Eich trwydded yrru

Diogelwch eich hun yn erbyn dwyn hunaniaeth.

Peidiwch â phostio delweddau o'ch trwydded yrru ar-lein.

Gwiriwch eich trwydded yrru'n ofalus. Mae hyn yn arbennig o bwysig os oes gwall yn eich enw, cyfeiriad, dyddiad geni, llofnod neu gategoriâu cerbydau.

Sut i wirio eich rhif gyrrwr

A	B	C	D	E
MORGA	657054	SM	9IJ	**

A: Dyma 5 llythyren gyntaf eich cyfenw. Os oes llai na 5 llythyren gan eich cyfenw, bydd y bylchau sy'n weddill yn cael eu llenwi gan ddefnyddio rhif 9 (er enghraifft, MAN99).

B:

- Y rhif cyntaf ac olaf yw'r flwyddyn geni
- Yr ail a'r trydydd rhif yw'r mis geni. (Os ydych yn fenyw, ychwanegir '5' at yr ail rif a defnyddir y cyfanswm fel yr ail ddigid. Felly os ydych yn fenyw a anwyd ym mis Hydref yr ail a'r trydydd rhif fyddai 60.)
- Mae'r pedwerydd a'r pumed digid yn dangos diwrnod eich geni

C: Y 2 flaenlythyren gyntaf eich enwau cyntaf. Os oes gennych un flaenlythyren yn unig yna bydd yr ail nod yn '9'.

D: Mae'r cyfrifiadur yn gwirio digidau a gynhyrchwyd ar hap fel mesur diogelwch.

E: Dyma rif cyhoeddi'r drwydded a fydd yn cynyddu un gyda phob trwydded a gyhoeddir. Nid yw'n rhan o'r rhif gyrrwr.

Os bydd unrhyw beth o'i le gyda'r drwydded, dychwelwch hi atom yn DVLA, Abertawe, SA99 1BN. Cynhwyswch lythyr a fydd yn esbonio beth sy'n bod.

Rhowch eich enw llawn a dyddiad geni neu rif gyrrwr pryd bynnag y byddwch yn cysylltu â ni am eich trwydded. Mae hyn yn ein helpu i ddod o hyd i'ch manylion.

Mae DVLA yn defnyddio pecyn cod post y Post Brenhinol i ddiweddarau manylion cyfeiriad. Os hoffech gynnwys enw eich tŷ yn eich cyfeiriad, bydd angen ichi gysylltu â'ch awdurdod lleol i gael cyngor am sut i wneud hynny.

Gyrwyr sy'n dysgu a deiliaid trwydded dros dro

Amodau a chyfyngiadau trwydded dros dro (ceir)

Mae'n rhaid goruchwyllo gyrwyr sy'n dysgu. I oruchwyllo gyrrwr sy'n dysgu mae'n rhaid ichi fod yn o leiaf 21 a bod gennych drwydded yrru lawn gyfredol Prydain Fawr (PF), Gogledd Iwerddon, UE neu AEE, y mae'n rhaid ei bod gennych am o leiaf 3 blynedd.

Mae'n rhaid bod gan yrwyr sy'n dysgu platiau 'L' ar y cerbyd maent yn ei yrru ac mae'n rhaid bod y platiau'n weladwy'n glir o flaen ac o gefn y cerbyd. Yng Nghymru, gall gyrwyr sy'n dysgu ddefnyddio platiau 'D' ar eu cerbydau yn lle platiau 'L' (mewn rhannau eraill o Brydain mae'n rhaid fod gan bob gyrrwr sy'n dysgu platiau 'L', hyd yn oed os byddant hefyd yn defnyddio platiau 'D').

Os oes gennych hawl dros dro heb gyfyngiad i yrru lori neu fws, ac y cawsoch yr hawl hwnnw ar neu ar ôl 1 Ionawr 1997, **gallwch yrru** ar y draffordd cyhyd ag eich bod yn cael eich goruchwyllo gan Hyfforddwr Gyrru Cymeradwy (ADI) mewn cerbyd rheoli deul ac yn arddangos platiau 'L'. Helpu, annog, cwnsela neu beri

Bydd unigolyn sy'n 'helpu, annog, cwnsela neu beri' unigolyn arall i gyflawni trosedd (yn helpu neu'n achosi iddynt gyflawni trosedd, neu'n rhoi cyngor iddynt ynghylch sut i wneud hynny) yn cael eu cosbi fel pe byddent hwy wedi cyflawni'r drosedd. Mae gan 'helpu, ac yn y blaen' ei god troseddu ei hun ac mae wedi'i neilltuo ar wahân i'r troseddau eraill yn y daflen hon.

Mae troseddau'n derbyn cod fel a nodir yn yr adran 'pwyntiau cosb a gwaharddiadau', ond ychwanegwch 2 at y cod (er enghraifft, mae LC20 yn dod yn LC22). Mae'r pwyntiau cosb am yr euogfarn yr un peth.

Achosi neu ganiatáu i rywun gyflawni trosedd

Mae troseddau'n derbyn cod fel a nodir yn yr adran 'pwyntiau cosb a gwaharddiadau', ond ychwanegwch 4 at y cod (er enghraifft, mae DR31 yn dod yn DR35). Mae'r pwyntiau cosb am yr euogfarn yr un peth.

Annog neu berswadio rhywun i gyflawni trosedd

Mae troseddau'n derbyn cod fel a nodir yn yr adran 'pwyntiau cosb a gwaharddiadau', ond ychwanegwch 6 at y cod (er enghraifft, mae DD40 yn dod yn DD46). Mae'r pwyntiau cosb am yr euogfarn yr un peth.

Troseddau nad ydynt yn ardystiadwy

Ni phriodolir pwyntiau cosb i'r troseddau hyn ond mae gan y troseddau hyn gyfnod gwaharddiad. Ar ddiwedd y gwaharddiad (56 diwrnod neu drosodd) bydd yn rhaid ichi wneud cais am adnewyddu trwydded yn ogystal â'r ffi briodol. Defnyddir y codau trosedd y ceir eu manylion ar y dudalen hon gennym i gofnodi'r drosedd ar fas data'r gyrrwr fel y gellir cadarnhau statws hawl gyrru'r unigolyn.

- NE96 Gwaharddiad wedi'i roi o dan Ddeddf Cynnal Plant, Pensiynau a Nawdd Cymdeithasol 2000.
- NE97 Trosedd heb fod yn ardystiadwy gyda gostyngiad parhaus posibl yn y cyfnod gwahardd. Trosedd heb fod yn ardystiadwy o ganlyniad i waharddiad yn y cyfamser heb ei ddedfrydu o fewn 6 mis.
- NE98 Troseddau amrywiol heb fod yn ardystiadwy o 1 Ionawr 2004. Pŵer o dan Adran 146 Pŵer Llysoedd Troseddol (Dedfrydu) 2000 i orchymyn gwahardd diffynnydd rhag gyrru – Ymddygiad Gwrthgymdeithasol.
- NE99 Gwaharddiadau sy'n cael eu cydnabod gan bawb a gafwyd yng Ngogledd Iwerddon neu Ynys Manaw (gweler tudalen 25 a 26).

Deddf Traffig Ffyrdd (Gyrwyr Newydd) 1995

Byddwch yn colli'ch trwydded os bydd gennych 6 neu fwy o bwyntiau cosb o fewn 2 flynedd o'r canlynol:

- Pasio prawf gyrru cyntaf ym Mhrydain Fawr neu Ogledd Iwerddon
- Cyfnewid trwydded a roddwyd yn yr UE, Ynysoedd y Sianel, Ynys Manaw neu Gibraltar. Mae'r cyfnod o 2 flynedd yn cychwyn o'r dyddiad y pasioch eich prawf gyrru gyntaf yn eich mamwlad
- Cyfnewid trwydded yrru o **wlad a ddynodwyd** a phasio prawf gyrru Prydain Fawr i ennill hawliau gyrru **ychwanegol**. Mae'r cyfnod o 2 flynedd yn cychwyn o'r dyddiad y pasioch prawf gyrru ym Mhrydain Fawr

Bydd unrhyw bwyntiau cosb dilys y byddwch yn eu derbyn cyn y cyfnod o 2 flynedd cyn pasio'ch prawf yn cyfrif tuag at y cyfanswm o 6. Bydd pwyntiau a fydd gennych ar ôl y cyfnod o 2 flynedd hefyd yn cyfrif os byddwch yn cyflawni trosedd yn ystod y cyfnod hwnnw.

Ni allwch apelio yn erbyn dirymiad o dan y Ddeddf.

Yr unig beth y gallwch apelio yn ei erbyn yw'r euogfarn a arweiniodd at y pwyntiau cosb. Bydd y llys perthnasol yn gallu rhoi cyngor ichi ynghylch sut i apelio. Unwaith y bydd y llys wedi dweud wrthym eich bod wedi gwneud apêl, ni fyddwn yn dirymu (tynnu) eich trwydded tra bod yr apêl yn parhau. Os byddwch yn derbyn rhybudd cosb benodol ni allwch apelio.

I gael eich trwydded lawn yn ôl, mae'n rhaid ichi:

- gael trwydded dros dro a gyrru fel dysgwyr
- pasio'r profion theori ac ymarferol eto

Nid yw pasio'r profion theori ac ymarferol yn tynnu'r pwyntiau cosb o'ch trwydded, ac os yw'r cyfanswm yn cyrraedd 12 o fewn 3 blynedd gallech gael eich gwahardd rhag gyrru.

Troseddwyr risg uchel

Os ydych wedi'ch gwahardd oherwydd bod gennych lefel o alcohol yn y corff o:

- 87.5 microgram neu fwy mewn pob 100 mililitr o anadl
- 200 miligram neu fwy mewn pob 100 mililitr o waed
- 267.5 miligram neu fwy mewn pob 100 mililitr o wrin neu os cawsoch eich:
- gwahardd ddwywaith o fewn 10 mlynedd am yrru a gyrru dros y terfyn cyfreithiol neu am fod yn anghymwys i yrru oherwydd diod
- gwahardd am fethu â rhoi sbesimen ar gyfer dadansoddiad
- gwahardd oherwydd eich bod wedi gwrthod caniatáu dadansoddiad o sampl gwaed a dynnwyd heb ganiatâd oherwydd anallu

Byddwn yn anfon ffurflen gais atoch cyn bod y gwaharddiad yn dod i ben gyda llythyr sy'n esbonio y bydd yn rhaid ichi gael **archwiliad meddygol** i gael eich trwydded yn ôl.

Mathau o gyffuriau

Os cawsoch eich gwahardd oherwydd bod lefel o gyffur gennych yn y corff, bydd y nodau alffa canlynol yn cynrychioli'r math o gyffur.

Your driving licence

Protect yourself against identity theft. Do not post images of your driving licence online.

Please check your driving licence carefully. This is especially important if there is a mistake in your name, address, date of birth, signature or vehicle categories.

How to check your driver number

A	B	C	D	E
MORGA	657054	SM	9IJ	**

- A.** This is the first 5 letters of your surname. If your surname has fewer than 5 letters, the remaining spaces will be made up using the number 9 (for example, MAN99).
- B.**
- The first and last numbers are the year of birth
 - The second and third numbers are the month of birth. (If you are a female, '5' is added to the second number and the total used as the second digit. So if you are a woman born in October the second and third numbers would be 60.)
 - The fourth and fifth digits show the day of your birth
- C.** The first 2 initials of your first names. If you have only one initial then the second character will be a '9'.
- D.** Computer check digits randomly generated as a secure measure.
- E.** This is the licence issue number which will increase by one with every licence issued. This is not part of the driver number.

If there is anything wrong with the licence, please return it to us at DVLA, Swansea, SA99 1BN. Include a letter explaining what is wrong.

Give your full name and date of birth or driver number whenever you contact us about your licence. This helps us to find your details.

The DVLA uses a Royal Mail postcode package to update address details. If you want your house name included in your address, you will need to contact your local authority for advice on how to do so.

We will send your licence and identity documents separately. If you do not get your identity documents back within 2 weeks of receiving your driving licence, please phone us on 0300 790 6801.

Note: The 'Application for a driving licence (D1) is available from:

- Post Office® branches that offer driver and vehicle services
- by phoning 0300 790 6801

If you currently hold or are applying for a full lorry, bus or minibus licence you must fill in an 'Application for a lorry, bus or minibus licence' (D2) which is available from:

- Post Office branches that offer driver and vehicle services
- by phoning 0300 790 6801

What to do if you lose your driving licence

If the details on your licence have not changed, you can apply for a replacement licence online at www.gov.uk/apply-online-to-replace-a-driving-licence or by phoning 0300 790 6801 between 8am and 7pm Monday to Friday, and between 8am and 2pm on Saturdays. We accept payment by Visa, MasterCard and Delta.

Obstructive Sleep Apnoea Syndrome (OSAS)

Obstructive Sleep Apnoea Syndrome (OSAS) is a condition which often goes undiagnosed. If it is not fully assessed and treated, this can cause sleepiness and other symptoms which can be a serious risk factor in road traffic accidents. For further details about how to recognise symptoms go to www.gov.uk/obstructive-sleep-apnoea-and-driving

Eyesight

Important – Have you had your eyesight checked recently? If you haven't, regular eyesight tests will reassure you that you still meet the legal standards.

The legal eyesight standard means that you must be able to read a car number plate from 20 metres.

You must not have been told by a doctor or optician that your eyesight is currently worse than 6/12 (decimal 0.5) on the Snellen scale. If you are in any doubt you should discuss with your optician or doctor. If required, you may wear glasses or corrective lenses to meet both of these standards.

There are higher eyesight standards for those who drive medium or large vehicles, minibuses or buses.

Bioptics (telescope) are not acceptable for use while driving in Great Britain and it is not acceptable to use a bioptic device to meet the visual acuity standard. A bioptic device cannot be used to pass the number plate test.

Further information is available on our website at www.gov.uk/driving-eyesight-rules

If you have any questions about standards for eyesight, or any other health condition, you can contact us:

- by writing to **DVLA, Drivers Medical Group, Swansea, SA99 1TU**
- by phoning 0300 790 6806 between 8am and 7pm Monday to Friday, and between 8am and 2pm on Saturdays

When you contact us, please give your full name and address, and your date of birth or driver number. Also give us as much information as possible about your medical condition

Driving in other countries

Visiting another country

You will need your UK driving licence and you may need an International Driving Permit (IDP). You can obtain an IDP from participating PayPoint stores across the UK. You will need a passport style photo, your original driving licence (you will also need your passport if you hold a paper driving licence) and appropriate fee for each IDP required. A full list of countries and the IDP requirements can be found at www.gov.uk/driving-abroad/international-driving-permit

To find your nearest participating PayPoint location and for more information, visit www.paypoint.com/dvla

Moving to another country

If you move to another country, you should get information about driving there from the relevant authority in that country.

If you **return** here from a country that is not in the European Union/European Economic Area (EU or EEA) and you do not have a GB licence, you may:

- drive for up to 12 months on a valid licence that is not a GB licence
- apply for a replacement of your previous GB licence by paying the appropriate fee and giving up any non-GB licence you hold

Learner drivers and provisional licence holders

Provisional licence conditions and restrictions (cars)

Learner drivers must be supervised. To supervise a learner driver you must be at least 21 and have a current full Great Britain (GB), Northern Ireland, EU or EEA driving licence, which you must have held for at least 3 years.

Learner drivers must have 'L' plates on the vehicle they are driving and the plates must be clearly visible from the front and back of the vehicle. In Wales, learner drivers can use 'D' plates on their vehicles instead of 'L' plates (in other parts of Britain all learner drivers must have 'L' plates, even if they are also using 'D' plates).

If you hold unrestricted provisional entitlement to drive a lorry or bus, and you got that entitlement on or after 1 January 1997. You **may drive** on the motorway as long as you are supervised by an ADI, in a dual controlled vehicle and are displaying 'L' plates. If you do not meet these conditions you could be fined up to £1,000, be disqualified (banned) from driving or have 3 to 6 penalty points on your driver record.

Entitlement for 16-year-olds

If you are 16, provisional category B entitlement (car) will be shown on your licence but it will not be valid until your 17th birthday or at age 16 if you are getting the mobility component of PIP or ADP at the enhanced rate, the mobility component of CDP at the higher rate or have applied for PIP having previously received the mobility component of DLA at the higher rate. If your circumstances change while you are 16 and you lose your qualifying benefit or it is re-assessed and awarded at a lower rate, you are required to notify DVLA, as this may effect your entitlement to drive.

Applying for a full licence after passing your test

If your name and address is correct on your driving licence, you may be able to have a new licence issued automatically once you pass your driving test. Your driving examiner will tell you if you qualify for this, if not you **must** send the test pass certificate (DVSA10) to us in order to claim your new entitlements on your driving licence.

You must return your current driving licence. If you are unable to return your driving licence please fill in either a D1 or D2 (if you hold lorry or bus entitlement) application form, and tell us why in section 1.

Compulsory Basic Training (CBT)

Provisional licence for motorcycles

All learner riders must complete a CBT course before riding a moped or motorcycle on the road.

You do not need to complete CBT if:

- you have already got full moped entitlement as a result of passing a moped test on or after 1 December 1990
- you have already got a full licence for one class of motorcycle entitlement and want to upgrade to another. (For example, if you are entitled to ride light motorcycles, (category A1), you do not need to repeat CBT to get a provisional category A entitlement)

If you have any questions about CBT, phone the Driver and Vehicle Standards Agency on 0115 936 6547 and ask for the CBT section.

Full car driving licence holders riding mopeds

A person who has passed a driving test for a car, since 1 February 2001, must take a CBT riding course before they can ride a moped on the road.

People who passed a car test **before 1 February 2001** do not need to take training before riding a moped on the road, but we encourage them to do so.

For a test, a moped must:

- be 50 cubic centimetres (cc) capacity or less and 4 kilowatts (kW) or less
- have a top design speed of no more than 28 miles per hour (mph)

Motorcycle specification for learner riders

Motorcycles with an engine size of up to 125cc and a power output of up to 11kW (14.6bhp) can be ridden on the road by learner riders providing they have L plates (or D or L plates in Wales) on the bike.

Training to ride a motorcycle larger than 125cc (direct access)

Learners aged 19 or over can practice for the test on a **motorcycle larger than 125cc**, but they can only ride on the road **when accompanied (on another motorcycle) by an approved motorcycle instructor**.

Provisional licence holders riding motor tricycles

New rules on driving licences for motorcycle riders came into force on 19 January 2013. This applies to existing and new provisional licence holders. Provisional licences should show category A (motor bicycle) and category B (car).

On or after 19 January 2013 a provisional licence will only cover you to ride motor tricycles if you have a physical disability. Driving tests for three-wheeled vehicles will only be available for physically disabled drivers.

Able-bodied provisional licence holders who wish to ride motor tricycles would have to pass Compulsory Basic Training and theory and practical tests on a 2 wheeled motorcycle (A1) or (A).

Types of motorcycle for tests

Riders aged 17 or 18

Riders aged 17 or 18 can take a sub-category A1 light motorcycle test:

Riders aged 24 and over can choose to take:

- a sub-category A1 test
- a sub-category A2 test
- a category A test

For a test a category A motorcycle must have a power of at least 50kW and a minimum kerb weight of 180kg.

Also for a test, a category A unrestricted solo motorcycle must:

- be at least 595cc capacity
- have an engine power of at least 50kW (53.6 bhp)

Training to ride a large motorcycle (direct access)

Learners can only practice for the test on either an A2 (at 19 or over) or A (at 24* or over) category motorcycle on the road (*21 if held an A2 licence for 2 years or more) **when accompanied (on another motorcycle) by an approved motorcycle instructor.**

Note: tests for mopeds with 3 or 4 wheels, A1 and A tricycles and sidecar combinations will only be offered to the physically disabled.

Minibuses, lorries and buses

Driving a minibus

To drive a minibus with over 8 passenger seats, you will normally need entitlement under category D1 or D. To get this you must meet higher medical standards and take a further driving test.

If you need more information go to www.gov.uk/browse/driving or you can order leaflet – ‘Driving a minibus’ (INF28) from us by phoning 0300 790 6801.

Driving a medium sized lorry

To drive a medium sized lorry up to 7,500kg you will need entitlement under category C1. To get this you must meet higher medical standards and take a further driving test.

Driving a lorry or bus

You must pass a driving test in a car before you take a test for either of these categories.

The lorry categories you can apply for are C1, C1E, C, CE. The bus categories you can apply for are D1, D1E, D, DE. You can also apply for all lorry and bus categories. You will be awarded all categories that you are entitled to. To do this you must send us an ‘Application for a lorry, bus or minibus licence’ (D2) together with a ‘Medical Examination Report’ (D4) filled in by an optometrist or optician and a doctor. You must also take and pass a driving test in a lorry or bus.

Supervising learner lorry and bus drivers

If you want to supervise a learner lorry or bus driver you will need to meet **either** of the following conditions:

- you must have held a full licence for the category of vehicle you are supervising in for at least 3 years
- you must have held a full licence for the category of vehicle you are supervising in for at least one year **and** have held a full licence in the other category (lorry or bus as appropriate) for at least 3 years

For example, a person supervising a bus learner driver must either have held a full bus licence for at least 3 years, or a full lorry licence for 3 years and a full bus licence for at least one year.

As of 6 April 2010, the supervising driver in category C1 or D1 vehicles (including trailer combinations) must:

- hold a full (post 1 January 1997) licence for the same category of vehicle being driven by the learner
- have held that right for the relevant period of time – usually 3 years*

* Those who pass the relevant driving test before 6 April 2010 will also be considered to have held that right for the length of time required

You can get more information on supervising a learner lorry or bus driver from the Driver and Vehicle Standards Agency (DVSA). Visit www.gov.uk or phone 0115 936 6666.

Towing trailers

From the 1 December 2021 you no longer have to sit a test in a rigid vehicle before sitting a trailer test.

If you need more information on entitlement to tow trailers goto www.gov.uk/towing-rules or read leaflet 'Driving licence requirements for towing trailers in Great Britain' (INF30) which you can order from us by phoning 0300 790 6801.

Motorhomes

When driving a motorhome it is the Maximum Authorised Mass (MAM) that is relevant to the driving entitlement you need. MAM is the total weight of the vehicle plus the maximum load it can carry.

To drive a motorhome with a MAM of between 3.5 and 7.5 tonnes, you need category C1 entitlement on your licence.

To drive a motorhome with a MAM of over 7.5 tonnes, you need category C entitlement on your licence.

Vehicles which do not need lorry or bus entitlement

For more information go to www.gov.uk/browse/driving or read leaflet 'Large vehicles you can drive using your car or lorry licence' (INF52) which you can order from us by phoning 0300 790 6801.

For further information on penalty points go to www.gov.uk/penalty-points-endorsements

Penalty points and disqualifications are valid for either 3 or 10 years depending on the offence, but remain on your driving licence record for an extra year. If you commit another driving offence that might have to go to court, this extra year allows any previous penalty points and disqualifications (that were valid at the time of the offence) to be taken into account by the court.

- **11 years** from the date of the conviction for offences relating to driving while under the influence of drink or drugs, causing death by careless driving while under the influence of drink or drugs, or causing death by careless driving and failing to provide a specimen to be tested
- **4 years** from the date of the conviction for reckless or dangerous driving and offences resulting in disqualification
- **4 years** from the date of the offence in all other cases

Special code

- TT99 To signify a disqualification under 'totting up' procedure. If the total of penalty points reaches 12 or more within 3 years, the driver will be disqualified.
Note: The individual offences which lead to this disqualification are removed from the drivers' record, upon issue of a new driving licence.

Aiding, abetting, counselling or procuring

A person who 'aids, abets, counsels or procures' another person to commit an offence (helps or causes them to commit an offence, or gives them advice on how to do so) will be punished as if they had committed it. 'Aiding, and so on' has its own offence code and is set apart from the other offences in this leaflet.

Offences are coded as set out in section 'penalty points and disqualifications', but add 2 to the code (for example, LC20 becomes LC22). The penalty points for the conviction are the same.

Causing or allowing someone to commit an offence

Offences are coded as set out in section 'penalty points and disqualifications', but add 4 to the code (for example, DR31 becomes DR35). The penalty points for the conviction are the same.

Encouraging or persuading someone to commit an offence

Offences are coded as set out in section 'penalty points and disqualifications', but add 6 to the code (for example, DD40 becomes DD46). The penalty points for the conviction are the same.

Non-endorsable offences

No penalty points are attributed to these offences but these offences do carry a period of disqualification. At the end of the disqualification (56 days or over) you will have to apply for a renewal licence together with the appropriate fee. The offence codes detailed on this page are used by us to record the offence on the drivers' database so that the status of the individual's driving entitlement can be confirmed.

- NE96 Disqualification imposed under the Child Support, Pensions & Social Security Act 2000.
- NE97 Non-endorsable offence with a possible on-going reduction in the disqualification period. Non-endorsable offence as a result of interim disqualification not being sentenced within 6 months.
- NE98 Non-endorsable miscellaneous offences from 1 January 2004. Power under Section 146 of the Power of Criminal Courts (Sentencing) Act 2000 to order a defendant to be disqualified from driving – Anti-Social Behaviour.
- NE99 Mutually recognised disqualifications obtained in Northern Ireland or Isle Of Man (see page 25 and 26).

The Road Traffic (New Drivers) Act 1995

You will lose your licence if you get 6 or more penalty points within 2 years of the following:

- Passing a first driving test in GB or Northern Ireland
- Exchanging a licence issued in the EU, the Channel Islands, the Isle of Man or Gibraltar. The 2-year period begins from the date you first passed a driving test in your home country
- Exchanging a driving licence from a **designated country** and passing a GB driving test to gain **additional** driving entitlements. The 2-year period begins from the date you passed a driving test in GB

Any valid penalty points you receive before the 2-year period before passing your test will count towards the total of 6. Points you get after the 2-year period will also count if you committed the offence during that period.

You cannot appeal against revocation under the Act. The only thing you can appeal against is the conviction that led to the penalty points. The relevant court will be able to give you advice on how to appeal. Once the court tells us you have made an appeal, we will not revoke (withdraw) your licence while the appeal is continuing. If you accept a fixed penalty notice you cannot appeal.

To get your full licence back, you must:

- get a provisional licence and drive as a learner
- pass the theory and practical tests again

Passing the theory and practical tests does not remove the penalty points from your record, and if the total reaches 12 within 3 years you may be disqualified from driving.

High-risk offenders

If you have been disqualified for having a level of alcohol in the body of:

- 87.5 microgrammes or more in every 100 millilitres of breath
 - 200 milligrammes or more in every 100 millilitres of blood
 - 267.5 milligrammes or more in every 100 millilitres of urine
- or if you have:
- been disqualified twice within 10 years for drink-driving over the legal limit or for being unfit to drive because of drink
 - been disqualified for failing to provide a specimen for analysis
 - been disqualified for refusing to allow analysis of a blood sample taken without consent due to incapacity

We will send you an application form before the disqualification ends with a letter explaining that you will need to have a **medical examination** to get your licence back.
