NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2024

1. ACCOUNTING POLICIES

1.1 BASIS OF ACCOUNTING

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of freehold land and buildings and of listed investments, and in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992 (amended) and FRS102 The financial reporting standard applicable in the UK and Ireland

The members of Council consider the Union to be a going concern and have prepared the financial statements on that basis.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Union's accounting policies (see note 2)

The following principal accounting policies have been applied:

1.2 REVENUE

Revenue mainly comprises subscriptions, investment income and advertising income.

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the Union and the revenue can be reliably measured. Revenue is measured as the fair value of the consideration received, or receivable, excluding VAT where applicable.

1.3 PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment under the cost model are stated at historical cost less accumulate depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Freehold land and buildings are held under the valuation model, with full market valuations being carried out on a periodic basis to ensure that the carrying value of these assets is not materially different from their fair value.

Depreciation is provided using the following rates to reduce by annual instalments the cost or value of the tangible assets over their useful lives:

Leasehold buildings - 99 years straight line Freehold buildings - 2% straight line

Furniture & Fittings - 3 years straight line

Equipment - 10% to 33.33% straight line
Software - 6 years straight line
Motor vehicles - 25% straight line

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted where necessary, if there is an indication of a significant change since the last reporting date.

1.4 DEBTORS

Short term debtors are measured at transaction price, less any impairment.

1.5 CASH AND CASH EQUIVALENTS

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

FOR THE YEAR ENDED 31 DECEMBER 2024

1. ACCOUNTING POLICIES (continued)

1.6 FINANCIAL INSTRUMENTS

The Union only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable.

Debt instruments that are payable or receivable within one year, typically trade payables or receivables, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration, expected to be paid or received.

Investments in non-convertible preference shares and in non-puttable ordinary and preference shares are measured:

- At fair value with changes recognised in the Income statement if the shares are publicly traded or their fair value can otherwise be measured reliably;
- At cost less impairment for all other investments.

Financial assets that are measured at cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Income statement. Any impairment loss is measured as the difference between an asset's carrying amount and best estimate, which is an approximation of the amount that the union would receive for the asset if it were to be sold at the reporting date.

1.7 CREDITORS

Short term creditors are measured at the transaction price.

1.8 LEGAL DEFENCE FUND

The annual transfer of members' contributions to the Legal Defence Fund is 7.5% per annum. In 2024 the reserve was £1.5million. The level of the Fund is kept under review by the Council which has in 2023 determined that the Fund should not be allowed to fall below £1.5million. With the reserve below the £1.5million, there will be a verbal report to Council to increase the annual contribution by 0.5% to 8% in 2025.

1.9 PENSION COSTS

The Union participates in two multi-employer pension schemes; namely the MNOPF and SMART Pension. Contributions to the Schemes are charged to the Union's Statement of Comprehensive Income as they fall due.

The Union accounts for these schemes as though they were defined contribution schemes as permitted by Section 28 of FRS102 and the required disclosures are included in note 7 to the financial statements.

The MNAOA Supplementary Pension Scheme (SPF), a defined benefit scheme, which is administered by Trustees, provides pension benefits for certain members of staff.

The deficit on the SPF defined benefit pension scheme is shown on the Statement of Financial Position. Current service costs, curtailments, settlement gains and losses and net financial returns are included in the Statement of Comprehensive Income in the period to which they relate. Actuarial gains and losses are recognised as Other Comprehensive Income. Surpluses on the SPF defined benefit pension scheme are not recognised as they are not due back to the employer.

1.10 VAT

The Union is registered for VAT on a partially exempt basis and therefore irrecoverable VAT has been allocated proportionately against the relevant expense heading.

NOTES TO THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 DECEMBER 2024

1. ACCOUNTING POLICIES (continued)

1.11 TAX

The majority of the Union's income is exempt from taxation under the mutual trading exemption. Where income is not covered by this exemption, which largely represents investment income, provision for taxation has been made in the accounts.

Deferred tax is provided on all timing differences where the ultimate crystallization of a gain is expected to give rise to a tax liability, primarily being unrealised gains on listed equity and unit trust investments.

Tax is recognised in the Statement of Comprehensive Income. A change attributable to an item of income and expense recognised as other comprehensive income is also recognised in other comprehensive income.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the Union operates and generates income.

1.12 PROVISONS FOR LIABILITIES

Provisions are made where an event has taken place that gives the Union a legal or constructive obligation that probably requires settlement by a transfer of economic benefit, where a reliable estimate can be made of the amount of the obligation.

Provisions are charged as an expenses in the Statement of Comprehensive Income in the year that the Union becomes aware of the obligation, and are measured at the best estimate at the reporting date of the expenditure required to settle the obligation, taking into account relevant risks and uncertainties.

1.13 FOREIGN CURRENCY TRANSACTIONS

The Union has operations in the Netherlands and Switzerland, which are conducted through branches established in those territories. Branch activities are included in the Union's financial statements on a consolidated basis as follows: income and expenditure amounts are translated from their local currency into sterling at the average rate for the year; assets and liabilities are translated at the rate ruling at the year-end date. Foreign currency gains and losses arising on the consolidation of branch activities are recognised in Other Comprehensive Income.

1.14 OPERATING LEASE RENTALS

Rental charges under operating leases are recognised as expenditure on a straight-line basis over the period of the

1.15 MEMORANDUM OF AGREEMENT

The Union concludes agreements with shipowners who operate UK, NL and CH registered vessels with the aim of regulating the conditions of non-domiciled seafarers. It does this in compliance with general trade union organising principles, a recruitment policy approved by the Council and in compliance with the policies and practices of the International Transport Workers' Federation (ITF) applied globally by affiliated seafarer trade unions.

Nautilus also concludes bilateral and multilateral arrangements with fellow seafarer unions worldwide to ensure inter alia that seafarers covered by the agreements it concludes are protected and supported appropriately and in accordance with ITF Policy where that applies. Such arrangements date back to the 1920's — Nautilus has a long and proud history of extending the hand of solidarity and mutual support to fellow seafarer unions and their members and this continues today including via the Nautilus Federation.

Nautilus secures payments from the shipowners, operators and managers with whom it concludes agreements. This income is a contribution to the wider welfare activities of Nautilus and ensures that at no time are members subscriptions, as defined in the Rules of the Union, used for purposes other than for which the Rules provide.

FOR THE YEAR ENDED 31 DECEMBER 2024

2. JUDGEMENTS IN APPLYING ACCOUNTING POLICIES AND KEY SOURCES OF ESTIMATION UNCERTAINTY

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Although these estimates are based on management's best knowledge of the amount, events or actions, actual results ultimately may differ from those estimates.

Council Members consider the provision for the Legal Defence Fund liabilities and the valuation of the MNAOA SPF to be critical estimates and judgements applicable to the financial statements.

Legal Defence Fund liabilities are accrued on the basis of management's expectations of the costs which are likely to be incurred on a case-by-case basis. The nature of each case is different and accordingly costs can vary significantly from original estimates. Such variations are taken into account in the remeasurement of the provision at each year end date.

The valuation of the MNAOA SPF is subject to significant judgement relating to each of the key assumptions set out in note 7 below.

FOR THE YEAR ENDED 31 DECEMBER 2024

7. PENSION COMMITMENTS

The Union operates a defined benefit pension scheme, the MNAOA Supplementary Pension Scheme (SPF) for certain members of staff. This scheme is now closed to new entrants. It is funded by the payment of contributions to a separately administered trust fund. The assets of the scheme are held separately from those of Nautilus International.

The Union adopts the valuation and disclosure requirements of section 28 of FRS102. The Union includes the assets and liabilities of the SPF in the Union's statement of financial position, with a consequent effect on reserves.

The pension contributions are determined with the advice of a qualified actuary on the basis of triennial valuations using the aggregate method. The most recent full valuation was conducted as at 31 December 2023. The principal assumptions used by the actuaries were Discount Rate of 4.5% for Pre Retirement and 2.3% for Post Retirement and salaries would increase by 3.0% per annum. The market value of the assets at 31 December 2024 was £4,330,000.

Nautilus International ceased in 2023 to contribute to the SPF pension deficit. This is because the SPF was fully funded due to the performance of the investment portfolio. The funding situation will be reviewed again following the actuarial valuation at 31 December 2024.

Nautilus International pension contribution into the MNAOA SPF for the year was £NIL (2023: £nil). Contributions to the scheme will be £65,000 each year from 2018 to 2022 with no further contributions required to eliminate the funding shortfall.

The most recent valuation has been updated to reflect conditions at the balance sheet date. The key assumptions were as follows:

| Main assumptions | % per | annum |
|--|---|---|
| • | 2024 | 2023 |
| RPI inflation | 3.25 | 3.20 |
| CPI inflation | 2.80 | 2.60 |

| | Benefits paid | (286) | (263) |
| | | | |
| | Fair value of scheme assets at the end of the period | £4,330 | £4,747 |
| | | | |

In the opinion of the actuary the resources of the scheme are likely in the normal course of events, to meet in full the liabilities of the scheme as they fall due. The next actuarial valuation is to be carried out as at 31 December 2024 is currently being carried out.

In addition Nautilus International has financial commitments to pay employer contributions and as laid down in legislation and the trust deeds and rules, to two multi employer pension schemes — the MNOPF, a defined benefit scheme, and SMART Pension, a defined contribution scheme.

NOTES TO THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 DECEMBER 2024

7. PENSION COMMITMENTS (continued)

The Trustees of the pension scheme cannot identify the Union's share of the underlying assets and liabilities of the MNOPF defined benefit scheme on a consistent and reasonable basis. As explained above, the Union's pension contributions are assessed in accordance with the advice of a qualified independent actuary whose calculations are based upon the total scheme membership of the MNOPF.

In accordance with section 28 of FRS102 the scheme is therefore included in the financial statements as if it was a defined contribution scheme.

8. KEY MANAGEMENT PERSONNEL

The aggregate remuneration for the six individuals (2023: seven individuals) identified as key management personnel during the year was £628,351 (2023: £621,049).

STATEMENT OF THE COUNCIL AND GENERAL SECRETARY'S RESPONSIBILITIES

Rule 10 of the Union's Rules provides that the Council is responsible for the absolute control and administration of the affairs and property of the Union and thus for safeguarding the assets of the Union. Rule 22.2 provides that the General Secretary shall provide Council with such financial statements as it may require.

The General Secretary is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Union and for ensuring that the financial statements comply with the Trade Union and Labour Relations (Consolidation) Act 1992 as amended and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Law applicable to Trade Unions requires the preparation of financial statements for each financial year which give a true and fair view of the Union's activities during the year and of its financial position at the end of the year. In preparing those financial statements, the General Secretary is required to;

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Union will continue in operation.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF

NAUTILUS INTERNATIONAL

Opinion

We have audited the financial statements of Nautilus International ('the Union') for the year ended 31 December 2024 which comprise the Statement of Financial Position, the Statement of Comprehensive Income, the Statement of Cash Flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Union's affairs as at 31 December 2024 and of its surplus for the year then ended; and
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that Council's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Union's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorized for issue.

Our responsibilities and the responsibilities of Council with respect to going concern are described in the relevant sections of this report.

Other information

The Council is responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

NAUTILUS INTERNATIONAL (continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Trade Union and Labour Relations Act 1992 requires us to report to you if, in our opinion:

- proper accounting records have not been kept;
- a satisfactory system of control over its accounting records, cash holdings and receipts and remittances has not been maintained; or
- the financial statements are not in agreement with the accounting records and returns.

Responsibilities of the Council

As explained more fully in the Statement of Council and General Secretary's Responsibilities set out on page 14, the Council is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

We have been appointed as auditor under section 33 of the Trade Union and Labour Relations Act 1992 and report in accordance with section 36 of that Act.

In preparing the financial statements, the Council is responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they either intend to liquidate the union or to cease operations or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Based on our understanding of the Union and industry, we identified that the principal risks of non-compliance with laws and regulations related to the valuation of certain estimates, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Trade Union and Labour Relations Act 1992, corporation tax, payroll tax and sales tax.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF

NAUTILUS INTERNATIONAL (continued)

We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls) and determined that the principal risks were related to posting inappropriate journal entries to revenue and management bias in accounting estimates. Audit procedures performed by the engagement team included:

- Inspecting correspondence with the tax authorities;
- Discussions with management including consideration of known or suspected instances of non-compliance with laws and regulation and fraud;
- Evaluating management's controls designed to prevent and detect irregularities;
- Identifying and testing journals, in particular journal entries posted with unusual account combinations, postings by unusual users or with unusual descriptions; and
- · Challenging assumptions and judgements made by management in their critical accounting estimates

Use of our report

This report is made solely to the Union's members as a body. Our work has been undertaken so that we might state to the Union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Union and the Union's members as a body, for our audit work, or for the opinion we have formed.
