Certificate of Origin Notes

1. These details are not required if the producer is the signatory and the exporter's details are not known. The address of the exporter must be in India.
2. The address must be in the Party where the good is produced. If the producer is the signatory they must be located in India. If the exporter is the signatory and there are multiple producers, the entry may state "various".
3. The address of the importer must be in the United Kingdom.
4. Provide the Indian signatory's reference number. This shall be the Importer Exporter Code ("IEC").
5. If the certificate of origin has been completed retrospectively, after importation of the good in accordance with paragraph 8 of Article 3.15 (Proof of Origin), tick this box and provide a short explanation of the reason(s) why, such as, for example, because the importer did not request the certificate of origin earlier.
