

Appendix D: Questionnaire to be completed

Country: India

Date: 3rd March 2021

Contact details of the respondent:

[REDACTED]

Signature of the respondent:

Questions:

- 1) Which of the following controls apply to the import of **used/waste pneumatic tyres** (Basel Convention Code B3140), (HS Code 40122000) into your country?

a) Prohibition

☐

b) Prior written notification and consent;

☐

c) No Control

☐

d) Other control procedures under national law.

☒

- 2) For imports that are subject to "other control procedures" (i.e. d) above), please summarise what these control procedures are and where further information can be found:

The import of used/waste pneumatic tyres (B3140) is regulated in India as per the Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016. Import is allowed in the country with prior permission from the Ministry of Environment, Forest and Climate Change and license from Directorate General of Foreign Trade.

- 3) Please use the box below to provide any comments or clarifications regarding your reply to this questionnaire (*optional*):

N/A

- 4) Please note that the response to these questions will be considered as an official reply and will be shared with relevant UK regulators and stakeholders. The contact details of the respondent will not be shared outside of the UK government.
