Verifications of declarations on forms EUR 2 may be carried out at random or whenever the customs authorities of the importing country have reasonable doubt as to the accuracy of the information regarding the authenticity of the forms and the true origin of the goods in question.

Instructions for use and completion of form EUR 2

1. This form is a certificate of origin used to provide evidence of the originating status of goods exported from the UK, and claiming preferential duty admission to certain countries. Full information on value limits is contained in Notice 827, which can be obtained from the National Advice Centre on 0845 010 9000. When handwritten the form must be completed in ink using capital letters. No duplicate or retrospective form can be issued.
2. The completed EUR 2 must be attached to the customs declaration/despatch note for a parcel post package or enclosed in a letter post package. The serial number of the EUR 2 form preceded by "EUR 2" must be stated on the customs declaration.
3. **Completion of this form is a declaration that all the goods in the consignment satisfy the relevant origin conditions. An incorrect declaration is an offence and the declarant may be liable to penalties. Selected EUR 2 forms are sent by the customs authorities in the receiving country from time to time to the United Kingdom for verification.**
