Dear

RE: Request for Information – RFI4834

Thank you for your request for information which was processed in accordance with the Freedom of Information Act 2000 (FOIA).

You requested the following information:

Please could you point me in the direction of / send me an organogram (structure chart) for Homes England? I recall one was published in the last 18 – 24 months but can't find it easily on your webpage.

Response

We can confirm that we do hold the requested information. Please see **Annex A** attached to this letter to view our organisation chart. Please note that there have been some organisational changes since the chart was produced; the Chief Finance Officer and Chief Digital and Data Officer are no longer in post and their reporting areas have been redistributed amongst other Directorates.

Section 40 – Personal information

We have redacted some information on the grounds that it constitutes third party personal data and therefore engages section 40(2) of the FOIA.

To disclose personal data, such as names, contact details, addresses, email addresses and personal opinions could lead to the identification of third parties and would breach one or more of the data protection principles.

Section 40 is an absolute exemption which means that we do not need to consider the public interest in disclosure. Once it is established that the information is personal data of a third party and release would breach one or more of the data protection principles, then the exemption is engaged.
