Product Description	A white three-pin charging adapter packaged in a white cardboard box.
Country of Origin	China
Counterfeit	Yes
Risk Level	Serious
Risk Type	Electric shock and fire
Risk Description	The product presents a serious risk of fire and electric shock as the plug pins are not compatible with BS 1363 sockets and do not connect securely when in use. This could cause the product to overheat and cause a fire. The user could also receive an electric shock when inserting or removing the plug from the socket as there is inadequate protection against the live parts. Improvements are also required to the instructions, and many of the required documentation and markings are not present. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016 or the Plugs & Sockets etc. (Safety) Regulations 1994.
Corrective Measures	The import has been rejected at the border.
