Grenfell Community: Communications Feedback Form

Tell us how you would like to hear from us

The Government is committed to supporting the Grenfell community, both now and in the future.

We want to hear directly from you about how you prefer to receive updates on our work responding to the tragedy. If you are part of the Grenfell community—whether as a bereaved family member, survivor, or resident in the immediate community — please share your views by completing our quick feedback form via the link below.

<https://consult.communities.gov.uk/insight-and-evaluation/grenfell-community-engagement>

The feedback form will be open throughout the summer, and we'll be reviewing your responses regularly. Your views will help us to plan our communications for Autumn and beyond.

If you have any questions, please email: grenfelltowersite@communities.gov.uk
