Product Description	A small tumble dryer machine with wall plug.
Country of Origin	China
Counterfeit	No
Risk Level	High
Risk Type	Fire
Risk Description	The product presents a high risk of fire as the motor has a rated voltage of 220 V, below the required 230 v required. The use of equipment on supply voltages in excess of their rating can lead to overheating, which may cause the plug to spark and catch on fire. There is also a risk of injury as the rotating drum can be accessed while the product is in use. The instructions were deemed inadequate and some of the required documentation/markings were not present. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016.
Corrective Measures	The import has been rejected at the border and destroyed.
