.   |
