Accounts for the year ended 31 December 2024

Report of the Auditors to the Members of Fire and Rescue Services Association

Opinion

We have audited the financial statements of Fire and Rescue Services Association which comprise Income and Expenditure Account, Balance Sheet and related notes.

These accounts have been prepared under the historical cost convention, as modified by the revaluation of certain assets, and the accounting policies.

In our opinion the financial statements, insofar as they relate only to the transactions of the Union's head office: give a true and fair view, in accordance with relevant United Kingdom Generally Accepted Accounting Practices of the state of the Union's affairs as at 31 December 2024 and of its transactions and other matters to which they relate in the year then ended and have been prepared in accordance with the requirements of the sections 28 - 36 of the United Kingdom Trade Union and Labour Relations (Consolidation) Act 1992.

Basis of Opinion

We conducted our audit in accordance with International Standards on auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the management committee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate. Based on the work we performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Union's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the management committee with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The management committee are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Report of the Auditors to the Members of Fire and Rescue Services Association

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which Union and Chapter III of the United Kingdom Trade Union and Labour Relations (Consolidation) Act 1992 requires us to report to you if, in our opinion:

- Proper books of account have not been kept by the Union in accordance with the requirements of the legislation;
- A satisfactory system of control over transactions has not been maintained by the Union in accordance with the requirements of the legislation; or
- The revenue account or the other accounts (if any) to which our report relates and the balance sheet are not in agreement with the books of account of the Union; or
- We have not received all the information and explanations we require for our audit

Responsibilities of the management committee

Trade union law and rules of the Union requires the management committee to prepare financial statements for each financial year which give a true and fair view of the state of the Union's affairs and its income or excess expenditure for that year. In preparing these financial statements the management committee are required to:

- a) Select suitable accounting policies and apply them consistently; and
- b) Make judgements that are reasonable and prudent; and
- c) State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- d) Prepare accounts on the going concern basis unless it is inappropriate to presume that the Union will continue to operate.

The management committee is responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the Union and enable it to ensure that the accounts comply with the rules of the Union and Chapter III of the United Kingdom Trade Union and Labour Relations (Consolidation) Act 1992. It is also responsible for safeguarding the assets of the Union and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report of the Auditors to the Members of Fire and Rescue Services Association

Capability of the audit in detecting irregularities, including fraud

Based on our understanding of the Union, we identified that the principal risks of non compliance with laws and regulations related to breaches of UK law and we considered the extent to which non compliance might have a material effect on the financial statements of the Credit Union. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Union and Chapter III of the United Kingdom Trade Union and Labour Relations (Consolidation) Act 1992. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to posting inappropriate journal entries to increase revenue or reduce expenditure or increase the capital position of the Credit Union, and management bias in accounting estimates and judgmental areas of the financial statements. Audit procedures performed by the engagement team included:

- Discussions with the management committee including consideration of known or suspected instances of non-compliance with laws and regulation and fraud;
- Reviewing relevant meeting minutes;
- Reviewing of correspondence in so far as they relate to non-compliance with laws and regulations and fraud;
- Identifying and testing journal entries, in particular any journal entries posted with unusual account combinations, posted on unusual days, posted by infrequent users, posted by senior management or posted with descriptions indicating a higher level of risk;
- Designing audit procedures to incorporate unpredictability around the nature, timing or extent of our testing over immaterial liabilities and assets balances

There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of this report

This report is made solely to the Union's members, as a body, in accordance with the Trade Union and Labour relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the Union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Union and the Union's members as a body, for our audit work, for this report, or for the opinions we have formed.
