Advert for Members of the Scheme Administrator Steering Group

We are delighted to announce that we are now welcoming expressions of interest (EOI) for the appointment of Members of the Scheme Administrator Steering Group (the Steering Group) for the UK Extended Producer Responsibility for Packaging (pEPR) Scheme.

pEPR is a joint scheme between the governments of the four nations of the UK -England, Northern Ireland, Scotland, and Wales, launched in January 2025. The Scheme aims to reduce the amount of packaging used, increase recycling rates overall, and incentivise more efficient and effective processes throughout the lifecycle of packaging waste management by encouraging widespread behavioural change across all four nations.

What is the Scheme Administrator Steering Group?

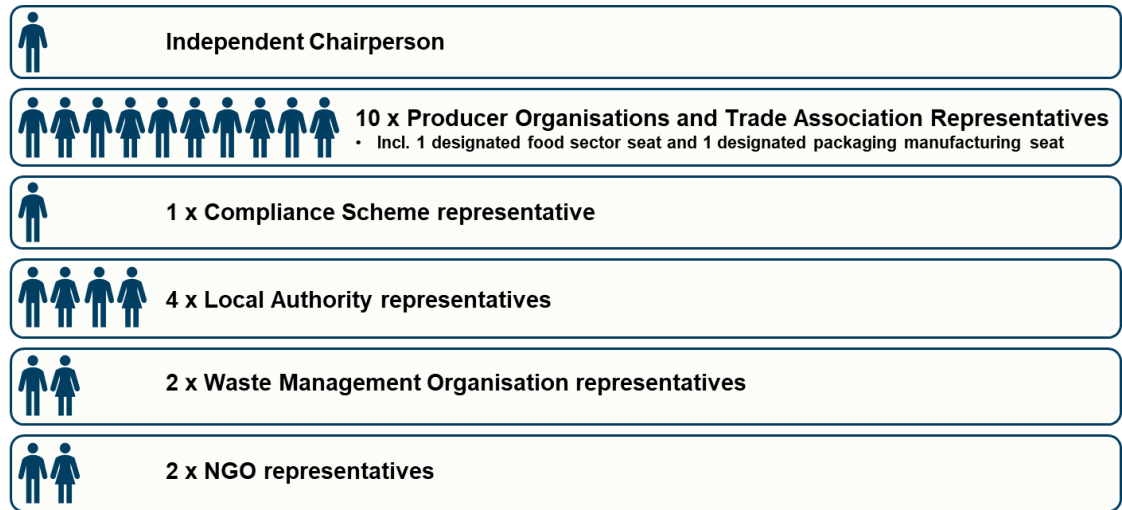

The Steering Group brings together talented individuals across the packaging value chain who are passionate about recycling and the environment, to make recommendations to the Scheme Administrator Executive Committee (SA ExCo) on the operational functions of the Scheme Administrator and support them to:

- deliver a system that creates maximum environmental benefits through knowledge sharing and collaboration; and
- deliver maximum efficiency and effectiveness of the collection and packaging system.

In this role, you will be involved with one of the most important and powerful environmental reforms of our time: making a direct contribution to the achievement of decarbonisation and net zero by 2050.

In line with international best practice for EPR Schemes, the Steering Group will be producer led. The makeup of the seats on the Steering Group is as follows:

The Steering Group will consist of 10 individuals from producer organisations and trade association representatives (1 designated seat for the food sector and 1 designated seat for packaging manufacturing) and 11 other members, representing Local Authorities (LAs) in each of the four nations, waste management organisations, environmental Non-Government Organisations (NGO), compliance schemes, and an independent chair.

How much time are we expecting you to offer?

We are seeking candidates able to volunteer the following estimated time commitment:

- At least one quarterly meeting of max 3 hours. The appointed Group Chair may decide to call extraordinary meetings, if circumstances require them to do so and with the approval of the Chief Executive Officer of PackUK.
- Reading and meeting preparation – estimated 3 hours per month.
- Meetings will take place virtually on MS Teams.
