**Subject:** Former Friends School Field Mount Pleasant Road Saffron Walden

Application ref no S62A/2025/0107

From Judith and Chris Roberts, [REDACTED]

We would like to express our concerns about noise levels in and around the proposed clubhouse and field. The field is not large enough for general sports and is located close to existing housing.

We are also concerned about access at all hours to this area, are there any restrictions in place to limit 24 hour access?

Judith & Chris Roberts
