Subject: RE: S62A/2025/0108 11-13 High Street, Westbury, Bristol

Hi Jamauri

I write to confirm that application S62A/2025/0108 (11-13 High Street, Westbury, Bristol) **is a CIL Liable Development**.

As the application was received by PINS after 1 May 2025, CIL is to be applied should PINS grant a planning permission.

The CIL Liability is **£7,820**. It has been calculated based on the information provided by the applicant in the CIL Form 1 submitted to PINS, which identifies a 64sqm increase in the level of residential floorspace. The calculation is as follows:

$64\text{sqm} \times £70/\text{sqm} \times (391 / 224 \text{ indexation factor}) = \mathbf{£7,820.00}$

The PINS officer determining the application should include the CIL Liability in their report.

Should you have any queries re this please let me know.

Best wishes

Jim
