**DECISION**

**The Tribunal determines a rent of £1,250 per calendar month with effect from 18<sup>th</sup> February 2025.**

---

## SUMMARY REASONS

### Background

1. On 16<sup>th</sup> January 2025 the Landlord served a notice under Section 13(2) of the Housing Act 1988 which proposed a new rent of £1,380 in place of the existing rent of £1,300 per month to take effect from 18<sup>th</sup> February 2025.
2. On 15<sup>th</sup> February 2025 under Section 13(4)(a) of the Housing Act 1988, the Tenant referred the Landlord's notice proposing a new rent to the Tribunal for determination of a market rent.

### Inspection

3. The Tribunal did not inspect the property but considered this case based on the papers provided by the parties and information freely available on the internet.

### Evidence

4. The Tribunal has considered the written submissions provided by the Tenant and the Landlord.

### Determination and Valuation

5. Having given consideration to the comparable evidence provided by the parties and of its own expert, general knowledge of rental values in the area, the Tribunal determines that the open market rent for the property in good tenable condition would be £1,500 per calendar month.
6. Such a tenancy would normally include white goods, carpets, curtains/blinds and associated fittings to all be provided by the Landlord.
7. In this case the property is not let in such condition so some adjustments to the 'open market rent' are necessary. In particular the Tribunal has made the adjustments for poor ventilation to the Bathroom, 'blown' double glazing units, partial electric heating and poor kitchen fittings all evidenced by an Improvement Notice served by Crawley Borough Council dated 18<sup>th</sup> March 2025.
8. The full valuation is shown below:

Full open market rent in good condition	£1,500
---	--------

Less deductions for:-

Poor ventilation to bathroom	£25
Defective double-glazing units	£75
Substandard kitchen fittings	£100
Partial electric heating	£50

TOTAL RENT PAYABLE PER MONTH	£1,250
------------------------------	--------

9. The Tribunal therefore decided that the rent at which the subject property might reasonably be expected to be let in the open market by a willing Landlord under the terms of this assured tenancy was £1,250 per month.
10. The Tenant made no representation that the starting date for the new rent specified in the Landlord's notice would cause the Tenant undue hardship.
11. Accordingly, the Tribunal directed that the new rent of £1,250 per month should take effect from 18<sup>th</sup> February 2025 this being the date specified in the notice.
