Dear [REDACTED]

RE: Request for Information – RFI5051

Thank you for your request for information which was processed in accordance with the Freedom of Information Act 2000 (FOIA).

You requested the following information:

Please provide the following information for the 2022-23 and 2023-24 financial years:

The total income your organisation received from the government in each year.

Your organisation's total expenditure in each year.

Your organisation's total staff headcount in each year.

The year in which your organisation was originally founded

For the purposes of this FOI, income from the government refers to all income you received from the UK government. This is most likely in the form of government grants but could also be through other mechanisms.

Total expenditure refers to the total amount of money your organisation spent in each financial year. If this is not available, please provide net expenditure and identify it as such.

Your organisation's headcount refers to the total number of staff employed during each financial year. If a total headcount is not available please provide the full-time equivalent figure and identify it as such.

The year in which your organisation was founded refers to the initial founding of the organisation rather than a name change. Please provide the earliest possible date for this.
