Dear ██████████

RE: Request for Information – RFI5091

Thank you for your request for information which was processed in accordance with the Freedom of Information Act 2000 (FOIA).

You requested the following information:

Re. the above former retail site currently being developed for a new large supermarket.

This has turned into a huge site restoration project probably costing £ millions, creating noise and huge clouds of dust affecting the local environment.

In this regard, would the supermarket company have received a Government grant for this project ?

I have contacted my local M.P. re. this issue but I have only received a vague reply.

Response

We can confirm that Homes England does not hold the information detailed in your request.

To conclude that the information is not held, we have searched with our Grant team, Affordable Housing team, and Delivery team who would have the requested information if held.

The FOIA does not oblige a public authority to create information to answer a request if the requested information is not held. The duty under section 1(1) is only to provide the recorded information held.

We understand the site has been purchased by a large supermarket retailer. Homes England are a housing and regeneration agency. As there are no residential aspects to the project, it is outside our remit. Therefore no funding has been provided via Homes England to this project.
