### Leave to enter the United Kingdom

7. A person who is neither a British citizen nor a Commonwealth citizen with the right of abode nor a person who is entitled to enter or remain in the United Kingdom by virtue of section 3ZA of the Immigration Act 1971 requires leave to enter the United Kingdom.

8. Under Sections 3 and 4 of the Immigration Act 1971 an Immigration Officer when admitting to the United Kingdom a person subject to immigration control under that Act may give leave to enter for a limited period and, if he does, may impose all or any of the following conditions:

- (i) a condition restricting employment or occupation in the United Kingdom;

He may also require him to report to the appropriate Medical Officer of Environmental Health. Under Section 24 of the 1971 Act it is an offence knowingly to remain beyond the time limit or fail to comply with such a condition or requirement.

9. The time limit and any conditions attached will be made known to the person concerned either:

- (i) by written notice given to him or endorsed by the Immigration Officer in his passport or travel document; or

10. The power to refuse leave to enter the United Kingdom or to cancel leave to enter or remain which is already in force is not to be exercised by an Immigration Officer acting on his own. The authority of a Chief Immigration Officer or of an Immigration Inspector must always be obtained.

## Suspension of leave to enter or remain in the United Kingdom

10A. Where a person has arrived in the United Kingdom with leave to enter or remain which is in force but which was given to him before his arrival he may be examined by an Immigration Officer under paragraph 2A of Schedule 2 to the Immigration Act 1971. An Immigration Officer examining a person under paragraph 2A may suspend that person's leave to enter or remain in the United Kingdom until the examination is completed.

## Cancellation of leave to enter or remain in the United Kingdom

10.B Where a person arrives in the United Kingdom with leave to enter or remain in the United Kingdom which is already in force, an Immigration Officer may cancel that leave.

## Requirement for a person not requiring leave to enter the United Kingdom to prove that he has the right of abode

12. A person claiming to be a British citizen must prove that he has the right of abode in the United Kingdom by producing either:

- (i) a United Kingdom passport describing him as a British citizen or as a citizen of the United Kingdom and Colonies having the right of abode in the United Kingdom; or
- (ii) a certificate of entitlement duly issued by or on behalf of the Government of the United Kingdom certifying that he has the right of abode.

13. A person claiming to be a Commonwealth citizen with the right of abode in the United Kingdom must prove that he has the right of abode by producing a certificate of entitlement duly issued to him by or on behalf of the Government of the United Kingdom certifying that he has the right of abode.

14. A Commonwealth citizen who has been given limited leave to enter the United Kingdom may later claim to have the right of abode. The time limit on his stay may be removed if he is able to establish a claim to the right of abode, for example by showing that:

- (i) immediately before the commencement of the British Nationality Act 1981 he was a Commonwealth citizen born to or legally adopted by a parent who at the time of the birth had citizenship of the United Kingdom and Colonies by his birth in the United Kingdom or any of the Islands; and
- (ii) he has not ceased to be a Commonwealth citizen in the meanwhile.

## Common Travel Area

15. The United Kingdom, the Channel Islands, the Isle of Man and the Republic of Ireland collectively form a common travel area. A person who has been examined for the purpose of immigration control at the point at which he entered the area does not normally require leave to enter any other part of it. However certain persons subject to the Immigration (Control of Entry through the Republic of Ireland) Order 1972 (as amended) who enter the United Kingdom through the Republic of Ireland do require leave to enter. This includes:

- (i) those who merely passed through the Republic of Ireland;
- (ii) persons requiring visas;
- (iii) persons who entered the Republic of Ireland unlawfully;
- (iv) persons who are subject to directions given by the Secretary of State for their exclusion from the United Kingdom on the ground that their exclusion is conducive to the public good;
- (v) persons who entered the Republic from the United Kingdom and Islands after entering there unlawfully or overstaying their leave.

## Admission of certain British passport holders

16. A person in any of the following categories may be admitted freely to the United Kingdom on production of a United Kingdom passport issued in the United Kingdom and Islands or the Republic of Ireland prior to 1 January 1973, unless his passport has been endorsed to show that he was subject to immigration control:

- (i) a British Dependent Territories citizen;
- (ii) a British National (Overseas);
- (iii) a British Overseas citizen;
- (iv) a British protected person;
- (v) a British subject by virtue of Section 30(a) of the British Nationality Act 1981, (who, immediately before the commencement of the 1981 Act would have been a British subject not possessing citizenship of the United Kingdom and Colonies or the citizenship of any other Commonwealth country or territory).

17. British Overseas citizens who hold United Kingdom passports wherever issued and who satisfy the Immigration Officer that they have, since 1 March 1968, been given indefinite leave to enter or remain in the United Kingdom may be given indefinite leave to enter.

## Persons outside the United Kingdom

17A. Where a person is outside the United Kingdom but wishes to travel to the United Kingdom an Immigration Officer may give or refuse him leave to enter. An Immigration Officer may exercise these powers whether or not he is, himself, in the United Kingdom. However, an Immigration Officer is not obliged to consider an application for leave to enter from a person outside the United Kingdom.

17B. Where a person having left the common travel area, has leave to enter the United Kingdom which remains in force under article 13 of the Immigration (Leave to Enter and Remain) Order 2000, an Immigration Officer may cancel that leave. An Immigration Officer may exercise these powers whether or not he is, himself, in the United Kingdom. If a person outside the United Kingdom has leave to remain in the United Kingdom which is in force in this way, the Secretary of State may cancel that leave.

## Non-lapsing leave

20A. Leave to enter or remain in the United Kingdom will usually lapse on the holder going to a country or territory outside the common travel area. However, under article 13 of the Immigration (Leave to Enter and Remain) Order 2000 such leave will not lapse where it was given for a period exceeding six months or where it was conferred by means of an entry clearance (other than a visit visa).

20B. Those who seek leave to enter the United Kingdom within the period of their earlier leave and for the same purpose as that for which that leave was granted, unless it

- (i) was for a period of six months or less; or
- (ii) was extended by statutory instrument or by section 3C of the Immigration Act 1971 (inserted by section 3 of the Immigration and Asylum Act 1999);

do not need a visa to enter the UK.

## Holders of restricted travel documents and passports

21. The leave to enter or remain in the United Kingdom of the holder of a passport or travel document whose permission to enter another country has to be exercised before a given date may be restricted so as to terminate at least 2 months before that date.

22. If his passport or travel document is endorsed with a restriction on the period for which he may remain outside his country of normal residence, his leave to enter or remain in the United Kingdom may be limited so as not to extend beyond the period of authorised absence.

23. The holder of a travel document issued by the Home Office should not be given leave to enter or remain for a period extending beyond the validity of that document. This paragraph and paragraphs 21-22 do not apply to a person who is eligible for admission for settlement or to a spouse or civil partner who is eligible for admission under paragraph 282 or to a person who qualifies for the removal of the time limit on his stay.

## Leave to enter granted on arrival in the United Kingdom

23A. A person who is not a visa national and who is seeking leave to enter on arrival in the United Kingdom for a period not exceeding 6 months for a purpose for which prior entry clearance is not required under these Rules may be granted such leave, for a period not exceeding 6 months. This paragraph does not apply where the person is a British National (Overseas), a British overseas territories citizen, a British Overseas citizen, a British protected person, or a person who under the British Nationality Act 1981 is a British subject.

23B. A person who is a British National (Overseas), a British overseas territories citizen, a British Overseas citizen, a British protected person, or a person who under the British Nationality Act 1981 is a British subject, and who is seeking leave to enter

on arrival in the United Kingdom for a purpose for which prior entry clearance is not required under these Rules may be granted such leave, irrespective of the period of time for which he seeks entry, for a period not exceeding 6 months.

A24. A person who is a national of a country specified in rule ETA 1.2. must obtain an ETA before travel to the UK unless they have an entry clearance.

## Entry clearance

24. The following persons are required to obtain entry clearance in advance of travel to the UK:

- (i) a visa national;
- (ii) a non visa national (not a British or Irish national) who is seeking entry for any purpose other than as a visitor seeking entry for 6 months or less, or
- (iii) a British national without the right of abode who is seeking entry for a purpose for which prior entry clearance is required under these Rules.

Any other person who wishes to ascertain in advance whether they are eligible for admission to the United Kingdom may apply for the issue of an entry clearance.

24A. A person who requires entry clearance must on arrival in the UK either:

- (i) produce to the Immigration Officer a valid passport or other identity document endorsed with a United Kingdom entry clearance, issued to them for the purpose for which they seek entry, which is still in force, or
- (ii) where they have been granted a United Kingdom entry clearance which was issued to them in electronic form (an eVisa) for the purpose for which they seek entry and which is still in force, produce to the Immigration Officer a valid passport or other identity document.

24B. A person who requires entry clearance and fails to meet the requirements of 24A must not be granted leave to enter on arrival.

25. Entry clearance takes the form of a visa (for visa nationals) or an entry certificate (for non visa nationals). A visa or an entry certificate may be issued in electronic form. These documents are to be taken as evidence of the holder's eligibility for entry into the United Kingdom, and accordingly accepted as "entry clearances" within the meaning of the Immigration Act 1971.

25A. An entry clearance which satisfies the requirements set out in article 3 of the Immigration (Leave to Enter and Remain) Order 2000 will have effect as leave to enter the United Kingdom. The requirements are that the entry clearance must specify the purpose for which the holder wishes to enter the United Kingdom and should be endorsed with the conditions to which it is subject or with a statement that it has effect as indefinite leave to enter the United Kingdom. The holder of such an entry clearance will not require leave to enter on arrival in the United Kingdom and, for the purposes of these Rules, will be treated as a person who has arrived in the United Kingdom with leave to enter the United Kingdom which is in force but which was given to him before his arrival.

26. An application for entry clearance will be considered in accordance with the provisions in these Rules governing the grant or refusal of leave to enter. Where appropriate, the term "Entry Clearance Officer" should be substituted for "Immigration Officer".

27. An application for entry clearance is to be decided in the light of the circumstances existing at the time of the decision, except that an applicant will not be refused an entry clearance where entry is sought in one of the categories contained in paragraphs 296-316 or paragraph EC-C of Appendix FM solely on account of his attaining the age of 18 years between receipt of his application and the date of the decision on it.

28. An applicant for an entry clearance must be outside the United Kingdom and Islands at the time of the application. An application for an entry clearance as a visitor or as a short-term student or under Appendix Ukraine Scheme must be made to any post designated by the Secretary of State to accept such applications. Subject to paragraph 28A, any other application must be made to a post in the country or territory where the applicant is living which has been designated by the Secretary of State to accept applications for entry clearance for that purpose and from that category of applicant. Where there is no such post the applicant must apply to the appropriate designated post outside the country or territory where he is living.

28A (a) An application for entry clearance under Appendix Temporary Work-Creative Worker or Appendix International Sports person, where the applicant is applying for a period of permission of 12 months or less, may also be made at the post in the country or territory where the applicant is situated at the date of application, provided that:

- (i) the post has been designated by the Secretary of State to accept applications for entry clearance for that purpose and from that category of applicant; and
- (ii) the applicant is in that country or territory for a similar purpose to the activity they propose to undertake in the UK; and
- (iii) the applicant is able to demonstrate to the Entry Clearance Officer that they have been given permission to live in that country or territory in accordance with its immigration laws.

(b) An application for entry clearance under Appendix Global Talent or Appendix Youth Mobility Scheme may be made at the post in the country or territory where the applicant is situated at the date of application, provided that:

- (i) the post has been designated by the Secretary of State to accept applications for entry clearance for that purpose and from that category of applicant; and
- (ii) the applicant is able to demonstrate to the Entry Clearance Officer that they have been given permission to live in that country or territory in accordance with its immigration laws and that the permission was given for a period of more than 6 months.

29. For the purposes of paragraph 28 "post" means a British Diplomatic Mission, British Consular post or the office of any person outside the United Kingdom and

Islands who has been authorised by the Secretary of State to accept applications for entry clearance. A list of designated posts is published by the Foreign and Commonwealth Office.

30. An application for an entry clearance is not made until any fee required to be paid under the regulations made under sections 68 and 69 of the Immigration Act 2014 has been paid.

30A. DELETED.

30B. An entry clearance shall cease to have effect where the entry clearance has effect as leave to enter and an Immigration Officer cancels that leave in accordance with paragraph 2A(8) of Schedule 2 to the Immigration Act 1971.

30C. An Immigration Officer may cancel an entry clearance which is capable of having effect as leave to enter if the holder arrives in the United Kingdom before the day on which the entry clearance becomes effective or if the holder seeks to enter the United Kingdom for a purpose other than the purpose specified in the entry clearance.

## **Transitional arrangements for specified forms used in postal and courier applications**

34Y. Where an application is made no more than 21 days after the date on which a form is specified (within the meaning of paragraph 34 or the validity requirements for the route applied for) and on a form that was specified immediately prior to the date

of the new specification, the application is deemed to have been made on the specified form (and is therefore not to be treated as invalid by reason only of being made on the “wrong” form).

## Undertakings

35. DELETED.

## Medical

36. A person who intends to remain in the United Kingdom for more than 6 months should normally be referred to the Medical Inspector for examination. If he produces a medical certificate he should be advised to hand it to the Medical Inspector. Any person seeking entry who mentions health or medical treatment as a reason for his visit, or who appears not to be in good mental or physical health, should also be referred to the Medical Inspector; and the Immigration Officer has discretion, which should be exercised sparingly, to refer for examination in any other case.

37. Where the Medical Inspector advises that a person seeking entry is suffering from a specified disease or condition which may interfere with his ability to support himself or his dependants, the Immigration Officer should take account of this, in conjunction with other factors, in deciding whether to admit that person. The Immigration Officer should also take account of the Medical Inspector's assessment of the likely course of treatment in deciding whether a person seeking entry for private medical treatment has sufficient means at his disposal.

38. A returning resident should not be refused leave to enter or have existing leave to enter or remain cancelled on medical grounds. But where a person would be refused leave to enter or have existing leave to enter or remain cancelled on medical grounds if he were not a returning resident or in any case where it is decided on compassionate grounds not to exercise the power to refuse leave to enter or to cancel existing leave to enter or remain, or in any other case where the Medical Inspector so recommends, the Immigration Officer should give the person concerned a notice requiring him to report to the Medical Officer of Environmental Health designated by the Medical Inspector with a view to further examination and any necessary treatment.

B39. DELETED.

C39. DELETED.

39. The Entry Clearance Officer has the same discretion as an Immigration Officer to refer applicants for entry clearance for medical examination and the same principles will apply to the decision whether or not to issue an entry clearance.

## Students

## Specified documents

39B. (a) Where these Rules state that specified documents must be provided, that means documents specified in these Rules as being specified documents for the route under which the applicant is applying. If the specified documents are not provided, the applicant will not meet the requirement for which the specified documents are required as evidence.

(b) Where these Rules specify documents that are to be provided, those documents are considered to be specified documents, whether or not they are named as such, and as such are subject to the requirements in (c) to (f) below.

(c) If the Entry Clearance Officer or Secretary of State has reasonable cause to doubt the genuineness of any document submitted by an applicant which is, or which purports to be, a specified document under these Rules, and having taken reasonable steps to verify the document is unable to verify that it is genuine, the document will be discounted for the purposes of this application.

(d) Specified documents may be originals or copies.

(e) Specified documents must contain, or the applicant must provide, full contact details to allow each document to be verified.

(f) Where any specified documents provided are not in English or Welsh, the applicant must provide the version in the original language and a full translation that can be independently verified by the Entry Clearance Officer, Immigration Officer or the Secretary of State.

The translation must be dated and include:

- (i) confirmation that it is an accurate translation of the original document;
- (ii) the full name and signature of the translator or an authorised official of the translation company;
- (iii) the translator or translation company's contact details; and
- (iv) if the applicant is applying for leave to remain or indefinite leave to remain, certification by a qualified translator and details of the translator or translation company's credentials.

## Indefinite leave to enter or remain

39C (a) An applicant for indefinite leave to enter or remain must, unless the applicant provides a reasonable explanation, comply with any request made by the Secretary of State to attend an interview.

(b) If the decision-maker has reasonable cause to doubt (on examination or interview or on any other basis) that any evidence submitted by or on behalf of an applicant for the purposes of satisfying the requirements of Appendix KoLL of these Rules was genuinely obtained, that evidence may be discounted for the purposes of the application.

(c) Where sub-paragraph (b) applies, the decision-maker may give the applicant a further opportunity to demonstrate sufficient knowledge of the English language and about life in the United Kingdom in accordance with paragraph 3.2 or 3.3 of Appendix KoLL.

(d) A decision-maker may decide not to give the applicant a further opportunity under sub-paragraph (c) where the decision-maker does not anticipate that the supply of further evidence will lead to a grant of leave to enter or remain in the United Kingdom because the application may be refused for other reasons.

## Power to interview a person with limited leave to enter or remain

39D. For the purpose of assessing whether any of the grounds of cancellation of entry clearance or permission under Part 9 apply the Secretary of State may request a person to:

- (a) provide additional information to the Home Office at the address specified in the request within 28 calendar days of the date the request is sent; and
- (b) attend an interview.

## Exceptions for overstayers

39E. This paragraph applies where:

(1) the application was made within 14 days of the applicant's leave expiring and the Secretary of State considers that there was a good reason beyond the control of the applicant or their representative, provided in or with the application, why the application could not be made in-time; or

(2) the application was made:

- (a) following the refusal or rejection of a previous application for leave which was made in-time; and
- (b) within 14 days of:
  - (i) the refusal or rejection of the previous application for leave; or
  - (ii) the expiry of any leave extended by section 3C of the Immigration Act 1971; or
  - (iii) the expiry of the time-limit for making an in-time application for administrative review or appeal in relation to the previous application (where applicable); or
  - (iv) any such administrative review or appeal being concluded, withdrawn, abandoned or lapsing; or

(3) the period of overstaying was between 24 January and 31 August 2020; or

(4) where the applicant has, or had, permission on the Hong Kong BN(O) route, and the period of overstaying was between 1 July 2020 and 31 January 2021; or

(5) the period of overstaying:

- (a) is between 1 September 2020 and 28 February 2023; and
- (b) is covered by an exceptional assurance; or
- (6) the applicant has applied for permission to stay on the Ukraine Permission Extension Scheme and the application was made:
  - (a) within 90 days of the applicant's permission expiring; and
  - (b) the application was submitted between 4 February 2025 and 4 August 2025.

39F. For the purpose of paragraph 39E(5), "exceptional assurance" means a written notice given to a person by the Home Office stating that they would not be considered an overstayer for the period specified in the notice.

## Part 6A

Points-based system (paragraphs 245AAA to 245ZZE).

### 245AAA. General requirements for indefinite leave to remain

The following rules apply to all requirements for indefinite leave to remain in Part 6A and Appendix A:

(za) References to “PhD level occupation” refer to the following SOC 2010 occupation codes:

- 2111 Chemical scientists
- 2112 Biological scientists and biochemists
- 2113 Physical scientists
- 2114 Social and humanities scientists
- 2119 Natural and social science professionals not elsewhere classified [Note: For immigration purposes this code includes researchers in research organisations other than universities.]
- 2150 Research and development managers
- 2311 Higher education teaching professionals.

(a) References to a “continuous period” “lawfully in the UK” means, subject to paragraph (e), residence in the UK for an unbroken period with valid leave, and for these purposes a period shall be considered unbroken where:

- (i) the applicant has not been absent from the UK for more than 180 days during any 12 month period in the continuous period, except that:
  - (1) any absence from the UK for the purpose of assisting with a national or international humanitarian or environmental crisis overseas shall not count towards the 180 days, if the applicant provides evidence that this was the purpose of the absence(s) and that their Sponsor, if there was one, agreed to the absence(s) for that purpose; and
  - (2) for any absences from the UK during periods of leave granted under the Rules in place before 11 January 2018, the applicant must not have been absent from the UK for more than 180 days during each consecutive 12 month period, ending on the same date of the year as the date of the application for indefinite leave to remain; and
  - (3) for any applicant who has or has had leave as a Tier 2 (General) migrant, where the Certificate of Sponsorship Checking Service entry shows that they were sponsored to work in any PhD level occupation listed in (za) when the absence occurred, any absence from the UK for the purpose of research activities overseas shall not count towards the 180 days, if the applicant provides evidence from their sponsor showing that:
    - (a) research was the purpose of the absence(s); and
    - (b) the sponsor, agreed to the absence(s) for that purpose; and
    - (c) the absence(s) directly related to their Tier 2 employment in the UK; and

- (4) for any applicant who has or has had leave as a Tier 1 (Exceptional Talent) Migrant, where they were endorsed by the Royal Society, the British Academy or the Royal Academy of Engineering, any absence from the UK for the purpose of research activities overseas shall not count towards the 180 days, if it occurred while they held this leave.
- (ii) the applicant has existing limited leave to enter or remain upon their departure and return, except that:
  - (1) where that leave expired no more than 28 days prior to a further application for entry clearance which was made before 24 November 2016 and subsequently granted,
  - (2) where, on or after 24 November 2016, the applicant makes a further application for entry clearance during the currency of continuing limited leave which is subsequently granted, or
  - (3) where, on or after 24 November 2016, the applicant makes a further application for entry clearance within 14 days of the applicant's leave expiring and the Secretary of State considers that there was a good reason beyond the control of the applicant or their representative, provided in or with the application for indefinite leave to remain, why the application could not be made during the currency of continuing limited leave, or
  - (4) where a successful application for entry clearance is made following the refusal of a previous application to which (2) or (3) otherwise applies, and the application was made within 14 days of that refusal (or the expiry of the time-limit for making an in-time application for administrative review, or any administrative review or appeal being concluded, withdrawn or abandoned or lapsing),

that period spent without existing leave, pending the applicant's re-entry into the United Kingdom, shall be disregarded; and

- (iii) the applicant has any current period of overstaying disregarded where paragraph 39E of these Rules applies; and
  - (iv) the applicant has any previous period of overstaying between periods of leave disregarded where: the further application was made before 24 November 2016 and within 28 days of the expiry of leave; or the further application was made on or after 24 November 2016 and paragraph 39E of these Rules applied.
- (b) DELETED
- (c) Except for periods where the applicant had leave as a Tier 1(Investor) Migrant, a Tier 1(Entrepreneur) Migrant, a Tier 1(Exceptional Talent) Migrant or a highly skilled migrant, any absences from the UK during the relevant qualifying period must have been for a purpose that is consistent with the applicant's basis of stay here, including paid annual leave, or for serious or compelling reasons.
- (d) The continuous period will be considered as ending on whichever of the following dates is most beneficial to the applicant:
- (i) the date of application;
  - (ii) the date of decision; or
  - (iii) any date up to 28 days after the date of application
- (e) References to a continuous period spent with valid leave in the UK include time spent with valid leave in the Bailiwick of Guernsey, the Bailiwick of Jersey or the Isle of Man, where that leave was granted for an equivalent purpose to one of the

categories stated in the relevant paragraph, provided that the most recent period prior to the date of application was spent in the UK with valid leave in the relevant category.

## **245AA. Documents not submitted with applications**

- (a) Subject to sub-paragraph (b) and where otherwise indicated, where Part 6A or any appendices referred to in Part 6A state that specified documents must be provided, the decision maker (that is the Entry Clearance Officer, Immigration Officer or the Secretary of State) will only consider documents received by the Home Office before the date on which the application is considered.
- (b) If the applicant has submitted the specified documents and:
  - (i) specified evidence is missing from the documents; or
  - (ii) a document is in the wrong format (for example, if a letter is not on letterhead paper as specified); or
  - (iii) DELETED
  - (iv) a document does not contain all of the specified information;

the decision maker may contact the applicant or his representative in writing, and request the correct documents. The requested documents must be received at the address specified in the request within 10 working days of the date of the request.

- (c) Documents will not be requested where the decision maker does not think that the submission of missing or correct documents will lead to a grant because the application will be refused for other reasons.
- (d) If the applicant has omitted to provide specified evidence, or submitted it in the wrong format, but the missing information is verifiable from other documents provided with the application or elsewhere, the decision maker may grant the application despite the error or omission, if they are satisfied that the applicant meets all the other requirements of the Rules.

## **245A. Specified documents for students previously sponsored by an overseas government or international scholarship agency**

Where Part 6A of these Rules state that specified documents must be provided to show that a sponsoring government or international scholarship agency has provided its unconditional written consent to the application, the specified documents are letters, on the official letter-headed paper or stationery of the organisation(s), bearing the official stamp of that organisation and issued by an authorised official of that organisation. The documents must confirm that the organisation gives the applicant unconditional consent to remain in or re-enter the UK for an unlimited time.

A277 From 9 July 2012 Appendix FM will apply to all applications to which Part 8 of these rules applied on or before 8 July 2012 except where the provisions of Part 8 are preserved and continue to apply, as set out in paragraphs A280 to A280B.

A277A. Where the Secretary of State is considering an application for limited leave to remain or indefinite leave to remain to which Part 8 of these rules continues to apply (excluding an application from a family member of a Relevant Points Based System Migrant or Appendix W Worker), and where the applicant:

- (a) does not meet the requirements of Part 8 for indefinite leave to remain, (where the application is for indefinite leave to remain) and
- (b) meets or continues to meet the requirements for limited leave to remain under Part 8 in force at the date of decision,

subject to compliance with any requirement notified under paragraph A277D(b), further limited leave to remain under Part 8 may be granted of such a period and subject to such conditions as the Secretary of State deems appropriate. For the purposes of this sub-paragraph an applicant last granted limited leave to enter under Part 8 will be considered as if they had last been granted limited leave to remain under Part 8.

- (c) DELETED

A277B. Where the Secretary of State is considering an application for limited leave to remain or indefinite leave to remain to which Part 8 of these rules continues to apply (excluding an application from a family member of a Relevant Points Based System Migrant or Appendix W Worker) and where the application does not meet the requirements for indefinite leave to remain (where the application is for indefinite leave to remain) or limited leave to remain under Part 8 in force at the date of decision:

- (a) the application will also be considered as a partner, parent or child under Appendix FM (family life) in line with paragraphs R-LTRP.1.1.(a), (b) and (d), R-LTRPT.1.1.(a), (b) and (d), R-LTRC.1.1.(a), (b) and (d) and under Appendix Private Life; and
- (b) if the applicant meets the requirements for leave as a partner, parent or child under the relevant paragraphs of Appendix FM or under Appendix Private Life (except the requirement for a valid application under that route), the applicant will (subject to compliance with any requirement to pay an Immigration Health Charge notified under paragraph A277D(b)) be granted leave. If the applicant meets

provisions in both Appendix FM and Appendix Private Life, the applicant will be granted on Appendix Private Life if the applicant is a child or young adult (as that provides a shorter route to settlement), otherwise the applicant will be granted on Appendix FM; and

(c) if the applicant is granted leave under those provisions, the period of the applicant's continuous leave under Part 8 at the date of application will be counted towards the period of continuous leave which must be completed before the applicant can apply for indefinite leave to remain under paragraph 276B or Appendix Settlement Family Life or Appendix Private Life.

A277C. Subject to paragraphs A277 to A280B and paragraph GEN.1.9. of Appendix FM, the Secretary of State may consider any application to which the provisions of Appendix FM (family life) and Appendix Private life of these rules do not apply, under paragraphs RLTRP.1.1.(a), (b) and (d), R-LTRPT.1.1.(a), (b) and (d), R-LTRC.1.1.(a), (b) and (d) of Appendix FM (family life) and Appendix Private life of these rules. If the applicant meets the requirements for leave under those provisions (except the requirement for a valid application), the applicant will be granted leave under paragraph D-LTRP.1.2., D-LTRPT.1.2. or D-LTRC.1.1. of Appendix FM or under Appendix Private Life.

A277D. Where, pursuant to paragraphs A277A to A277C, a person who has made an application for indefinite leave to remain to which Part 8 of these rules continues to apply does not meet the requirements for indefinite leave to remain but falls to be granted limited leave to remain under Part 8, Appendix Private Life or Appendix FM, or outside the rules on Article 8 grounds:

- (a) The Secretary of State will treat that application for indefinite leave to remain as an application for limited leave to remain;
- (b) The Secretary of State will notify the applicant in writing of any requirement to pay an immigration health charge under the Immigration (Health Charge) Order 2015; and
- (c) If there is such a requirement and that requirement is not met, the application for limited leave to remain will be invalid and the Secretary of State will not refund any application fee paid in respect of the application for indefinite leave to remain.

A278 The requirements to be met under Part 8 after 9 July 2012 may be modified or supplemented by the requirements in Appendix FM and Appendix FM-SE.

A279. Paragraphs 13.2.1.- 13.3.2. apply to all immigration decisions made further to applications under Part 8 and paragraphs 276A-276D where a decision is made on or after 28 July 2014, irrespective of the date the application was made.

A280 The following provisions of Part 8 apply in the manner and circumstances specified:

- (a) The following paragraphs apply in respect of all applications made under Part 8 and Appendix FM, irrespective of the date of application or decision:

277-280

289AA

295AA

(b) The following paragraphs of Part 8 continue to apply to all applications made on or after 9 July 2012. The paragraphs apply in their current form unless an additional requirement by reference to Appendix FM is specified:

(d)

(ii) Subject to the following provisions, from 1 December 2013, Appendix Armed Forces applies to all applications for entry clearance, leave to enter or remain as the fiancé(e), proposed civil partner, spouse, civil partner, unmarried partner, same sex partner or child of a British citizen or settled person who is a full-time member of HM Forces.

(iii) Except, from 1 December 2013, the provisions in paragraph A280(d)(i) continue to apply to persons who were granted entry clearance, limited leave to enter or remain under Part 8 before 1 December 2013, and where it is a requirement of Part 8, that leave to enter or remain is extant.

(iv) Applications may continue to be made under paragraphs 297 to 316F of Part 8 by the child of a British citizen or settled person who was a full-time member of HM Forces regardless of the date of application and paragraph A280(b) continues to apply to these applications as appropriate.

(v) A new application by a dependent relative of a British citizen or settled person who is a full time member of HM Forces may no longer be made under paragraphs 317-319 on or after 1 December 2013. Those applications must meet the requirements of Appendix FM unless an application was submitted on or before 30 November 2013. An application made by a dependent relative of a British citizen or settled person who is a full time member of HM Forces on or before 30 November 2013 will be considered under the relevant paragraphs 317-319 which apply.

(vi) For the avoidance of doubt, paragraph A280(e) will continue to apply to the spouse, civil partner, unmarried partner or same sex partner of a British citizen or settled person who is a full-time member of HM Forces when the spouse, civil partner, unmarried or same sex partner was admitted to the UK under paragraph 282(c) or 295B(c) where the applicant has not yet applied for indefinite leave to remain, including where an application relying on paragraph A280(e) is made on or after 1 December 2013.

(vii) The requirements in paragraphs 8 and 9 of Appendix Armed Forces apply to applications for entry clearance, leave to enter or remain as the fiancé(e), proposed civil partner, spouse, civil partner, unmarried partner, same sex partner, or child or other dependent relative of a British citizen or settled person who is a full-time member of HM Forces making an application under Part 8 (where paragraph A280 (d) has permitted such an application) where

the decision is made on or after 1 December 2013 (and irrespective of the date of the application).

(e) The following provisions of Part 8 shall continue to apply to applications made on or after 9 July 2012, and are not subject to any additional requirement listed in (b) above, by a spouse, civil partner, unmarried partner or same sex partner who was admitted to the UK before 9 July 2012 further to paragraph 282(c) or 295B(c) of these Rules who has not yet applied for indefinite leave to remain:

(f) Paragraphs 301-303F continue to apply to applications made under this route on or after 9 July 2012, and are not subject to any additional requirement listed in (b) above, by a child of a person to whom those paragraphs relate who has been granted limited leave to enter or remain or an extension of stay following an application made before 9 July 2012,

(g) For the avoidance of doubt, notwithstanding the introduction of Appendix FM, paragraphs 319AA - 319J of Part 8 continue to apply, and are not subject to any additional requirement listed in paragraph (b) above, to applications for entry clearance or leave to enter or remain as the spouse, civil partner, unmarried partner, same sex partner, or child of a Relevant Points Based System Migrant or Appendix W Worker.

A280A. The sponsor of an applicant under Part 8 for limited or indefinite leave to remain as a spouse, civil partner, unmarried partner or same sex partner must be the same person as the sponsor of the applicant's last grant of leave in that category.

A280AA. Where a person aged 18 or over is granted limited leave to enter or remain under Part 8 of these rules, or where a person granted such limited leave to enter or remain will be aged 18 before that period of limited leave expires, the leave will, in

addition to any other conditions which may apply, be granted subject to the ATAS condition in Appendix ATAS.

A280B. An applicant aged 18 or over may not rely on paragraph A280 where, since their last grant of limited leave to enter or remain under Part 8, they have been granted or refused leave under Appendix FM, Appendix Armed Forces or Appendix Private Life of these rules, or been granted limited leave to enter or remain in a category outside their original route to settlement.

A281. In Part 8 "specified" means specified in Appendix FM-SE, unless otherwise stated, and "English language test provider approved by the Secretary of State" means a provider specified in Appendix O.

A283. From 12 April 2023, an application for a child to join, stay or settle with a non-parent relative with protection status must meet the requirements under Appendix Child joining or staying with a Non-Parent Relative (Protection) and the application will not be considered under this Part of the Immigration Rules.

A284. From 31 January 2024, an application for settlement from a victim of domestic abuse (and any dependent children), must be made under Appendix Victim of Domestic Abuse and an application for settlement from a bereaved partner (and any dependent children), must be made under Appendix Bereaved Partner (and any application for settlement will not be considered under this Part).

A285. From 11 April 2024, an application for a partner or child to join a member of HM Armed Forces or an HM Armed Forces service leaver must meet the requirements under Appendix HM Armed Forces and will not be considered under this Part of the Immigration Rules.

A286. From 6 June 2024, an application by a child to join an adoptive parent or parents in the UK must meet the requirements under Appendix Adoption and the application will not be considered under this Part of the Immigration Rules.

## Spouses and civil partners

277. Nothing in these Rules shall be construed as permitting a person to be granted entry clearance, leave to enter, leave to remain or variation of leave as a spouse or civil partner of another if either the applicant or the sponsor will be aged under 18 on the date of arrival in the United Kingdom or (as the case may be) on the date on which the leave to remain or variation of leave would be granted. In these rules the term "sponsor" includes "partner" as defined in GEN 1.2 of Appendix FM.

278. Nothing in these Rules shall be construed as allowing a person to be granted entry clearance, leave to enter, leave to remain or variation of leave as the spouse and civil partner of a man or woman (the sponsor) if:

- (i) his or her marriage or civil partnership to the sponsor is polygamous; and

(ii) there is another person living who is the husband or wife of the sponsor and who:

(a) is, or at any time since his or her marriage or civil partnership to the sponsor has been, in the United Kingdom; or

(b) has been granted a certificate of entitlement in respect of the right of abode mentioned in Section 2(1)(a) of the Immigration Act 1988 or an entry clearance to enter the United Kingdom as the husband or wife of the sponsor.

For the purpose of this paragraph a marriage or civil partnership may be polygamous although at its inception neither party had any other spouse or civil partner.

279. Paragraph 278 does not apply to any person who seeks entry clearance, leave to enter, leave to remain or variation of leave where:

(i) he or she has been in the United Kingdom before 1 August 1988 having been admitted for the purpose of settlement as the husband or wife of the sponsor; or

(ii) he or she has, since their marriage or civil partnership to the sponsor, been in the United Kingdom at any time when there was no such other spouse or civil partner living as is mentioned in paragraph 278 (ii).

But where a person claims that paragraph 278 does not apply to them because they have been in the United Kingdom in circumstances which cause them to fall within sub paragraphs (i) or (ii) of that paragraph it shall be for them to prove that fact.

280. For the purposes of paragraphs 278 and 279 the presence of any wife or husband in the United Kingdom in any of the following circumstances shall be disregarded:

(i) as a visitor; or

(ii) an illegal entrant; or

(iii) in circumstances whereby a person is deemed by Section 11(1) of the Immigration Act 1971 not to have entered the United Kingdom.

Where the period of limited leave granted to a fiancée(e) will expire in more than 6 months, a person seeking limited leave to enter as the child of the fiancée(e) or proposed civil partner should be granted leave for a period not exceeding six months.

### **Refusal of an extension of stay in the United Kingdom as the child of a fiancé(e) or proposed civil partner**

303F. An extension of stay as the child of a fiancé(e) or proposed civil partner is to be refused if the Secretary of State is not satisfied that each of the requirements of paragraph 303D is met.

Such a child requires leave to enter where admission to the United Kingdom is sought, and leave to remain where permission is sought for the child to be allowed to stay in the United Kingdom. If he qualifies for entry clearance, leave to enter or leave to remain under any other part of these Rules, a child who was born in the United Kingdom but is not a British Citizen may be granted entry clearance, leave to enter or leave to remain in accordance with the provisions of that other part.

### **Requirements for leave to enter or remain in the United Kingdom as the child of a parent or parents given leave to enter or remain in the United Kingdom**

### **Leave to enter or remain in the United Kingdom**

306. A child born in the United Kingdom who is not a British Citizen and who requires leave to enter or remain in the circumstances set out in paragraph 304 may be given leave to enter for the same period as his parent or parents where paragraph 305 (i)(a) applies, provided the Immigration Officer is satisfied that each of the

requirements of paragraph 305 (ii)-(v) is met. Where leave to remain is sought, the child may be granted leave to remain for the same period as his parent or parents where paragraph 305 (i)(a) applies, provided the Secretary of State is satisfied that each of the requirements of paragraph 305 (ii)-(iv) is met. Where the parent or parents have or are given periods of leave of different duration, the child may be given leave to whichever period is longer except that if the parents are living apart the child should be given leave for the same period as the parent who has day to day responsibility for him.

307. If a child does not qualify for leave to enter or remain because neither of his parents has a current leave, (and neither of them is a British Citizen or has the right of abode), he will normally be refused leave to enter or remain, even if each of the requirements of paragraph 305 (ii)-(v) has been satisfied. However, he may be granted leave to enter or remain for a period not exceeding 3 months if both of his parents are in the United Kingdom and it appears unlikely that they will be removed in the immediate future, and there is no other person outside the United Kingdom who could reasonably be expected to care for him.

308. A child born in the United Kingdom who is not a British Citizen and who requires leave to enter or remain in the United Kingdom in the circumstances set out in paragraph 304 may be given indefinite leave to enter where paragraph 305 (i)(b) or (i)(c) applies provided the Immigration Officer is satisfied that each of the requirements of paragraph 305 (ii)-(v) is met. Where an application is for leave to remain, such a child may be granted indefinite leave to remain where paragraph 305 (i)(b) or (i)(c) applies, provided the Secretary of State is satisfied that each of the requirements of paragraph 305 (ii)-(iv) is met.

### **Refusal of leave to enter or remain in the United Kingdom**

309. Leave to enter the United Kingdom where the circumstances set out in paragraph 304 apply is to be refused if the Immigration Officer is not satisfied that each of the requirements of paragraph 305 is met. Leave to remain for such a child is to be refused if the Secretary of State is not satisfied that each of the requirements of paragraph 305 (i)-(iv) is met.

# Immigration Rules

## Part 9

Grounds for refusal.

Suitability requirements apply to all routes and must be met in addition to validity and eligibility requirements.

Where this Part applies a person will not meet the suitability requirements if they fall for refusal under this Part.

A person may also have their entry clearance or permission cancelled on suitability grounds.

More than one grounds for refusal or cancellation may apply, for example, the presence of a foreign criminal in the UK may not be conducive to the public good.

The Immigration Act 1971, section 76 of the Nationality, Immigration and Asylum Act 2002 (revocation of indefinite leave), the Immigration (Leave to Enter and Remain) Order 2000 and Schedule 2 of the Immigration Act 1971 set out the powers to cancel entry clearance or permission. These rules set out how those powers are to be exercised.

Decisions on suitability are either mandatory (must) or discretionary (may) and must be compatible with the UK obligations under the Refugee Convention and the European Convention on Human Rights, which are mainly provided for under other provisions in these Rules.

Some routes have their own, or additional, suitability requirements.

This Part is in 5 sections.

1. Application of this Part;
2. Grounds for refusal, or cancellation of, entry clearance, permission to enter and permission to stay;
3. Additional grounds for refusal of entry, or cancellation of entry clearance or permission, on arrival in the UK;
4. Additional grounds for refusal, or cancellation, of permission to stay;
5. Additional grounds for cancellation of entry clearance, permission to enter and permission to stay which apply to specified routes

9.8.2. An application for entry clearance or permission to enter may be refused where:

- (a) the applicant has previously breached immigration laws; and
- (b) the application was made outside the relevant time period in paragraph 9.8.7; and

9.8.3. An application for permission to stay may be refused where a person has previously failed to comply with the conditions of their permission, unless permission has been granted in the knowledge of the previous breach.

9.8.3A. Unless 9.8.1. applies, an application for entry clearance, permission to enter or permission to stay may be refused where a person used deception in relation to a previous application (whether or not successfully).

9.8.4. In paragraphs 9.8.1, 9.8.2, 9.8.3, and 9.8.3A, a person will only be treated as having previously breached immigration laws if, when they were aged 18 or older, they:

- (a) the person overstayed for 90 days or less, where the overstaying began before 6 April 2017; or
- (b) the person overstayed for 30 days or less, where the overstaying began on or after 6 April 2017; or
- (c) paragraph 39E applied to the period of overstaying.

9.8.6. A period of overstaying will be disregarded for the purpose of paragraph 9.8.4.(a) where the overstaying arose from a decision to refuse an application, or cancellation of permission, which was subsequently withdrawn, or quashed, or reconsidered by direction of a court or tribunal, unless the legal challenge which led

to the reconsideration was brought more than 3 months after the date of the decision to refuse or cancel.

9.8.7. The relevant time period under paragraphs 9.8.1. and 9.8.2. is as set out in the following table (and where the person previously breached more than one immigration law, only the breach which leads to the longest period of absence from the UK will be taken into account):

| <b>Time from date the person left the UK (or date of refusal of the application under row (f))</b> | <b>This applies where the applicant</b>                                                             | <b>And the applicant left the UK</b>                                                                                                                                                       | <b>And the applicant left the UK</b>                                                                                                                           |

#### 326A. Procedure

The procedures set out in these Rules shall apply to protection claims.

326B. Where the Secretary of State is considering an application for asylum and/or a claim for humanitarian protection under this Part, she will consider any Article 8 elements of that claim in line with the provisions of Appendix FM (family life) and, for applications made before 20 June 2022, in line with paragraphs 276ADE(1) to 276DH (private life) or, for applications made on or after 20 June 2022, Appendix Private Life (private life) of these Rules which are relevant to those elements unless the person is someone to whom Part 13 of these Rules applies.

#### Definition of asylum applicant

327. Under this Part:

- i) An “application for asylum” (or an “asylum application”) is a claim by a person to be recognised as a refugee under the Refugee Convention on the basis that it would be contrary to the United Kingdom's obligations under the Refugee Convention for them to be removed from or required to leave the

United Kingdom, and which is recorded as valid or a claim deemed to be an application for asylum in accordance with paragraph 327EC.

ii) An “asylum applicant” is someone who makes a claim under paragraph 327(i) or who is deemed to have made such a claim in accordance with paragraph 327EC.

327A. DELETED

327AB. An application for asylum will only be recorded as valid if:

- i) it is made at a designated place as defined in section 14 of the Nationality and Borders Act 2022 unless subsequently or otherwise accepted by the Secretary of State; and
- ii) it is made in person; and
- iii) it is made by a person who is not a British Citizen; and
- iv) it is particularised (if the applicant is 18 or over); and
- v) it does not fall for consideration under paragraph 353 of the Immigration Rules, unless and until it has been accepted as a fresh claim under paragraph 353 of the Immigration Rules.

327AC. If a claim does not meet these requirements, it will not be recorded as a valid asylum application.

327B. DELETED

327C. DELETED

327D. DELETED

## Definition of a claim for humanitarian protection

327EA. Under this Part, a claim for humanitarian protection is a request by a person for international protection due to a claim that if they are removed from or required to leave the UK, they would face a real risk of suffering serious harm (as defined in paragraph 339CA) in their country of origin, and they are unable, or owing to such risk, unwilling to avail themselves of the protection of that country.

327EB. A claim for humanitarian protection must meet the requirements of paragraphs 327AB(i) to (iv) otherwise it will not be recorded as a valid claim for humanitarian protection.

327EC. If someone makes a claim for humanitarian protection, they will be deemed to be an asylum applicant and to have made an application for asylum for the purposes of these Rules. The claim will be recorded, subject to meeting the requirements of Rule 327AB(i) to (iv), as an application for asylum and will be assessed under paragraph 334 for refugee status in the first instance. If the application for refugee status is refused, then the Secretary of State will go on to consider the claim as a claim for humanitarian protection.

## Inadmissibility of a claim for Humanitarian Protection

327F. If an application for asylum is declared inadmissible under section 80A or 80B of the Nationality Immigration and Asylum Act 2002 then any associated claim for humanitarian protection (meaning a claim made on the same facts) will also be inadmissible. Such an outcome is not a decision to refuse the claim and, accordingly, no right of appeal under section 82(1)(a) of the Nationality, Immigration and Asylum Act 2002 (appeal against refusal of protection claim) arises.

## Applications for asylum

328. All asylum applications will be determined by the Secretary of State in accordance with the Refugee Convention and the Immigration Rules. Every asylum application made by a person at a port or airport in the United Kingdom will be referred by the Immigration Officer for determination by the Secretary of State in accordance with these Rules.

328A. DELETED

329. For so long as an asylum applicant cannot be removed from or required to leave the UK because section 77 of the Nationality, Immigration and Asylum Act 2002 applies, any dependants who meet the definition under paragraph 349 must also not be removed from or required to leave the UK.

330. If the Secretary of State decides to grant refugee status or humanitarian protection and the person has not yet been given leave to enter, the Immigration Officer will grant limited leave to enter.

331. If a person seeking leave to enter is refused asylum or their application for asylum is withdrawn or treated as withdrawn under paragraph 333C of these Rules, the Immigration Officer will consider whether or not they are in a position to decide to give or refuse leave to enter without interviewing the person further. If the Immigration Officer decides that a further interview is not required they may serve the notice giving or refusing leave to enter by post. If the Immigration Officer decides that a further interview is required, they will then resume their examination to determine whether or not to grant the person leave to enter under any other provision of these Rules. If the person fails at any time to comply with a requirement to report to an Immigration Officer for examination, the Immigration Officer may direct that the person's examination shall be treated as concluded at that time. The Immigration Officer will then consider any outstanding applications for entry on the basis of any evidence before them.

332. If a person who has been refused leave to enter makes an application for asylum and that application is refused or withdrawn or treated as withdrawn under paragraph 333C of these Rules, leave to enter will again be refused unless the applicant qualifies for admission under any other provision of these Rules.

333. Written notice of decisions on applications for asylum shall be given to the asylum applicant. Where the applicant is legally represented, notice may instead be given to the representative. Where the applicant has no legal representative and free

legal assistance is not available, they shall be informed of the decision on the application for asylum and, if the application is refused, how to challenge the decision, in a language that they may reasonably be supposed to understand.

333A. The Secretary of State shall ensure that a decision is taken on each application for asylum as soon as possible, without prejudice to an adequate and complete examination.

Where a decision on an application for asylum has not been taken within:

- a) six months of the date it was recorded; or
- b) within any revised timeframe notified to an applicant during or after the initial six-month period in accordance with this paragraph, and
- c) where the applicant has made a specific written request for an update,

the Secretary of State shall inform the applicant of the delay and provide information on the timeframe within which the decision on their application is to be expected. The provision of such information shall not oblige the Secretary of State to take a decision within the expected timeframe.

333B. Applicants for asylum shall be allowed an effective opportunity to consult, at their own expense or at public expense in accordance with provision made for this by the Legal Aid Agency or otherwise, a person who is authorised under Part V of the Immigration and Asylum Act 1999 to give immigration advice. This paragraph shall also apply where the Secretary of State is considering revoking a person's refugee status in accordance with these Rules.

## Withdrawal of applications

333C. If an application for asylum is withdrawn either explicitly or implicitly, it will not be considered.

- (a) An application will be treated as explicitly withdrawn if the applicant signs the relevant form provided by or on behalf of the Secretary of State, or otherwise explicitly declares a desire to withdraw their asylum claim.
- (b) An application may be treated as implicitly withdrawn if the applicant:
  - (i) fails to maintain contact with the Home Office or provide up to date contact details as required by paragraph 358B of these Rules; or
  - (ii) leaves the United Kingdom (without authorisation) at any time before the conclusion of their application for asylum; or
  - (iii) fails to complete an asylum questionnaire as requested by or on behalf of the Secretary of State; or
  - (iv) fails to attend any reporting events, unless the applicant demonstrates within a reasonable time that the failure was due to circumstances beyond their control; or
  - (v) fails to attend a personal interview required under paragraph 339NA, unless the applicant demonstrates within a reasonable time that that failure was due to circumstances beyond their control.
- (c) The applicant's asylum record will be updated to reflect that the application for asylum has been withdrawn.

## Grant of refugee status

334. An asylum applicant will be granted refugee status in the United Kingdom following a claim if the Secretary of State is satisfied that:

- (i) they are in the United Kingdom or have arrived at a port of entry in the United Kingdom; and
- (ii) they are a refugee, as defined in Article 1 of the 1951 Refugee Convention; and
- (iii) there are no reasonable grounds for regarding them as a danger to the security of the United Kingdom in accordance with Article 33(2) of the Refugee Convention; and
- (iv) having been convicted by a final judgment of a particularly serious crime, they do not constitute a danger to the community of the United Kingdom in accordance with Article 33(2) of the Refugee Convention as defined in Section 72 of the Nationality Immigration and Asylum Act 2002; and
- (v) refusing their application would result in them being required to go (whether immediately or after the time limited by any existing leave to enter or remain in the UK) in breach of the Refugee Convention, to a country in which they would be persecuted on account of their race, religion, nationality, political opinion or membership of a particular social group.

335. If the Secretary of State decides to grant refugee status to a person who has previously been given leave to enter (whether or not the leave has expired) or to a person who has entered without leave, the Secretary of State will vary the existing leave or grant limited leave to remain. Where a person has an existing grant of indefinite leave to remain, their leave to remain will not be varied.

## Refusal of asylum

336. An application which does not meet the criteria set out in paragraph 334 will be refused. Where an application for asylum is refused, the reasons in fact and law shall be stated in the decision and information provided in writing on how to challenge the decision.

## Revocation of refugee status

338A. A person's grant of refugee status under paragraph 334 must be revoked if any of paragraphs 339A, 339AA, 339AB or 339AC apply.

## Refugee Convention ceases to apply (cessation)

339A. This paragraph applies when the Secretary of State is satisfied that one or more of the following applies:

- (i) they have voluntarily re-availed themselves of the protection of the country of nationality;
- (ii) having lost their nationality, they have voluntarily re-acquired it;
- (iii) they have acquired a new nationality, and enjoy the protection of the country of their new nationality;
- (iv) they have voluntarily re-established themselves in the country which they left or outside which they remained owing to a fear of persecution;
- (v) they can no longer, because the circumstances in connection with which they have been recognised as a refugee have ceased to exist, continue to refuse to avail himself of the protection of the country of nationality;
- (vi) being a stateless person with no nationality, they are able, because the circumstances in connection with which they have been recognised as a refugee have ceased to exist, to return to the country of former habitual residence;

In considering (v) and (vi), the Secretary of State shall have regard to whether the change of circumstances is of such a significant and non-temporary nature that the refugee's fear of persecution can no longer be regarded as well-founded.

## Exclusion from the Refugee Convention

339AA. This paragraph applies where the Secretary of State is satisfied that the person should have been, or is, excluded from being a refugee in accordance with Article 1D and 1E of the 1951 Refugee Convention and Article 1F of the Refugee Convention, as defined in section 36 of the Nationality and Borders Act 2022.

## Misrepresentation

339AB. This paragraph applies where the Secretary of State is satisfied that the person's misrepresentation or omission of facts, including the use of false documents, were decisive for the grant of refugee status and the person does not otherwise qualify for refugee status under paragraph 334.

## Danger to the United Kingdom

339AC. This paragraph applies where the Secretary of State is satisfied that: Article 33(2) of the Refugee Convention applies in that:

- (i) there are reasonable grounds for regarding the person as a danger to the security of the United Kingdom; or
- (ii) having been convicted by a final judgment of a particularly serious crime, the person constitutes a danger to the community of the United Kingdom (see section 72 of the Nationality Immigration and Asylum Act 2002).

339B. When a person's grant of refugee status is revoked or not renewed any limited or indefinite leave which they have may be curtailed or cancelled.

339BA. Where the Secretary of State is considering revoking refugee status or humanitarian protection in accordance with these Rules, the following procedure will apply. The person concerned shall be informed in writing that the Secretary of State is reconsidering their qualification for refugee status or humanitarian protection and

the reasons for the reconsideration. That person shall be given the opportunity to submit, in a personal interview or in a written statement, reasons as to why their refugee status or humanitarian protection should not be revoked. If there is a personal interview, it shall be subject to the safeguards set out in these Rules.

339BB. The procedure in paragraph 339BA does not need to be followed where the person:

- (i) acquires British citizenship; or
- (ii) has unequivocally renounced their refugee status or humanitarian protection.

339BC. If the person leaves the United Kingdom, the procedure set out in paragraph 339BA may be initiated, and completed, while the person is outside the United Kingdom.

## Grant of humanitarian protection

339C. An asylum applicant will be granted humanitarian protection in the United Kingdom if the Secretary of State is satisfied that:

- (i) they are in the United Kingdom or have arrived at a port of entry in the United Kingdom;
- (ii) they are not a refugee within the meaning of Article 1 of the 1951 Refugee Convention;
- (iii) substantial grounds have been shown for believing that the asylum applicant concerned, if returned to the country of origin, would face a real risk of suffering serious harm and is unable, or, owing to such risk, unwilling to avail themselves of the protection of that country; and
- (iv) they are not excluded from a grant of humanitarian protection.

339CA. For the purposes of paragraph 339C, serious harm consists of:

- (i) the death penalty or execution;
- (ii) unlawful killing;
- (iii) torture or inhuman or degrading treatment or punishment of a person in the country of origin; or
- (iv) serious and individual threat to a civilian's life or person by reason of indiscriminate violence in situations of international or internal armed conflict.

## Exclusion from humanitarian protection

339D. An asylum applicant is excluded from a grant of humanitarian protection for the purposes of paragraph 339C(iv) where the Secretary of State is satisfied that there are serious reasons for considering that the asylum applicant:

- (i) has committed, instigated or otherwise participated in the commission of a crime against peace, a war crime, a crime against humanity, as defined in the international instruments drawn up to make provision in respect of such crimes; or
- (ii) has committed, instigated or otherwise participated in the commission of a serious non-political crime outside the UK prior to their admission to the UK as a person granted humanitarian protection; or

- (iii) has been guilty of acts contrary to the purposes and principles of the United Nations; or
- (iv) having been convicted by a final judgement of a particularly serious crime (as defined in Section 72 of the Nationality, Immigration and Asylum Act 2002), constitutes a danger to the community of the UK; or
- (v) is a danger to the security of the UK.

339DA. In 339D(ii):

- (i) the reference to a serious non-political crime includes a particularly cruel action, even if it is committed with an allegedly political objective; and
- (ii) the reference to a crime being committed by a person outside the UK prior to their admission to the UK as a person granted humanitarian protection includes a crime committed by that person at any time up to and including the day on which they are issued with a relevant biometric immigration document by the Secretary of State.

339DB. For the purposes of 339DA(ii), a relevant biometric immigration document is a document that:

- (i) records biometric information (as defined in section 15(1A) of the UK Borders Act 2007); and
- (ii) is evidence of leave to remain in the United Kingdom granted to a person as a result of being granted humanitarian protection.

339E. If the Secretary of State decides to grant humanitarian protection to a person who has previously been given leave to enter (whether or not the leave has expired), or to a person who has entered without leave, the Secretary of State will vary the existing leave or grant limited leave to remain. Where a person has an existing grant of indefinite leave to remain, their leave to remain will not be varied.

## Refusal of humanitarian protection

339F. Where the criteria set out in paragraph 339C is not met humanitarian protection will be refused.

## Revocation of humanitarian protection

339G. A person's humanitarian protection granted under paragraph 339C must be revoked if any of paragraphs 339GA, 339GB or 339GD apply.

## Humanitarian protection ceases to apply

339GA. This paragraph applies where the Secretary of State is satisfied that the circumstances which led to the grant of humanitarian protection have ceased to exist or have changed to such a degree that such protection is no longer required.

In applying this paragraph the Secretary of State shall have regard to whether the change of circumstances is of such a significant and non-temporary nature that the person no longer faces a real risk of serious harm.

## Revocation of humanitarian protection on the grounds of exclusion

339GB. This paragraph applies where the Secretary of State is satisfied that the person granted humanitarian protection should have been or is excluded from humanitarian protection under paragraph 339D of these rules.

339GC. DELETED

## Revocation of humanitarian protection on the basis of misrepresentation

339GD. This paragraph shall apply where the Secretary of State is satisfied that the person granted humanitarian protection misrepresented or omitted facts, including the use of false documents, which were decisive to the grant of humanitarian protection and the person does not otherwise qualify for humanitarian protection under paragraph 339C.

339H. When a person's humanitarian protection is revoked any limited or indefinite leave which they have may be curtailed or cancelled.

## Consideration of applications

339HA. The Secretary of State shall ensure that the personnel examining applications for asylum and taking decisions on the Secretary of State's behalf have the knowledge with respect to relevant standards applicable in the field of asylum and refugee law.

339I. When the Secretary of State considers an applicant's protection claim, or human rights claim it is the duty of the person to submit to the Secretary of State as soon as possible all material factors needed to substantiate the protection claim or substantiate the human rights claim, which the Secretary of State shall assess in cooperation with the person.

The material factors include:

- (i) the person's statement on the reasons for making protection claim or for making a human rights claim; and
- (ii) all documentation at the person's disposal regarding the person's age, background (including background details of relevant relatives), identity, nationality(ies), country(ies) and place(s) of previous residence, previous asylum applications, travel routes; and
- (iii) identity and travel documents.

339IA. For the purposes of examining individual applications for asylum

- (i) information provided in support of an application and the fact that an application has been made shall not be disclosed to the alleged actor(s) of persecution of the applicant, and
- (ii) information shall not be obtained from the alleged actor(s) of persecution that would result in their being directly informed that an application for asylum

has been made by the applicant in question and would jeopardise the physical integrity of the applicant and their dependants, or the liberty and security of their family members still living in the country of origin.

This paragraph shall also apply where the Secretary of State is considering revoking a person's refugee status or humanitarian protection in accordance with these Rules.

339J. The assessment by the Secretary of State of a protection claim or a human rights claim will be carried out on an individual, objective and impartial basis. This will include taking into account in particular:

- (i) all relevant facts as they relate to the country of origin at the time of taking a decision on the grant; including laws and regulations of the country of origin or country of return and the manner in which they are applied;
- (ii) relevant statements and documentation presented by the person including information on whether the person has been or may be subject to persecution or serious harm;
- (iii) the individual position and personal circumstances of the person, including factors such as background, gender and age, so as to assess whether, on the basis of the person's personal circumstances, the acts to which the person has been or could be exposed would amount to persecution or serious harm;
- (iv) whether the person's activities since leaving the country of origin were engaged in for the sole or main purpose of creating the necessary conditions for making a protection claim or a human rights claim, so as to assess whether these activities will expose the person to persecution or serious harm if returned to that country; and
- (v) whether the person could reasonably be expected to avail themselves of the protection of another country where they could assert citizenship.

339JA. Reliable and up-to-date information shall be obtained from various sources as to the general situation prevailing in the countries of origin of applicants for asylum and, where necessary, in countries through which they have transited. Such information shall be made available to the personnel responsible for examining applications and taking decisions and may be provided to them in the form of a consolidated country information report.

This paragraph shall also apply where the Secretary of State is considering revoking a person's refugee status or humanitarian protection in accordance with these Rules.

339K. The fact that a person has already been subject to persecution or serious harm, or to direct threats of such persecution or such harm, will be regarded as a serious indication of the person's well-founded fear of persecution or real risk of suffering serious harm, unless there are good reasons to consider that such persecution or serious harm will not be repeated.

339L. It is the duty of the person to substantiate the protection claim or substantiate their human rights claim. Where aspects of the person's statements are not supported by documentary or other evidence, those aspects will not need confirmation when all of the following conditions are met:

- (i) the person has made a genuine effort to substantiate his protection claim or substantiate their human rights claim;

- (ii) all material factors at the person's disposal have been submitted, and a satisfactory explanation regarding any lack of other relevant material has been given;
- (iii) the person's statements are found to be coherent and plausible and do not run counter to available specific and general information relevant to the person's case;
- (iv) the person has made an asylum claim or sought to protection claim or made a human rights claim at the earliest possible time, unless the person can demonstrate good reason for not having done so; and
- (v) the general credibility of the person has been established.

339M. The Secretary of State may consider that a person has not substantiated their protection claim or substantiated their human rights claim, and thereby refuse their application for asylum, determine that they are not eligible for humanitarian protection or refuse their human rights claim, if they fail, without reasonable explanation, to make a prompt and full disclosure of material facts, either orally or in writing, or otherwise to assist the Secretary of State in establishing the facts of the case; this includes, for example, failure to report to a designated place to be fingerprinted, failure to complete an asylum questionnaire or failure to comply with a requirement to report to an immigration officer for examination.

339MA. Applications for asylum shall be neither rejected nor excluded from examination on the sole ground that they have not been made as soon as possible.

339N. In determining whether the general credibility of the person has been established the Secretary of State will apply the provisions in s.8 of the Asylum and Immigration (Treatment of Claimants, etc.) Act 2004.

## Personal interview

339NA. Before a decision is taken on the application for asylum, the applicant shall be given the opportunity of a personal interview on their application for asylum with a representative of the Secretary of State who is legally competent to conduct such an interview.

The personal interview may be omitted where:

- (i) the Secretary of State is able to take a positive decision (a grant of refugee status or humanitarian protection) on the basis of evidence available;
- (ii) the Secretary of State has already had a meeting with the applicant for the purpose of assisting them with completing their application and submitting the essential information regarding the application;
- (iii) the applicant, in submitting their application and presenting the facts, has only raised issues that are not relevant or of minimal relevance to the examination of whether they are a refugee, as defined in Article 1 of the Refugee Convention and/or has only raised issues that are not relevant or of minimal relevance to the examination of whether they are eligible for humanitarian protection;
- (iv) the applicant has made inconsistent, contradictory, improbable or insufficient representations which make their claim clearly unconvincing in relation to having been the object of persecution or serious harm;

- (v) the applicant has submitted a subsequent application which does not raise any relevant new elements with respect to their particular circumstances or to the situation in their country of origin;
- (vi) the applicant is making an application merely in order to delay or frustrate the enforcement of an earlier or imminent decision which would result in their removal;
- (vii) it is not reasonably practicable, in particular where the Secretary of State is of the opinion that the applicant is unfit or unable to be interviewed owing to enduring circumstances beyond their control; or
- (viii) the applicant is an EU national whose claim the Secretary of State has nevertheless decided to consider substantively in accordance with section 80A(4) of the Nationality, Immigration and Asylum Act 2002.

The omission of a personal interview shall not prevent the Secretary of State from taking a decision on the application.

Where the personal interview is omitted, the applicant and dependants shall be given a reasonable opportunity to submit further information.

339NB. (i) The personal interview mentioned in paragraph 339NA above shall normally take place without the presence of the applicant's family members unless the Secretary of State considers it necessary for an appropriate examination to have other family members present.

(ii) The personal interview shall take place under conditions which ensure appropriate confidentiality.

339NC (i) A written report shall be made of every personal interview containing at least the essential information regarding the asylum application as presented by the applicant in accordance with paragraph 339I of these Rules.

(ii) The Secretary of State shall ensure that the applicant has timely access to the report of the personal interview and that access is possible as soon as necessary for allowing an appeal to be prepared and lodged in due time.

339ND The Secretary of State shall provide at public expense an interpreter for the purpose of allowing the applicant to submit their case, wherever necessary. The Secretary of State shall select an interpreter who can ensure appropriate communication between the applicant and the representative of the Secretary of State who conducts the interview.

339NE The Secretary of State may require an audio recording to be made of the personal interview referred to in paragraph 339NA. Where an audio recording is considered necessary for the processing of an application for asylum, the Secretary of State shall inform the applicant in advance that the interview will be recorded.

## Internal relocation

339O

(i) The Secretary of State will not:

- (a) grant refugee status if section 35 of the Nationality and Borders Act 2022 applies; or

- (b) grant humanitarian protection if in part of the country of origin a person would not face a real risk of serious harm, and the person can reasonably be expected to stay in that part of the country.
- (ii) Any assessment under paragraph 339O(i)(b) must:
  - (a) have regard to the general circumstances prevailing in that part of the country, and
  - (b) have regard to the personal circumstances of the person; and
  - (c) disregard any technical obstacles relating to travel to that part of that country.

## Sur place claims

339P. A person may have a well-founded fear of being persecuted or a real risk of suffering serious harm based on events which have taken place since the person left the country of origin and/or activities which have been engaged in by a person since they left the country of origin, in particular where it is established that the activities relied upon constitute the expression and continuation of convictions or orientations held in the country of origin.

## Permission to stay on a protection route

339QA. Where the Secretary of State has granted an asylum applicant refugee status under paragraph 334, the asylum applicant will be granted permission to stay on a protection route at the same time as or as soon as possible after the grant of refugee status.

Permission to stay on a protection route will be valid for a minimum period of 5 years and renewable upon application where the person still has and remains eligible for refugee status. Applications for further permission to stay on a protection route under this Part should be made within the last 28 days of the applicant's permission to stay.

339QB. Where the Secretary of State has granted an asylum applicant humanitarian protection under paragraph 339C, the asylum applicant will be granted permission to stay on a protection route at the same time as or as soon as possible after the grant of humanitarian protection. Permission to stay on a protection route will be valid for a minimum period of 5 years and will be renewable upon application where the person still has and remains eligible for humanitarian protection. Applications for further permission to stay on a protection route under this Part should be made within the last 28 days of the applicant's permission to stay.

339QC. Where the Secretary of State has granted an asylum applicant refugee status or humanitarian protection, any dependant of the asylum applicant who meets the requirements of paragraph 349 may be granted permission to stay. Permission to stay will not be granted to dependants where they would, if they were an asylum applicant, be excluded under Article 1(F) of the 1951 Refugee Convention (as defined in Section 36 of the Nationality and Borders Act 2022), be refused refugee status under paragraph 334(iii) or paragraph 334(iv), or be excluded from humanitarian protection under paragraph 339D. Permission to stay will be granted

with the same expiry date and with the same conditions as that which is granted to the asylum applicant. Permission to stay will be renewable upon application where the dependant still meets the requirements of the Rules under which they were granted, and the asylum applicant who was granted refugee status or humanitarian protection is being granted further permission to stay at the same time or already has further permission to stay. An adult who was last granted permission to stay as a dependent child of a parent who has or had at the time that permission to stay as a dependant was granted, permission to stay on a protection route, may still qualify for further permission to stay as a dependant where they meet the other requirements of the Rules under which they were granted permission to stay. Applications for further permission to stay should be made at the same time as the asylum applicant's application and within the last 28 days of the applicant's permission to stay.

339QD. The Secretary of State may curtail, revoke or refuse to grant further permission to stay on a protection route under paragraphs 339QA or 339QB where a person's refugee status or humanitarian protection is revoked.

339QE. The Secretary of State may curtail, revoke or refuse to grant further permission to stay on a protection route to a dependant granted permission to stay on a protection route under paragraph 339QC where the refugee status or humanitarian protection of the applicant on whom they are a dependant is revoked, or where they no longer meet the requirements of the Rules under which they were granted.

(ii) After having received a complete application for a travel document, the Secretary of State will issue to a person granted humanitarian protection in the United Kingdom

and their dependants a travel document where that person is unable to obtain a national passport or other identity documents which enable that person to travel, unless compelling reasons of national security or public order otherwise require.

(iii) Where the person referred to in (ii) can obtain a national passport or identity documents but has not done so, the Secretary of State will issue that person with a travel document where that person can show that they have made reasonable attempts to obtain a national passport or identity document and there are serious humanitarian reasons for travel.

(iv) For the purposes of paragraph 344A, a “dependant” refers only to a person who has been treated as a dependant under paragraph 349 of these Rules or a person who has been granted permission to stay or entry clearance in accordance with Appendix Family Reunion (Sponsors with Protection) of these Rules.

## Access to Employment

344B. The Secretary of State will not impose conditions restricting the employment or occupation in the United Kingdom of a person granted refugee status or humanitarian protection.

## Information

344C. A person who is granted refugee status or humanitarian protection will be provided with access to information in a language that they may reasonably be supposed to understand which sets out the rights and obligations relating to that status. The Secretary of State will provide the information as soon as possible after the grant of refugee status or humanitarian protection.

## Dependants

349. A partner, or minor child, accompanying a principal applicant may be included in the application for asylum as a dependant, provided, in the case of an adult dependent partner with legal capacity, the partner consents to being treated as a dependant at the time the application is lodged. A partner or minor child may also claim asylum in their own right. If the principal applicant is granted refugee status or humanitarian protection and leave to enter or remain any partner or minor child will be granted leave to enter or remain for the same duration. The case of any dependant who claims asylum in their own right will be also considered individually in accordance with paragraph 334 above. An applicant under this paragraph, including an accompanied child, may be interviewed where they make a protection claim as a dependant or in their own right.

If the partner or minor child in question has a protection claim in their own right, that claim should be made at the earliest opportunity. Any failure to do so will be taken into account and may damage credibility if no reasonable explanation for it is given. Where an asylum or humanitarian protection application is unsuccessful, at the same time that asylum or humanitarian protection is refused the applicant may be notified of removal directions or served with a notice of the Secretary of State's intention to deport them, as appropriate. In this paragraph and paragraphs 350-352 a child means a person who is under 18 years of age or who, in the absence of documentary evidence establishing age, appears to be under that age.

## Unaccompanied children

350. Unaccompanied children may also make a protection claim and, in view of their potential vulnerability, particular priority and care is to be given to the handling of their cases.

351. A person of any age may qualify for refugee status under the Convention and the criteria in paragraph 334 apply to all cases. However, account should be taken of the applicant's maturity and in assessing the protection claim of a child more weight should be given to objective indications of risk than to the child's state of mind and

understanding of their situation. An asylum application made on behalf of a child should not be refused solely because the child is too young to understand their situation or to have formed a well founded fear of persecution. Close attention should be given to the welfare of the child at all times.

352. Any child aged 12 or over who has made a protection claim in their own right must be given the opportunity to be interviewed about the substance of their claim before a decision is taken.

The opportunity for a personal interview may be omitted for a child aged 12 or over where:

- (a) the child is unfit to be interviewed; or
- (b) the child is unable to be interviewed; or
- (c) protection status can be granted to the child without an interview based on the evidence available; or
- (d) one of the exceptions in paragraph 339NA applies.

Where the personal interview is omitted, the child must be given a reasonable opportunity to submit further information if insufficient information is available to take a decision on protection status. If the interview can be omitted and the child still requests an asylum interview, then this request must be considered.

When an interview takes place:

- (a) it must be conducted in the presence of a parent, guardian, representative or another adult independent of the Secretary of State who has responsibility for the child; and
- (b) the interviewer must have specialist training in the interviewing of children; and
- (c) the child must be allowed to express themselves in their own way and at their own speed and, if they appear tired or distressed, the interview should be suspended, and the interviewer should consider whether it would be appropriate for the interview to be resumed the same day or on another day.

352ZA. The Secretary of State must, as soon as possible after an unaccompanied child makes a protection claim, take measures to ensure that the child has a person to represent and/or assist the child with respect to the examination of their claim and ensure that the representative is given the opportunity to inform the child about the meaning and possible consequences of the interview and, where appropriate, how to prepare themselves for the interview.

The child's representative has the right to be present at the interview and ask questions and make comments in the interview, within the framework set by the interviewer.

For the purposes of paragraph 352 and 352ZA a representative can include a legal representative, social worker, local authority representative, independent child trafficking guardian, Scottish guardianship service representative, Northern Ireland independent guardian service representative, foster carer, relative, a Refugee Council representative or charity worker or other representative permitted to attend by the Secretary of State.

352ZB. The decision on the application for asylum shall be taken by a person who is trained to deal with protection claims from children.

## Requirements for limited leave to remain as an unaccompanied asylum seeking child

352ZC The requirements to be met in order for a grant of limited leave to remain to be made in relation to an unaccompanied asylum seeking child under paragraph 352ZE are:

- a) the applicant is an unaccompanied asylum seeking child under the age of 17 ½ years throughout the duration of leave to be granted in this capacity;
- b) the applicant must have applied for asylum and been granted neither refugee status nor Humanitarian Protection;
- c) there are no adequate reception arrangements in the country to which they would be returned if leave to remain was not granted;
- d) the applicant must not be excluded from being a refugee under Article 1D and 1E of the 1951 Refugee Convention and Article 1F of the Refugee Convention, as defined in section 36 of the Nationality and Borders Act 2022 or excluded from a grant of Humanitarian Protection under paragraph 339D or both;
- e) there are no reasonable grounds for regarding the applicant as a danger to the security of the United Kingdom;
- f) the applicant does not constitute a danger to the community in the United Kingdom as a result of having been convicted by a final judgment of a particularly serious crime, (as defined in section 72 of the Nationality, Immigration and Asylum Act 2002); and
- g) the applicant is not, at the date of their application, the subject of a deportation order or a decision to make a deportation order.

352ZD An unaccompanied asylum seeking child is a person who:

- a) is under 18 years of age when the asylum application is submitted.
- b) is applying for asylum in their own right; and
- c) is separated from both parents and is not being cared for by an adult who in law or by custom has responsibility to do so.

352ZE. Limited leave to remain should be granted for a period of 30 months or until the child is 17 ½ years of age whichever is shorter, provided that the Secretary of State is satisfied that the requirements in paragraph 352ZC are met.

352ZF. Limited leave granted under this provision will cease if

- a) any one or more of the requirements listed in paragraph 352ZC cease to be met, or
- b) a misrepresentation or omission of facts, including the use of false documents, were decisive for the grant of leave under 352ZE.

## Section 67 of the Immigration Act 2016 leave

352ZG. Paragraphs 352ZH to 352ZS only apply where a person has been transferred to the United Kingdom under Section 67 of the Immigration Act 2016.

## Grant of Section 67 of the Immigration Act 2016 leave

352ZH. The person described in paragraph 352ZG will be granted Section 67 of the Immigration Act 2016 leave to remain in the United Kingdom (“Section 67 leave”) if the Secretary of State is satisfied that:

## Part 11A

### Temporary Protection

### Definition of Temporary Protection Directive

354. For the purposes of paragraphs 355 to 356B, "Temporary Protection Directive" means Council Directive 2001/55/EC of 20 July 2001 regarding the giving of temporary protection by Member States in the event of a mass influx of displaced persons.

### Grant of temporary protection

355. An applicant for temporary protection will be granted temporary protection if the Secretary of State is satisfied that:

- (i) the applicant is in the United Kingdom or has arrived at a port of entry in the United Kingdom; and
- (ii) the applicant is a person entitled to temporary protection as defined by, and in accordance with, the Temporary Protection Directive; and
- (iii) the applicant does not hold an extant grant of temporary protection entitling him to reside in another Member State of the European Union. This requirement is subject to the provisions relating to dependants set out in paragraphs 356 to 356B and to any agreement to the contrary with the Member State in question; and
- (iv) the applicant is not excluded from temporary protection under the provisions in paragraph 355A.

355A. An applicant or a dependant may be excluded from temporary protection if:

- (i) there are serious reasons for considering that:
  - (a) he has committed a crime against peace, a war crime, or a crime against humanity, as defined in the international instruments drawn up to make provision in respect of such crimes; or
  - (b) he has committed a serious non-political crime outside the United Kingdom prior to his application for temporary protection; or
  - (c) he has committed acts contrary to the purposes and principles of the United Nations, or
- (ii) there are reasonable grounds for regarding the applicant as a danger to the security of the United Kingdom or, having been convicted by a final judgment of a particularly serious crime, to be a danger to the community of the United Kingdom.

Consideration under this paragraph shall be based solely on the personal conduct of the applicant concerned. Exclusion decisions or measures shall be based on the principle of proportionality.

355B. If temporary protection is granted to a person who has been given leave to enter or remain (whether or not the leave has expired) or to a person who has entered without leave, the Secretary of State will vary the existing leave or grant limited leave to remain.

355C. A person to whom temporary protection is granted will be granted limited leave to enter or remain, which is not to be subject to a condition prohibiting employment, for a period not exceeding 12 months. On the expiry of this period, he will be entitled to apply for an extension of this limited leave for successive periods of 6 months thereafter.

355D. A person to whom temporary protection is granted will be permitted to return to the United Kingdom from another Member State of the European Union during the period of a mass influx of displaced persons as established by the Council of the European Union pursuant to Article 5 of the Temporary Protection Directive.

355E. A person to whom temporary protection is granted will be provided with a document in a language likely to be understood by him in which the provisions relating to temporary protection and which are relevant to him are set out. A person with temporary protection will also be provided with a document setting out his temporary protection status.

355F. The Secretary of State will establish and maintain a register of those granted temporary protection. The register will record the name, nationality, date and place of birth and marital status of those granted temporary protection and their family relationship to any other person who has been granted temporary protection.

355G. If a person who makes an asylum application is also eligible for temporary protection, the Secretary of State may decide not to consider the asylum application until the applicant ceases to be entitled to temporary protection.

## Dependants

356. In this part:

"dependant" means a family member or a close relative.

"family member" means:

- (i) the spouse or civil partner of an applicant for, or a person who has been granted, temporary protection; or
- (ii) the unmarried or same-sex partner of an applicant for, or a person who has been granted, temporary protection where the parties have been living together in a relationship akin to marriage which has subsisted for 2 years or more; or
- (iii) the minor child (who is unmarried and not a civil partner); of an applicant for, or a person who has been granted, temporary protection or his spouse, who lived with the principal applicant as part of the family unit in the country of origin immediately prior to the mass influx.

"close relative" means:

- (i) the adult child (who is unmarried and not a civil partner), parent or grandparent of an applicant for, or person who has been granted, temporary protection; or

(ii) sibling (who is unmarried and not a civil partner or the uncle or aunt of an applicant for, or person who has been granted, temporary protection, who lived with the principal applicant as part of the family unit in the country of origin immediately prior to the mass influx and was wholly or mainly dependent upon the principal applicant at that time, and would face extreme hardship if reunification with the principal applicant did not take place.

356A. A dependant may apply for temporary protection. Where the dependant falls within paragraph 356 and does not fall to be excluded under paragraph 355A, he will be granted temporary protection for the same duration and under the same conditions as the principal applicant.

356B. When considering any application by a dependant child, the Secretary of State shall take into consideration the best interests of that child.

## Part 11B

### Asylum

#### Reception Conditions for non-EU asylum applicants

357. Part 11B only applies to asylum applicants (within the meaning of these Rules) who are not nationals of a member State.

#### Information to be provided to asylum applicants

357A. The Secretary of State shall inform asylum applicants in a language they may reasonably be supposed to understand and within a reasonable time after their claim for asylum has been recorded of the procedure to be followed, their rights and obligations during the procedure, and the possible consequences of non-compliance and non-co-operation. They shall be informed of the likely timeframe for consideration of the application and the means at their disposal for submitting all relevant information.

358. The Secretary of State shall inform asylum applicants within a reasonable time not exceeding fifteen days after their claim for asylum has been recorded of the benefits and services that they may be eligible to receive and of the rules and procedures with which they must comply relating to them. The Secretary of State shall also provide information on non-governmental organisations and persons that provide legal assistance to asylum applicants and which may be able to help asylum applicants or provide information on available benefits and services.

358A The Secretary of State shall ensure that the information referred to in paragraph 358 is available in writing and, to the extent possible, will provide the information in a language that asylum applicants may reasonably be supposed to understand. Where appropriate, the Secretary of State may also arrange for this information to be supplied orally.

#### Information to be provided by asylum applicants

358B An asylum applicant must notify the Secretary of State of his current address and of any change to his address or residential status. If not notified beforehand, any change must be notified to the Secretary of State without delay after it occurs.

#### The United Nations High Commissioner for Refugees

358C. A representative of the United Nations High Commissioner for Refugees (UNHCR) or an organisation working in the United Kingdom on behalf of the UNHCR pursuant to an agreement with the government shall:

- (a) have access to applicants for asylum, including those in detention;

- (b) have access to information on individual applications for asylum, on the course of the procedure and on the decisions taken on applications for asylum, provided that the applicant for asylum agrees thereto;
- (c) be entitled to present his views, in the exercise of his supervisory responsibilities under Article 35 of the Geneva Convention, to the Secretary of State regarding individual applications for asylum at any stage of the procedure.

This paragraph shall also apply where the Secretary of State is considering revoking a person's refugee status in accordance with these Rules.

## Documentation

359 The Secretary of State shall ensure that, within three working days of recording an asylum application, a document is made available to that asylum applicant, issued in his own name, certifying his status as an asylum applicant or testifying that he is allowed to remain in the United Kingdom while his asylum application is pending. For the avoidance of doubt, in cases where the Secretary of State declines to examine an application it will no longer be pending for the purposes of this rule.

359A The obligation in paragraph 359 above shall not apply where the asylum applicant is detained under the Immigration Acts, the Immigration and Asylum Act 1999 or the Nationality, Immigration and Asylum Act 2002.

359B A document issued to an asylum applicant under paragraph 359 does not constitute evidence of the asylum applicant's identity.

359C In specific cases the Secretary of State or an Immigration Officer may provide an asylum applicant with evidence equivalent to that provided under rule 359. This might be, for example, in circumstances in which it is only possible or desirable to issue a time-limited document.

## Right to request permission to take up employment

360 An asylum applicant may apply to the Secretary of State for permission to take up employment if a decision at first instance has not been taken on the applicant's asylum application within one year of the date on which it was recorded. The Secretary of State shall only consider such an application if, in the Secretary of State's opinion, any delay in reaching a decision at first instance cannot be attributed to the applicant.

360A If permission to take up employment is granted under paragraph 360, that permission will be subject to the following restrictions:

- (i) employment may only be taken up in a post which is, at the time an offer of employment is accepted, included in Appendix Immigration Salary List;
- (ii) no work in a self-employed capacity; and
- (iii) no engagement in setting up a business.

360B If an asylum applicant is granted permission to take up employment under paragraph 360 this shall only be until such time as his asylum application has been finally determined.

360C Where an individual makes further submissions which raise asylum grounds and which fall to be considered under paragraph 353 of these Rules, that individual may apply to the Secretary of State for permission to take up employment if a decision pursuant to paragraph 353 of these Rules has not been taken on the further submissions within one year of the date on which they were recorded. The Secretary of State shall only consider such an application if, in the Secretary of State's opinion, any delay in reaching a decision pursuant to paragraph 353 of these Rules cannot be attributed to the individual.

360D If permission to take up employment is granted under paragraph 360C, that permission will be subject to the following restrictions:

- (i) employment may only be taken up in a post which is, at the time an offer of employment is accepted, included in Appendix Immigration Salary List;
- (ii) no work in a self-employed capacity; and
- (iii) no engagement in setting up a business.

360E Where permission to take up employment is granted pursuant to paragraph 360C, this shall only be until such time as:

- (i) a decision has been taken pursuant to paragraph 353 that the further submissions do not amount to a fresh claim; or
- (ii) where the further submissions are considered to amount to a fresh claim for asylum pursuant to paragraph 353, all rights of appeal from the immigration decision made in consequence of the rejection of the further submissions have been exhausted.

## Interpretation

361 For the purposes of this Part -

- (a) 'working day' means any day other than a Saturday or Sunday, a bank holiday, Christmas day or Good Friday;
- (b) 'member State' has the same meaning as in Schedule 1 to the European Communities Act 1972.

## Part 12

Procedure and rights of appeal

### Fresh Claims

353. When a human rights or protection claim has been refused or withdrawn or treated as withdrawn under paragraph 333C of these Rules and any appeal relating to that claim is no longer pending, the decision maker will consider any further submissions and, if rejected, will then determine whether they amount to a fresh claim. The submissions will amount to a fresh claim if they are significantly different from the material that has previously been considered. The submissions will only be significantly different if the content:

- (i) had not already been considered; and
- (ii) taken together with the previously considered material, created a realistic prospect of success, notwithstanding its rejection.

This paragraph does not apply to claims made overseas.

353A. Consideration of further submissions shall be subject to the procedures set out in these Rules. An applicant who has made further submissions shall not be removed before the Secretary of State has considered the submissions under paragraph 353 or otherwise.

### Exceptional Circumstances

353B. Where further submissions have been made and the decision maker has established whether or not they amount to a fresh claim under paragraph 353 of these Rules, or in cases with no outstanding further submissions whose appeal rights have been exhausted and which are subject to a review, the decision maker will also have regard to the migrant's:

- (i) character, conduct and associations including any criminal record and the nature of any offence of which the migrant concerned has been convicted;
- (ii) compliance with any conditions attached to any previous grant of leave to enter or remain and compliance with any conditions of temporary admission or immigration bail where applicable;
- (iii) length of time spent in the United Kingdom spent for reasons beyond the migrant's control after the human rights or asylum claim has been submitted or refused;

in deciding whether there are exceptional circumstances which mean that removal from the United Kingdom is no longer appropriate.

This paragraph does not apply to submissions made overseas.

This paragraph does not apply where the person is liable to deportation.

## Part 13

### Deportation

This part of the Rules sets out when a person will be considered for deportation and when a deportation order will be revoked. It also applies where deportation is recommended by a court.

A deportation order is made on the grounds that the deportation of the person is conducive to the public good.

Deportation of EEA citizens and their family members on public policy, public security or public health grounds is set out in the EEA Regulations 2016 (as saved).

Deportation of Frontier Workers is set out in the Citizens' Rights (Frontier Workers) (EU Exit) Regulations 2020.

A deportation order invalidates any permission to enter or stay in the UK and prevents the person from returning to the UK while the deportation order is in force.

Where deportation is being considered and the person has made a claim under Article 8 of the Human Rights Convention, that claim will be considered in line with the provisions under this Part.

Where deportation would be a breach of a person's rights under the Human Rights Act 1998, they may be granted permission to enter or stay in the UK for a temporary period.

Exemptions from deportation are set out at Section 7 and Section 8 of the Immigration Act 1971.

This Part is in four sections:

1. Grounds for deportation
2. Article 8 ECHR exceptions to deportation
3. Outcome of an Article 8 decision
4. Revocation of a deportation order

### Section 1: Grounds for deportation

13.1.1. A foreign national, who is not an Irish citizen, is liable for deportation where:

- (a) they have been convicted of a criminal offence for which they have received a custodial sentence of at least 12 months; or
- (b) the Secretary of State otherwise considers that the deportation of the foreign national is conducive to the public good; or

- (c) they are the spouse, civil partner or child aged under 18 of a foreign national who is, or has been ordered to be, deported.

13.1.2. An Irish citizen may only be deported where a court has recommended deportation or where the Secretary of State concludes that, due to the exceptional circumstances of the case, the public interest requires deportation.

13.1.3. A deportation order will not be made if the foreign national's removal from the UK pursuant to the order would be contrary to the UK's obligations under the Refugee Convention or the Human Rights Convention, and, where deportation would not be contrary to these obligations, the presumption is in favour of deportation.

## **Section 2: Article 8 ECHR exceptions to deportation**

13.2.1. Where a foreign national has been convicted in the UK or overseas and received a custodial sentence of at least 12 months; has been convicted of an offence that has caused serious harm; or is a persistent offender, the public interest requires the foreign national's deportation unless:

- (a) the private life exception in paragraph 13.2.3, or the family life exception in paragraph 13.2.4, is met; or
- (b) there are very compelling circumstances such that removal would be contrary to the Human Rights Act 1998.

13.2.2. A foreign national, who has received a custodial sentence of at least 4 years, must show very compelling circumstances over and above the exception in paragraph 13.2.3. or 13.2.4 for deportation to be a breach of Article 8 of the Human Rights Convention.

13.2.3. The Article 8 private life exception is met where:

- (a) the foreign national has been lawfully resident in the UK for most of their life; and
- (b) they are socially and culturally integrated in the UK; and
- (c) there would be very significant obstacles to their integration into the country to which they are to be deported.

13.2.4. The Article 8 family life exception is met where the foreign national has:

- (a) a parental relationship with a child that meets all the requirements of paragraph 13.2.5; or
- (b) a partner relationship that meets all the requirements of paragraph 13.2.6.

13.2.5. The foreign national has a parental relationship with a child and all of the following apply:

- (a) the relationship is genuine and subsisting; and
- (b) the child is either a British citizen or has lived in the UK continuously for at least the 7 years immediately before the date of the decision to make the deportation order; and

- (c) the child is at the date of the decision to make the deportation order resident in the UK; and
- (d) it would be unduly harsh for the child to live in the country to which the foreign national is to be deported; and
- (e) it would be unduly harsh for the child to stay in the UK without the foreign national who is to be deported.

13.2.6. The foreign national has a partner relationship and all of the following apply:

- (a) the foreign national's relationship with the partner is genuine and subsisting; and
- (b) the partner is either a British citizen or is settled in the UK; and
- (c) the partner is resident in the UK; and
- (d) the relationship did not begin when the foreign national to be deported was in the UK unlawfully or when their immigration status was precarious; and
- (e) it would be unduly harsh for that partner to live in the country to which the foreign national is to be deported; and
- (f) it would be unduly harsh for that partner to stay in the UK without the foreign national who is to be deported.

### **Part 3: Outcome of an Article 8 Decision**

13.3.1. If the decision maker is satisfied that the foreign national satisfies the requirements of paragraph 13.2.1. or 13.2.2. and the foreign national does not have permission (including where previous permission has been cancelled, invalidated or revoked), the foreign national will be granted temporary permission.

13.3.2. Where temporary permission is granted under paragraph 13.3.1, it will be granted for a period not exceeding 30 months and subject to such conditions the Secretary of State considers to be appropriate.

### **Section 4: Revocation of a deportation order**

13.4.1 Revocation of a deportation order does not entitle the foreign national to re-enter the United Kingdom; it means they may apply for and may be granted entry clearance or permission to enter or stay in the UK.

13.4.2. A deportation order remains in force until either:

- (a) it is revoked; or
- (b) it has been quashed by a court or tribunal.

13.4.3. A foreign national who is subject to a deportation order can apply to the Home Office for revocation of the order and should normally apply from outside the UK after they have been deported.

13.4.4. Where an application for revocation is made, a deportation order will be revoked where:

- (a) in the case of a foreign national who has been convicted of an offence and sentenced to a period of imprisonment of less than 4 years, the Article 8 private or family life exception set out in paragraph 13.2.3 or 13.2.4, or both, is met or where there are very compelling circumstances which would make a decision not to revoke the deportation order a breach of Article 8 of the Human Rights Convention; or
- (b) in the case of a foreign national who has been convicted of an offence and sentenced to a period of imprisonment of 4 years or more, there are very compelling circumstances which would make a decision not to revoke the deportation order a breach of Article 8 of the Human Rights Convention; or
- (c) a decision not to revoke the deportation order would be contrary to the Human Rights Convention or the Refugee Convention.

13.4.5. Where an application for revocation is made, a deportation order made in relation to a foreign national who has not been convicted of an offence for which they received a custodial sentence may be revoked where there has been a material change in circumstances in relation to the factors that resulted in the foreign national's deportation on the ground it was conducive to the public good.

## Attributes for Tier 1 (Entrepreneur) Migrants

35. An applicant applying for entry clearance, leave to remain or indefinite leave to remain as a Tier 1 (Entrepreneur) Migrant must score 75 points for attributes.

36. Available points are shown in Table 4 for initial applications for applicants who have entry clearance, leave to enter or leave to remain as a Tier 1 (Graduate Entrepreneur) Migrant or a Start-up migrant, or have had such leave in the 12 months immediately before the date of application.

37. Available points are shown in Table 5 for extension applications for applicants who have entry clearance, leave to enter or leave to remain as a Tier 1 (Entrepreneur) Migrant, or have had such leave in the 12 months immediately before the date of application.

38. Available points for applications for indefinite leave to remain are shown in Table 6.

### Notes

39. (a) In all cases, an applicant cannot score points from any of the following:
- (i) the same money being used to score points for maintenance funds for themselves or their dependants under Appendices C or E,
  - (ii) money made available from a third party, where the third party is another Tier 1 (Entrepreneur) Migrant, or that migrant's business or close family member,
  - (iii) money invested in their business more than 12 months (or 24 months if the applicant was previously granted leave as a Tier 1 (Graduate Entrepreneur) Migrant) before the date of the application which led to their first grant of leave as a Tier 1 (Entrepreneur) Migrant,

- (iv) money invested in the form of a director's loan unless it is unsecured and subordinated to other creditors' loans to the business, or
- (v) investment in any residential accommodation, property development or property management, meaning:

- (1) any development of property owned by the applicant or their business to increase the value of the property with a view to earning a return either through rent or a future sale or both, or
- (2) management of property (whether or not it is owned by the applicant or their business) for the purposes of renting it out or resale.

For the avoidance of doubt, (v) requires that the business income is generated from the supply of goods and/or services, and not derived from the increased value of property or any income generated from property, such as rent.

(b) Points will only be awarded for an applicant's business if it is a UK business.

(c) A business will be considered to be a UK business if the applicant provides the specified evidence in this Appendix to show that:

- (i) it is trading within the UK economy,
- (ii) it has its registered office in the UK, or, in the case of multinational companies with no UK registered office, its head office in the UK, except where the applicant is registered with HM Revenue & Customs as self-employed and does not have a business office,
- (iii) it has a UK bank account, and
- (iv) it is subject to UK taxation.

(d) Points will not be awarded for being the director of a UK business or member of a UK partnership if the applicant is on Companies House's list of disqualified directors.

(e) Where evidence from an accountant is required, it will only be accepted if the accountant:

- (i) is not the applicant,
- (ii) has prepared and signed off the accounts in accordance with all relevant statutory requirements,
- (iii) has a valid licence to practice or practising certificate, and
- (iv) is a member of at least one of the following:
  - (1) the Institute of Chartered Accountants in England and Wales,
  - (2) the Institute of Chartered Accountants in Scotland,
  - (3) the Institute of Chartered Accountants in Ireland,

  - (8) the Chartered Institute of Management Accountants,
  - (9) the Association of International Accountants, or
  - (10) the Association of Accounting Technicians.

(f) Where personal or business bank statements are required:

- (i) The bank or building society must be based in the UK and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority (PRA).
- (ii) Each statement must be on the institution's official stationery showing the institution's name and logo, and confirm the applicant's name (and, where relevant, the applicant's entrepreneurial team partner's name), the account number and the date of the statement.

- (iii) Each statement must have been issued by an authorised official of that institution.
- (iv) If the statements are printouts of electronic statements, they must either be accompanied by a supporting letter from the institution, on its headed paper, confirming the authenticity of the statements, or bear the official stamp of the institution on each page of the statement.
- (g) Further notes to accompany Table 4 appear below Table 4.
- (h) Further notes to accompany Tables 5 and 6 appear below Table 6.

(ii) provides the specified documents in paragraph 64-SD (or the additional assets in respect of an application to which either row 1 (a)(i) or (b)(i) of Table 9B applies), with the following differences:

(1) References to "date of application" in paragraph 64-SD are taken to read "date of investment";

(2) The evidence in paragraph 64-SD(a)(i)(5) may also include evidence that the money has already been invested in the UK in the form of UK Government bonds, if the applicant's initial leave as a Tier 1 (Investor) Migrant was granted under the Rules in place before 29 March 2019 and the date of application is before 6 April 2025; or

(b) provides the additional specified documents in paragraph 64A-SD of the source of the additional money (with the difference that references to "date of application" in that paragraph are taken to read "date of investment").

64C-SD. In the case of an application where Table 9B, row 1 (a)(ii) or (b)(ii) applies, points will only be awarded if the applicant provides a letter of confirmation from each UK regulated financial institution the applicant has taken out a loan with to obtain the additional funds that he was not awarded points for in his previous grant of leave. The letter must have been issued by an authorised official, on the official letter-headed paper of the institution(s), and confirm:

(i) the amount of money that the institution(s) has loaned to the applicant,

(ii) the date(s) the loan(s) was taken out by the applicant, which must be no later than the date(s) this additional capital was invested (as set out in Table 9B, row 2),

(iii) that the institution is a UK regulated financial institution for the purpose of granting loans,

(iv) that the applicant has personal assets with a net value of at least £2 million, £10 million or £20 million (as appropriate), and

(v) that the institution(s) will confirm the content of the letter to the Home Office on request.

**Qualifying investments (Table 8A to Table 9B): notes**

65. Investment excludes investment by the applicant by way of:

(a) an offshore company or trust, or investments that are held in offshore custody except that investments held in offshore custody will not be excluded where:

- (i) the applicant made an application before 13 December 2012 which led to a grant of entry clearance or leave to remain as a Tier 1 (Investor) migrant,
- (ii) the applicant has not since been granted entry clearance, leave to enter or leave to remain in any other category, and
- (iii) the date of application is before 6 April 2020.

(b) Open-ended investment companies, investment trust companies, investment syndicate companies or pooled investment vehicles, except that investment via pooled investment vehicles is permitted if such vehicles receive funding from a UK or devolved government department or one of its agencies, and the applicant provides a letter from a financial institution regulated by the Financial Conduct Authority to confirm this,

(c) Companies mainly engaged in property investment, property management or property development (meaning in this context any investment or development of property to increase the value of the property with a view to earning a return either through rent or a future sale or both, or management of property for the purposes of renting it out or resale. The principle is that business income must be generated from the supply of goods and/or services and not derived from the increased value of property or any income generated through property, such as rent.),

(d) Deposits with a bank, building society or other enterprise whose normal course of business includes the acceptance of deposits,

(e) ISAs, premium bonds and saving certificates issued by National Savings and Investment (NS&I), for an applicant who has, or last had leave as a Tier 1 (Investor) Migrant,

(f) Leveraged investment funds, except where the leverage in question is the security against the loan referred to in paragraph (b) in Table 8B or row 1 of Table 9B (as appropriate), and paragraph 61A(i)-(iii) apply, or

(g) UK government bonds, if:

(i) the applicant's initial grant of leave as a Tier 1 (Investor) Migrant was granted under the Rules in place from 29 March 2019, or

(ii) the investments were held in UK Government bonds on or after 6 April 2023 and the date of application is on or after:

(1) 6 April 2023, if the application is for entry clearance or leave to remain;

(2) 6 April 2025, if the application is for indefinite leave to remain.

65AA. If an applicant invests in an entity which acts as an intermediary vehicle to invest or otherwise channel the funds elsewhere (including to another intermediary vehicle):

(a) Their investment will be considered to be where the funds are finally invested, not in the intermediary vehicle(s) (except in the case of a government-funded pooled investment vehicle permitted under paragraph 65(b) above, where the investment will be considered to be in that vehicle);

- (b) The investment in the final destination must itself be a qualifying investment, as set out in these Rules;
- (c) Any intermediary vehicle(s) involved must not fall within the exclusions in paragraph 65(a), (b) or (f) above;
- (d) Any intermediary vehicle(s) involved must be based in the UK and regulated by the Financial Conduct Authority, if:
  - (i) the applicant's initial grant of leave as a Tier 1 (Investor) Migrant was granted under the Rules in place from 29 March 2019, or
  - (ii) the date of application is on or after:
    - (1) 6 April 2023, if the application is for entry clearance or leave to remain;
    - (2) 6 April 2025, if the application is for indefinite leave to remain;
- (e) The applicant must provide the specified evidence in paragraph 65-SD in relation to the transfer of their funds to and between any intermediary vehicle(s), and from the intermediary vehicle to the final investment destination. This applies regardless of how long any chain of intermediary vehicles is.

65A. (a) "Active and trading UK registered companies" must meet the definition set out in (b) if:

- (i) the applicant's initial grant of leave as a Tier 1 (Investor) Migrant was granted under the Rules in place from 29 March 2019, or
- (ii) the date of application is on or after:
  - (1) 6 April 2023, if the application is for entry clearance or leave to remain;
  - (2) 6 April 2025, if the application is for indefinite leave to remain.

(b) In the applications set out in (a), "active and trading UK registered companies" means companies which:

- (i) are registered with Companies House in the UK;
- (ii) are registered with HM Revenue and Customs for corporation tax and PAYE;
- (iii) have accounts and a UK business bank account, both showing regular trading of its own goods or services;
- (iv) have at least two UK-based employees who are not its directors.

(c) "Active and trading UK registered companies" must meet the definition set out in (d) if:

- (i) the applicant's initial grant of leave as a Tier 1 (Investor) Migrant was granted under the Rules in place before 29 March 2019, and
- (ii) the date of application is before:
  - (1) 6 April 2023, if the application is for entry clearance or leave to remain;
  - (2) 6 April 2025, if the application is for indefinite leave to remain.

(d) In the applications set out in (c), "active and trading UK registered companies" means companies which:

- (i) have a registered office or head office in the UK;
- (ii) have a UK bank account showing current business transactions; and
- (iii) are subject to UK taxation.

65B. No points will be awarded where the specified documents show that the funds are held in a financial institution which is not permitted under Appendix Finance.

65C. (a) In the case of an application where Table 8A or Table 9A applies, points for maintaining the level of investment for the specified continuous period of leave will only be awarded:

- (i) if the applicant has purchased a portfolio of qualifying investments for a price of at least £2 million (or £5 million or £10 million, as appropriate); and
- (ii) where any part of the qualifying investments in the portfolio is sold (whether at a gain or at a loss) during the specified continuous period of leave, their gross proceeds are re-invested in qualifying investments before the end of the next reporting period, or within six months of the date of completion of the sale, whichever is sooner.

(b) In the case of an application where Table 8B or Table 9B applies, points for maintaining the level of investment for the relevant period of leave will only be awarded if:

- (i) the applicant has maintained a portfolio of qualifying investments with a market value of at least £750,000 (or £3,750,000 or £7,500,000 as appropriate);
- (ii) any fall in the market value of the portfolio below the amount in (i) is corrected before the end of the next reporting period, or within six months of the date of completion of the sale, whichever is sooner, by the purchase of further qualifying investments with a market value equal to the amount of any such fall; and
- (iii) the applicant has maintained a total level of investment (including the qualifying investments at (i) and (ii) above) of £1,000,000.

(c) In the case of an application where one of Tables 8A, 8B, 9A or 9B applies:

- (i) The applicant may withdraw interest accrued and dividends declared after the date on which the applicant purchased the qualifying investments in the portfolio;
- (ii) Fees, for example those charged by institutions for managing the portfolio, and transaction costs and tax incurred through buying and selling investments cannot be paid for from the investment funds for which the applicant scores points; and
- (iii) If the applicant has invested more than the required level in qualifying investments, the fees, transaction costs and tax referred to in (ii) above may be paid from the surplus investment, providing the surplus investment was made at the same time or before the fees, transaction costs and tax were incurred (for example, if the applicant scores points for investing £2 million in qualifying investments, but has actually invested £2.1 million in qualifying investments, up to £100,000 in fees, transaction costs and tax may be paid for from the investment funds. The applicant must have invested £2.1 million at or by the time he pays these costs; he cannot pay out of a £2 million investment and invest a further £100,000 at a later date to compensate).

65-SD. The following specified documents must be provided as evidence of investment:

- (a) The applicant must provide a series of investment portfolio reports, certified as correct by a UK regulated financial institution, which must:

- (i) cover the required period, beginning no later than the end of the 3 month timescale specified in the relevant table;
- (ii) continue to the last reporting date of the most recent reporting period directly before the date of the application;
- (iii) include the price the applicant paid for the investments, which must total at least the amount for which points are being claimed throughout the required period;
- (iv) certify that the total investment was maintained as required by paragraph 65C as applicable;
- (v) show the dates that the investments were made;
- (vi) show the destination of the investments;
- (vii) for investments made as loan funds to companies, be accompanied by audited accounts or unaudited accounts with an accounts compilation report for the investments made, giving the full details of the applicant's investment. The accountant must have a valid licence to practise or practising certificate and must be a member of the Institute of Chartered Accountants in England and Wales, the Institute of Chartered Accountants in Scotland, the Institute of Chartered Accountants in Ireland, the Association of Chartered Certified Accountants, the Association of Authorised Public Accountants, the Chartered Institute of Public Finance and Accountancy, the Institute of Financial Accountants, the Chartered Institute of Management Accountants, or the Association of International Accountants;
- (viii) include the name and contact details of the financial institution that has certified the portfolio as correct and, except for National Savings and Investment (NS&I) portfolio reports, confirmation that this institution is regulated by the Financial Conduct Authority (FCA) (and the Prudential Regulation Authority (PRA) where applicable);
- (ix) confirm that the investments were made in the applicant's name and/or that of his spouse, civil partner, unmarried or same-sex partner and not in the name of an offshore company or trust even if this is wholly owned by the applicant;
- (x) include the date that the portfolio was certified by the financial institution;
- (xi) state that the institution will confirm the content of the reports to the Home Office on request; and
- (xii) confirmation that the portfolio is unencumbered and has no loans secured against it; and
- (xiii) confirmation that none of the investments being relied on are prohibited by paragraph 65(a) to (f).

**(b) DELETED**

**(c)** Where the applicant is applying under Table 8B or Table 9B and has invested at least 75% of the specified investment amount but less than 100%, he must provide one or more of the following specified documents as evidence of the balance of the funds required to bring his total investment in the UK up to the specified investment amount:

- (i) Documents confirming the purchase of assets in the UK, showing the assets purchased, the value of these assets and the dates of purchase. When using property, only the unmortgaged portion of the applicant's own main

home, excluding any share owned by any other person in the case of a tenancy in common, will count towards the balance of funds. The valuation of the portion of the property that the applicant may rely on, must be provided in a report issued by a surveyor (who is a member of the Royal Institution of Chartered Surveyors), which is dated not earlier than six months prior to the date of application. The property must be:

- (1) wholly owned by the applicant or
- (2) co-owned by the applicant and their spouse, civil partner, or partner, or
- (3) co-owned by the applicant with one or more persons as tenants in common

(ii) If the applicant maintained money on deposit in the UK, a statement or statements of account on the official stationery of the institution that holds the funds. These statements must be in the name of the applicant (or applicant and/or the husband, wife, civil partner, or unmarried or same-sex partner of the applicant) and confirm the dates and amount of money held. The applicant must ensure that the institution will confirm the content of the statement to the Home Office on request;

(iii) A letter from the financial institution that holds the cash on deposit, on the institution's official headed paper, issued by an authorised official of that institution, which confirms the dates and amount of money held and that the institution will confirm the content of the letter to the Home Office on request.

(d) If the applicant wishes the start of the 3 month timescale specified in Table 8A, Table 8B, Table 9A or Table 9B to be taken as the date he entered the UK, he must provide evidence which proves this date, such as a stamp in the applicant's passport, or an aircraft boarding card.

(e) Evidence of the investment having been maintained, from the date that the funds were invested for the full period of remaining leave, will be determined using the portfolio reports provided in (a).

AR 1.2. Where a person made a valid application on a specified route eligible for administrative review before 4 April 2024, the requirements of Appendix AR: administrative review in force on 3 April 2024 will apply, apart from applications under Appendix HM Armed Forces where the requirements in force on 10 April 2024 will apply.

## Validity requirements for administrative review

AR 2.1. An application for administrative review must relate to one of the following decisions (“the eligible decision”):

- (a) a decision to refuse an application for entry clearance; or
- (b) a decision to refuse an application for permission to enter; or
- (c) a decision to refuse an application for permission to stay; or
- (d) a decision to cancel permission to enter or stay made on the person’s arrival in the UK, where the result of the cancellation is the person has no permission, and where the reason for the cancellation is:
  - (i) there has been a change of circumstances since permission was granted which means that permission should be cancelled; or
  - (ii) permission was obtained as a result of false representations by the person or by their failure to disclose material facts.
- (e) DELETED

AR 2.2. An application for administrative review must relate to a decision on a specified route (see AR 1.1.).

AR 2.3. An application for administrative review must not relate to an eligible decision taken under Appendix EU, Appendix EU (Family Permit), Appendix S2 Healthcare Visitor or Appendix Service Providers from Switzerland, unless the decision was made before 5 October 2023 to:

- (a) cancel leave to enter or remain which is in force under paragraph A3.2(b) of Annex 3 to Appendix EU or paragraph A3.4(b) of Annex 3 to Appendix EU (Family Permit); or
- (b) cancel permission to enter or stay which is in force under paragraph HV11.1 (c) of Appendix S2 Healthcare Visitor; or

(c) cancel permission to enter which is in force under paragraph SPS 9.1(c) of Appendix Service Providers from Switzerland.

AR 2.4. A person applying for administrative review must apply online on the Administrative Review form on the gov.uk website.

AR 2.5. An application for administrative review must meet all the following requirements:

- (a) any fee must have been paid; and
- (b) the application must have been made within the relevant time period set out in AR 2.6, unless AR 2.14. applies.

AR 2.6. The time limit for making an application for administrative review is

- (a) where the eligible decision is a refusal of an application for permission to stay or a decision to cancel permission to enter or stay in the UK, and on the date of the decision the person was detained under the Immigration Acts, 7 calendar days from the date they receive notice of the eligible decision; and
- (b) where the eligible decision is a refusal of an application for entry clearance, 28 calendar days from the date the person receives the notice of the eligible decision; and
- (c) where the eligible decision is a refusal of an application for permission to stay, and the person is not detained, 14 calendar days from the date in which the person receives notice of the eligible decision; and
- (d) where the eligible decision is a decision to cancel permission to enter or stay in the UK, and the person is not detained, 14 calendar days from the date on which the person received notice of the eligible decision; and
- (e) where the administrative review relates to the period of grant or conditions of grant, 14 calendar days after the person receives notice of the grant of permission specifying the length and conditions of their permission.

AR 2.7. An application for administrative review is made on the date on which it is submitted online.

AR 2.8. There must not previously have been an application for administrative review in relation to the eligible decision, unless on a previous application for administrative review the eligible decision was maintained for different or additional reasons, in which case an application for administrative review can be made in relation to the maintained decision.

AR 2.9. Where the eligible decision is a refusal of an application for entry clearance, a person can only apply for administrative review if they are outside the UK.

AR 2.10. Where the eligible decision is made in the Control Zone, a person cannot apply for administrative review until they have left, or been removed from, the Control Zone.

AR 2.11. A person may only include an eligible decision for a partner, dependent child or other family member in their application for administrative review where that family member:

- (a) was a dependent in the application which resulted in the eligible decision; or
- (b) was previously granted permission to enter or stay as a dependent of the applicant for administrative review and that permission is being cancelled at the same time the applicant's permission is being cancelled.

AR 2.12. An application for administrative review of an eligible decision under Appendix AR may not be made if the applicant has previously signed an administrative review waiver form in respect of the eligible decision.

AR 2.14. The application for administrative review may be accepted outside the relevant time limit in AR 2.6. if the decision maker is satisfied that it would be unjust not to waive the time limit and that the application was made as soon as reasonably practicable.

AR 2.15. A person who applied for permission to stay whilst they were in the UK cannot apply for an administrative review of the decision on that application from outside of the UK.

AR 2.16. If a person who has received an eligible decision under AR 1.1 makes a subsequent application for entry clearance, permission to enter or permission to stay, any application for administrative review of the previous eligible decision will not be valid.

## Consideration of application for administrative review

AR 3.1. The decision maker conducting the administrative review ("the reviewer") will decide whether the eligible decision is incorrect because:

- (a) the decision maker of the eligible decision failed to apply, or incorrectly applied, the relevant Immigration Rules; or
- (b) the decision maker of the eligible decision failed to apply, or incorrectly applied, published guidance.

AR 3.2. The reviewer will consider whether the applicant for administrative review is entitled to entry clearance or permission on the basis of the original application and will not consider whether the applicant is entitled to entry clearance or permission on any other basis.

AR 3.3. Where evidence which was not before the original decision maker is submitted with the application for administrative review, the reviewer will only consider that evidence where the eligible decision was:

- (a) a decision under Part 9 of these rules to refuse an application on the grounds of false representations or deception; or
- (b) a decision under Part 9 of these rules, to cancel entry clearance, permission to enter or permission to stay on the grounds of false representations or deception; or;

- (c) a decision to refuse an application for entry clearance under Part 9 of these rules on the grounds of a previous breach of immigration laws; or
- (d) a decision not to request specified documents under paragraph 245AA of these rules; or
- (e) a failure to follow the evidential flexibility policy published on gov.uk.

AR 3.4. Where evidence would be admissible under AR 3.3, the reviewer may contact the applicant to request further information and specify a reasonable timeframe for receipt of that information.

AR 3.5. Where the requested information is not provided within the timeframe specified, the reviewer may consider the administrative review on the available information.

## Effect of an administrative review

AR 4.1. Where an administrative review is pending in relation to a decision made while the person was in the UK the applicant for administrative review will not be removed from the UK.

AR 4.2. Subject to AR 4.3, an administrative review is pending where:

- (a) the relevant time limit for applying for an administrative review has not passed; or
- (b) an application for administrative review has been made and has not been rejected as invalid, decided or withdrawn.

AR 4.3. An administrative review will be treated as withdrawn:

- (a) where the applicant has waived their right to apply for administrative review by signing an administrative review waiver form; or
- (b) the applicant leaves the UK; or
- (c) the applicant requests the return of their passport because they want to travel outside the UK.

AR 4.4. Where a person has a pending administrative review and they make a new application for entry clearance or permission to enter or stay, the administrative review is treated as withdrawn the day before the new application was made.

AR 4.5. Where an applicant signs an administrative review waiver form or notifies the Home Office that they wish to withdraw their administrative review, the administrative review will be treated as withdrawn on the date the notification is received.

## Decision on an administrative review

AR 5.1. The outcome of an administrative review will be one of the following:

- (a) the administrative review succeeds, and the eligible decision is withdrawn (and will be reconsidered); or
- (b) the administrative review does not succeed, and the eligible decision remains in force for all of the reasons given in that decision; or

- (c) the administrative review does not succeed, and the eligible decision remains in force, but one or more of the reasons given for that decision are withdrawn; or
- (d) the administrative review does not succeed, and the eligible decision remains in force, but with different or additional reasons to those given for that decision.

## Service of notices

AR 6.1. A decision on an administrative review is to be served in accordance with Appendix SN of these Rules.

## Appendix AR(EU)

### Eligible decisions

AR(EU)A1. An application for administrative review of an eligible decision made under Appendix EU, Appendix EU (Family Permit), Appendix S2 Healthcare Visitor or Appendix Service Providers from Switzerland may only be made in accordance with this Appendix. Appendix AR does not apply to such applications.

AR(EU)1.1. An applicant may only apply for an administrative review where an eligible decision has been made. An eligible decision is a decision to:

- (a) Refuse an application under paragraph EU6 of Appendix EU because the applicant does not meet the eligibility requirements for indefinite leave to enter or remain under paragraph EU11, EU11A or EU12 or for limited leave to enter or remain under paragraph EU14 or EU14A; or

Other provisions as to requirements and procedure

EU4. Where a person has been granted limited leave to enter or remain under this Appendix:

- They must continue to meet the eligibility requirements for that leave which they met at the **date of application** (except for any which related to their dependency as a **child, dependent parent or dependent relative**) or meet other eligibility requirements for limited leave to enter or remain in accordance with paragraph EU14 (where they have been granted limited leave to enter or remain under paragraph EU3) or in accordance with paragraph EU14A (where they have been granted limited leave to enter or remain under paragraph EU3A);

EU5. A person granted indefinite leave to enter or remain under this Appendix may resume their residence in the UK where, having been absent from **the UK and Islands**, that leave has not lapsed under article 13 of the Immigration (Leave to Enter and Remain) Order 2000. (2) Where this Appendix requires that a document, card or other evidence is valid (or that it remained valid for the period of residence relied upon), or has not been cancelled or invalidated or has not ceased to be effective, it does not matter that the person concerned no longer has the right to enter or reside under the **EEA Regulations** (or under the equivalent provision in **the Islands**), on which basis the document, card or other evidence was issued, by virtue of the revocation of those Regulations (or equivalent provision in the Islands).

EU8. Annex 2 applies to the consideration by the Secretary of State of:

- A valid application made under this Appendix; or
- Whether a person granted limited leave to enter or remain under this Appendix continues to meet the eligibility requirements for that leave which they met at the date of application or meets other eligibility requirements for limited leave to enter or remain, or the eligibility requirements for indefinite leave to enter or remain, under this Appendix.

EU10. (1) An application made under this Appendix will be rejected as invalid where it does not meet the requirements in paragraph EU9.

(2) Paragraph 34BB of these Rules does not apply to applications made under this Appendix. Where a further valid application is made under this Appendix before a previous such application has been decided, the further application will be treated as an application to vary the previous application and only the latest application will be considered.

(3) Where a valid application is made under this Appendix before a previous valid application made under another part of or outside the Immigration Rules has been decided (or where a valid application is made under another part of or outside the Immigration Rules, or varied by a further such application, before a previous valid application made under this Appendix has been decided), both applications will be considered.

(4) Where both applications considered in accordance with sub-paragraph (3) above fall to be granted, the Secretary of State will inform the applicant that they satisfy the relevant criteria in respect of both applications and ask them to confirm which application they want to be decided and which they want to be treated as withdrawn. If the applicant does not so confirm within 14 days, the latest application will be decided and the other treated as withdrawn.

(d) It is proportionate to refuse the application where the applicant is a **relevant excluded person** because of their conduct committed before the specified date and the Secretary of State is satisfied that the decision to refuse the application is justified on the grounds of public policy, public security or public health in accordance with regulation 27 of the EEA Regulations, irrespective of whether the EEA Regulations apply to that person (except that in regulation 27 for "with a right of permanent residence under regulation 15" and "who has a right of permanent residence under regulation 15" read "who has indefinite leave to enter or remain under, or who meets the requirements of paragraph EU11, EU11A or EU12 of, Appendix EU to the Immigration Rules"; and for "an EEA decision" read "a decision under paragraph EU16(d) of Appendix EU to the Immigration Rules"); or

## Annex 2 – Consideration of a valid application and of whether eligibility requirements are or continue to be met

A2.1. A valid application made under this Appendix, and any issue as to whether a person granted limited leave to enter or remain under this Appendix continues to meet the eligibility requirements for that leave which they met at the date of application (or meets other eligibility requirements for limited leave to enter or remain, or the eligibility requirements for indefinite leave to enter or remain, under this Appendix), will be decided on the basis of:

- (a) the information and evidence provided by the person, including in response to any request for further information or evidence made by the Secretary of State; and
- (b) any other information or evidence made available to the Secretary of State (including from other government departments) at the date of decision.

A2.2.(1) For the purposes of deciding whether the person meets the eligibility requirements for indefinite leave to enter or remain or for limited leave to enter or remain, the Secretary of State may:

- (a) request that they provide further information or evidence that they meet those requirements; or
- (b) invite them to be interviewed by the Secretary of State in person, by telephone, by video-telecommunications link or over the internet.

(2) If the person purports to meet the eligibility requirements for indefinite leave to enter or remain or for limited leave to enter or remain on the basis of a relationship with another person ("P"), including where P is a qualifying British citizen or a relevant sponsor, the Secretary of State may:

- (a) request that P provide information or evidence about their relationship with the person, their residence in the UK or, where P is a qualifying British citizen,

their residence in a country listed in sub-paragraph (a)(i) of the entry for 'EEA citizen' in the table at Annex 1 to this Appendix; or  
(b) invite P to be interviewed by the Secretary of State in person, by telephone, by video-telecommunications link or over the internet.

(3) If the person or (as the case may be) P:

(a) fails within a reasonable timeframe specified in the request to provide the information or evidence requested; or

(b) on at least two occasions, fails to comply with an invitation to attend an interview in person or with other arrangements to be interviewed,

the Secretary of State may draw any factual inferences about whether the person meets the eligibility requirements for indefinite leave to enter or remain or for limited leave to enter or remain as appear appropriate in the circumstances.

(4) The Secretary of State may decide, following the drawing of a factual inference under sub-paragraph (3), that the person does not meet the eligibility requirements for indefinite leave to enter or remain or for limited leave to enter or remain.

(5) The Secretary of State must not decide that the person does not meet the eligibility requirements for indefinite leave to enter or remain or for limited leave to enter or remain on the sole basis that the person or (as the case may be) P failed on at least two occasions to comply with an invitation to be interviewed.

### Annex 3 – Cancellation, curtailment and revocation of leave to enter or remain

A3.1. A person's indefinite leave to enter or remain or limited leave to enter or remain granted under this Appendix must be cancelled on or before their arrival in the UK where the Secretary of State or an Immigration Officer deems the person's presence in the UK is not conducive to the public good because of conduct committed after the specified date.

A3.1A. A person's indefinite leave to enter or remain or limited leave to enter or remain granted under this Appendix must be cancelled where:

(a) The person is an excluded person, as defined by section 8B(4) of the Immigration Act 1971, because of their conduct committed before the specified date, and the person does not fall within section 8B(5A) or 8B(5B) of that Act; and

(b) The Secretary of State or an Immigration Officer is satisfied that, because of the person's conduct committed before the specified date, the cancellation is justified on grounds of public policy, public security or public health in accordance with regulation 27 of the Immigration (European Economic Area) Regulations 2016, irrespective of whether the EEA Regulations apply to that person (except that in regulation 27 for "a right of permanent residence under regulation 15" read "indefinite leave to enter or remain under, or who would be granted indefinite leave to enter or remain if they made a valid application under, Appendix EU to the Immigration Rules"; and for "an EEA decision" read "a decision under paragraph A3.1A. of Annex 3 to Appendix EU to the Immigration Rules").

A3.1B. A person's indefinite leave to enter or remain or limited leave to enter or remain granted under this Appendix must be cancelled where the person is an excluded person, as defined by section 8B(4) of the Immigration Act 1971, because of conduct committed after the specified date, and the person does not fall within section 8B(5A) or 8B(5B) of that Act.

A3.2. A person's indefinite leave to enter or remain or limited leave to enter or remain granted under this Appendix may be cancelled on or before their arrival in the UK where the Secretary of State or an Immigration Officer is satisfied that it is proportionate to cancel that leave where:

- (a) Because of the person's conduct committed before the specified date, the cancellation is justified on grounds of public policy, public security or public health in accordance with regulation 27 of the Immigration (European Economic Area) Regulations 2016, irrespective of whether the EEA Regulations apply to that person (except that in regulation 27 for "a right of permanent residence under regulation 15" read "indefinite leave to enter or remain under, or who would be granted indefinite leave to enter or remain if they made a valid application under, Appendix EU to the Immigration Rules"; and for "an EEA decision" read "a decision under paragraph A3.2.(a) of Annex 3 to Appendix EU to the Immigration Rules"); or
- (b) The cancellation is justified on grounds that, in relation to the relevant application under this Appendix, and whether or not to the applicant's knowledge, false or misleading information, representations or documents were submitted (including false or misleading information submitted to any person to obtain a document used in support of the application); and the information, representation or documentation was material to the decision to grant the applicant leave to enter or remain under this Appendix.

A3.3. A person's limited leave to enter or remain granted under this Appendix may be cancelled on or before their arrival in the UK where the Secretary of State or an Immigration Officer is satisfied that it is proportionate to cancel that leave where they cease to meet the requirements of this Appendix.

A3.4. A person's limited leave to enter or remain granted under this Appendix may be curtailed where the Secretary of State is satisfied that it is proportionate to curtail that leave where:

- (a) Curtailment is justified on grounds that, in relation to the relevant application under this Appendix, and whether or not to the applicant's knowledge, false or misleading information, representations or documents were submitted (including false or misleading information submitted to any person to obtain a document used in support of the application); and the information, representation or documentation was material to the decision to grant the applicant leave to enter or remain under this Appendix; or
- (b) Curtailment is justified on grounds that it is more likely than not that, after the specified date, the person has entered, attempted to enter or assisted another person to enter or to attempt to enter, a marriage, civil partnership or durable partnership of convenience; or

- (c) the person ceases to meet, or never met, the requirements of this Appendix; or
- (d) Curtailment is justified on grounds that it is more likely than not that, after the specified date, the person has assisted another person fraudulently to obtain, or to attempt to obtain, entry clearance to, or leave to enter or remain in, the UK.

A3.5. A person's indefinite leave to enter or remain granted under this Appendix may be revoked where the Secretary of State is satisfied that it is proportionate to revoke that leave where:

- (a) The person is liable to deportation, but cannot be deported for legal reasons; or
- (b) The indefinite leave to enter or remain was obtained by deception.

(2A) An application made under this Appendix will be refused on grounds of suitability where at the date of decision:

- (a)(i) The applicant is an excluded person, as defined by section 8B(4) of the Immigration Act 1971, because of their conduct committed before the specified date, and the person does not fall within section 8B(5A) or 8B(5B) of that Act; and
- (ii) The entry clearance officer is satisfied that, because of the applicant's conduct committed before the specified date, the refusal of the application is justified on grounds of public policy, public security or public health in accordance with regulation 27 of the EEA Regulations, irrespective of whether the EEA Regulations apply to that person (except that in regulation 27 for "with a right of permanent residence under regulation 15" and "who has a right of permanent residence under regulation 15" read "who has indefinite leave to enter or remain under, or who meets the requirements of paragraph EU11, EU11A or EU12 of, Appendix EU to the Immigration Rules"; and for "an EEA decision" read "a decision under paragraph FP7(2A)(a) of Appendix EU (Family Permit) to the Immigration Rules"); or
- (b) The applicant is an excluded person, as defined by section 8B(4) of the Immigration Act 1971, because of conduct committed after the specified date, and the person does not fall within section 8B(5A) or 8B(5B) of that Act.

(3) An application made under this Appendix will be refused on grounds of suitability where at the date of decision the applicant is subject to an **Islands deportation order**.

(3A) An application made under this Appendix may be refused on grounds of suitability where at the date of decision the applicant is subject to an **Islands exclusion decision**.

(4) An application made under this Appendix may be refused on grounds of suitability where, at the date of decision, the entry clearance officer is satisfied that:

(a) It is proportionate to refuse the application where, in relation to the application and whether or not to the applicant's knowledge, false or misleading information, representations or documents have been submitted (including false or misleading information submitted to any person to obtain a document used in support of the application); and the information, representation or documentation is material to the decision whether or not to grant the applicant an entry clearance under this Appendix; or  
(b)(i) The applicant:

(aa) Has previously been refused admission to the UK in accordance with regulation 23(1) of the EEA Regulations; or

(bb) Has previously been refused admission to the UK in accordance with regulation 12(1)(a) of the Citizens' Rights (Frontier Workers) (EU Exit) Regulations 2020; or

(cc) Had indefinite leave to enter or remain or limited leave to enter or remain granted under Appendix EU to these Rules (or limited leave to enter granted by virtue of having arrived in the UK with an entry clearance that was granted under this Appendix) which was cancelled under paragraph 321B(b)(i) or 321B(b)(ii) of these Rules, under paragraph A3.3. or A3.4.(a) of Annex 3 to this Appendix or under paragraph A3.1., A3.1A., A3.1B. or A3.2.(a) of Annex 3 to Appendix EU; and

(ii) The refusal of the application is justified either:

(aa) In respect of the applicant's conduct committed before the specified date, on grounds of public policy, public security or public health in accordance with regulation 27 of the EEA Regulations, irrespective of whether the EEA Regulations apply to that person (except that in regulation 27 for "with a right of permanent residence under regulation 15" and "who has a right of permanent residence under regulation 15" read "who has indefinite leave to enter or remain under, or who meets the requirements of paragraph EU11, EU11A or EU12 of, Appendix EU to the Immigration Rules"; and for "an EEA decision" read "a decision under paragraph FP7(4)(b) of Appendix EU (Family Permit) to the Immigration Rules"), and it is proportionate to refuse the application; or

(bb) In respect of conduct committed after the specified date, where the applicant's presence in the UK is deemed not to be conducive to the public good.

(5) The references in this paragraph to an order or decision to which the applicant is subject do not include an order or decision which, at the date of decision on their application under this Appendix, has been set aside or revoked.

FP8. A valid application made under this Appendix which does not meet the requirements for an entry clearance to be granted will be refused.

FP8A. The applicant will be granted an entry clearance under this Appendix, in the form of an EU Settlement Scheme Family Permit, where:

(a) the entry clearance officer is satisfied that the applicant is a **specified EEA family permit case**; and

(b) had the applicant made a valid application under this Appendix, it would not have been refused on grounds of suitability under paragraph FP7.

FP9. (1) Annex 1 sets out definitions which apply to this Appendix. Any provision made elsewhere in the Immigration Rules for those terms, or for other matters for which this Appendix makes provision, does not apply to an application made under this Appendix.

(2) Where this Appendix requires that a document, card or other evidence is valid (or that it remained valid for the period of residence relied upon), or has not been cancelled or invalidated or has not ceased to be effective, it does not matter that the person concerned no longer has the right to enter or reside under the EEA Regulations (or under the equivalent provision in **the Islands**), on which basis the document, card or other evidence was issued, by virtue of the revocation of those Regulations (or equivalent provision in the Islands).

FP10. Annex 2 applies to the consideration by the entry clearance officer of a valid application made under this Appendix.

FP11. Annex 3 applies in respect of the revocation of an entry clearance that was granted under this Appendix, and of the cancellation and curtailment of leave to enter granted by virtue of having arrived in the UK with an entry clearance that was granted under this Appendix.

## Annex 2 – Consideration of a valid application

A2.1. A valid application made under this Appendix will be decided on the basis of:

- (a) the information and evidence provided by the applicant, including in response to any request for further information or evidence made by the entry clearance officer; and
- (b) any other information or evidence made available to the entry clearance officer (including from other government departments) at the date of decision.

A2.2. (1) For the purposes of deciding whether the applicant meets the eligibility requirements for entry clearance, the entry clearance officer may:

- (a) request that the applicant provide further information or evidence that they meet those requirements; or
- (b) invite the applicant to be interviewed by the entry clearance officer in person, by telephone, by video-telecommunications link or over the internet.

(2) For the purposes of deciding whether the applicant meets the eligibility requirements for entry clearance, the entry clearance officer may:

- (a) request that the person ("P") on whom the applicant relies as being the relevant EEA citizen (or, as the case may be, the qualifying British citizen) with whom the applicant is in a family relationship provide information or evidence about their relationship with the applicant, their current or planned residence in the UK or (where P is a qualifying British citizen) their residence in a country listed in sub-paragraph (a)(i) of the entry for 'EEA citizen' in the table at Annex 1 to this Appendix; or
- (b) invite P to be interviewed by the entry clearance officer in person, by telephone, by video-telecommunications link or over the internet.

(3) If the applicant or (as the case may be) P:

- (a) fails within a reasonable timeframe specified in the request to provide the information or evidence requested; or

(b) on at least two occasions, fails to comply with an invitation to attend an interview in person or with other arrangements to be interviewed,

the entry clearance officer may draw any factual inferences about whether the applicant meets the eligibility requirements for entry clearance as appear appropriate in the circumstances.

(4) The entry clearance officer may decide, following the drawing of a factual inference under sub-paragraph (3), that the applicant does not meet the eligibility requirements for entry clearance.

(5) The entry clearance officer must not decide that the applicant does not meet the eligibility requirements for entry clearance on the sole basis that the applicant or (as the case may be) P failed on at least two occasions to comply with an invitation to be interviewed.

## Annex 3 – Revocation of entry clearance and cancellation and curtailment of leave to enter

A3.1. A person's entry clearance granted under this Appendix must be revoked where the person's presence in the UK is deemed not to be conducive to the public good because of conduct committed after the specified date.

A3.1A. A person's entry clearance granted under this Appendix must be revoked where:

- (a) The person is an excluded person, as defined by section 8B(4) of the Immigration Act 1971, because of their conduct committed before the specified date, and the person does not fall within section 8B(5A) or 8B(5B) of that Act; and
- (b) The entry clearance officer is satisfied that, because of the person's conduct committed before the specified date, the revocation is justified on grounds of public policy, public security or public health in accordance with regulation 27 of the Immigration (European Economic Area) Regulations 2016, irrespective of whether the EEA Regulations apply to that person (except that in regulation 27 for "a right of permanent residence under regulation 15" read "indefinite leave to enter or remain under, or who would be granted indefinite leave to enter or remain if they made a valid application under, Appendix EU to the Immigration Rules"; and for "an EEA decision" read "a decision under paragraph A3.1A. of Annex 3 to Appendix EU (Family Permit) to the Immigration Rules").

A3.1B. A person's entry clearance granted under this Appendix must be revoked where the person is an excluded person, as defined by section 8B(4) of the Immigration Act 1971, because of conduct committed after the specified date, and the person does not fall within section 8B(5A) or 8B(5B) of that Act.

A3.2. A person's entry clearance granted under this Appendix may be revoked where the entry clearance officer is satisfied that it is proportionate to revoke that entry clearance where:

- (a) In respect of their conduct committed before the specified date, the person is subject to an exclusion decision, an exclusion order or an Islands exclusion decision; or
- (b) The revocation is justified on grounds that, in relation to the relevant application under this Appendix, and whether or not to the applicant's knowledge, false or misleading information, representations or documents were submitted (including false or misleading information submitted to any person to obtain a document used in support of the application); and the information, representation or documentation was material to the decision to grant the applicant an entry clearance under this Appendix; or
- (c) Since it was granted, there has been a change in circumstances that is, or would have been, relevant to that person's eligibility for that entry clearance, such that their entry clearance ought to be revoked.

A3.3. A person's leave to enter granted by virtue of having arrived in the UK with an entry clearance that was granted under this Appendix must be cancelled where, because of conduct committed after the specified date, the person's presence in the UK is deemed not to be conducive to the public good.

A3.4. A person's leave to enter granted by virtue of having arrived in the UK with an entry clearance that was granted under this Appendix may be cancelled where the Secretary of State or an Immigration Officer is satisfied that it is proportionate to cancel that leave where:

- (a) Because of the person's conduct committed before the specified date, the cancellation is justified on grounds of public policy, public security or public health in accordance with regulation 27 of the Immigration (European Economic Area) Regulations 2016, irrespective of whether the EEA Regulations apply to that person (except that for "a right of permanent residence under regulation 15" read "indefinite leave to enter or remain under, or who would be granted indefinite leave to enter or remain if they made a valid application under, Appendix EU to the Immigration Rules"; and for "an EEA decision" read "a decision under paragraph A3.4.(a) of Annex 3 to Appendix EU (Family Permit) to the Immigration Rules"); or
- (b) The cancellation is justified on grounds that, in relation to the relevant application under this Appendix, and whether or not to the applicant's knowledge, false or misleading information, representations or documents were submitted (including false or misleading information submitted to any person to obtain a document used in support of the application); and the information, representation or documentation was material to the decision to grant the applicant an entry clearance under this Appendix; or
- (c) Since the entry clearance under this Appendix was granted, there has been a change in circumstances that is, or would have been, relevant to that person's eligibility for that entry clearance, such that their leave to enter ought to be cancelled.

A3.5. A person's leave to enter granted by virtue of having arrived in the UK with an entry clearance that was granted under this Appendix may be curtailed where the Secretary of State is satisfied that it is proportionate to curtail that leave where:

- (a) Curtailment is justified on grounds that, in relation to the relevant application under this Appendix, and whether or not to the applicant's

knowledge, false or misleading information, representations or documents were submitted (including false or misleading information submitted to any person to obtain a document used in support of the application); and the information, representation or documentation was material to the decision to grant the applicant an entry clearance under this Appendix; or  
(b) Curtailment is justified on grounds that it is more likely than not that, after the specified date, the person has entered, attempted to enter or assisted another person to enter or to attempt to enter, a marriage, civil partnership or durable partnership of convenience.

#### Purpose

GEN.1.1. This route is for those seeking to enter or remain in the UK on the basis of their family life with a person who is a British Citizen, is settled in the UK, is in the UK with protection status (and the applicant cannot seek entry clearance or permission as their family member under Appendix Family Reunion (Protection) of these rules), is in the UK with permission as a Stateless person, is in the UK with limited leave under Appendix EU, or is in the UK with limited leave as a worker or business person by virtue of either Appendix ECAA Extension of Stay or under the provisions of the relevant 1973 Immigration Rules (or Decision 1/80) that underpinned the European Community Association Agreement (ECAA) with Turkey prior to 1 January 2021. It sets out the requirements to be met and, in considering applications under this route, it reflects how, under Article 8 of the Human Rights Convention, the balance will be struck between the right to respect for private and family life and the legitimate aims of protecting national security, public safety and the economic well-being of the UK; the prevention of disorder and crime; the protection of health or morals; and the protection of the rights and freedoms of others (and in doing so also reflects the relevant public interest considerations as set out in Part 5A of the Nationality, Immigration and Asylum Act 2002). It also takes into account the need to safeguard and promote the welfare of children in the UK, in line with the Secretary of State's duty under section 55 of the Borders, Citizenship and Immigration Act 2009.

GEN.1.6. For the purposes of paragraph E-ECP.4.1.(a); E-LTRP.4.1.(a); E-LTRP.4.1A.(a); E-ECPT. 4.1(a); E-LTRPT.5.1.(a); and E-LTRPT.5.1A.(a) the applicant must be a national of Antigua and Barbuda; Australia; the Bahamas; Barbados; Belize; the British Overseas Territories; Canada; Dominica; Grenada; Guyana; Jamaica; Malta; New Zealand; St Kitts and Nevis; St Lucia; St Vincent and the Grenadines; Trinidad and Tobago; or the United States of America.

GEN.1.8. Paragraphs 277-280, 289AA, 295AA and 296 of Part 8 of these Rules shall apply to this Appendix.

GEN.1.9. In this Appendix:

(a) the requirement to make a valid application will not apply when the Article 8 claim is raised:

- (i) as part of an asylum claim, or as part of a further submission in person after an asylum claim has been refused;
- (ii) where a migrant is in immigration detention. A migrant in immigration detention or their representative must submit any application or claim raising Article 8 to a prison officer, a prisoner custody officer, a detainee custody officer or a member of Home Office staff at the migrant's place of detention; or
- (iii) in an appeal (subject to the consent of the Secretary of State where applicable); and

(b) where an application or claim raising Article 8 is made in any of the circumstances specified in paragraph GEN.1.9.(a), or is considered by the Secretary of State under paragraph A277C of these rules, the requirements of paragraphs R-LTRP.1.1.(c) and R-LTRPT.1.1.(c) are not met.

GEN.1.10. Where paragraph GEN.3.1.(2) or GEN.3.2.(3) applies, and the applicant is granted entry clearance or leave to enter or remain under, as appropriate, paragraph D-ECP.1.2., D-LTRP.1.2., D-ECC.1.1., D-LTRC.1.1., D-ECPT.1.2. or D-LTRPT.1.2., that grant of entry clearance or leave to enter or remain will be subject to a condition of no recourse to public funds unless the decision-maker considers, with reference to paragraph GEN.1.11A., that the applicant should not be subject to such a condition.

GEN.1.11. Where entry clearance or leave to enter or remain is granted under this Appendix (and without prejudice to the specific provision that is made in this Appendix in respect of a no recourse to public funds condition), that leave may be subject to such conditions as the decision-maker considers appropriate in a particular case.

GEN.1.11A. Where entry clearance or leave to remain as a partner, child or parent is granted under D-ECP.1.2., D-LTRP.1.2., D-ECC.1.1., D-LTRC.1.1., D-ECPT.1.2. or D-LTRPT.1.2., if the decision maker is satisfied that:

- (a) the applicant is destitute as defined in section 95 of the Immigration and Asylum Act 1999, or is at risk of imminent destitution; or
- (b) there are reasons relating to the welfare of a relevant child which outweigh the considerations for imposing or maintaining the condition (treating the best interests of a relevant child as a primary consideration); or
- (c) the applicant is facing exceptional circumstances affecting their income or expenditure

then the applicant will not be subject to a condition of no access to public funds. If the decision maker is not so satisfied, the applicant will be subject to a condition of no access to public funds.

GEN 1.11B. For the purposes of GEN 1.11A 'relevant child' means a person who:

- (a) is under the age of 18 years at the date of application; and

(excluding a grant of limited leave to remain as a fiancé(e) or proposed civil partner), where at the date of application the applicant has extant leave as a partner or parent (as applicable) granted under this Appendix, the remaining period of that extant leave up to a maximum of 28 days will be added to the period of limited leave to remain granted under that paragraph (which may therefore exceed 30 months).

GEN.1.14. Where a person aged 18 or over is granted entry clearance or limited leave to enter or remain under this Appendix, or where a person granted such entry

clearance or limited leave to enter or remain will be aged 18 before that period of entry clearance or limited leave expires, the entry clearance or leave will, in addition to any other conditions which may apply, be granted subject to the conditions in Appendix ATAS of these rules.

GEN.1.15. Where, pursuant to paragraph D-ILRP.1.2., D-ILRP.1.3., D-ILRPT.1.2. or D-ILRPT.1.3., a person who has made an application for indefinite leave to remain under this Appendix does not meet the requirements for indefinite leave to remain but falls to be granted limited leave to remain under those provisions or paragraphs 276ADE(1) to 276DH:

- (a) The Secretary of State will treat that application for indefinite leave to remain as an application for limited leave to remain;
- (b) The Secretary of State will notify the applicant in writing of any requirement to pay an immigration health charge under the Immigration (Health Charge) Order 2015; and
- (c) If there is such a requirement and that requirement is not met, the application for limited leave to remain will be invalid and the Secretary of State will not refund any application fee paid in respect of the application for indefinite leave to remain.

GEN.1.16. Where an application or claim raising Article 8 is considered under Appendix FM and EX.1. applies, the requirements of paragraphs R-LTRP.1.1.(c) and R-LTRPT.1.1.(c) are not met.

An application for settlement as a partner or parent (or the dependent child of a partner or parent) on the basis of a 10-year qualifying period for settlement must meet the requirements under Appendix Settlement Family Life (and the application for settlement will not be considered under this Appendix).

## Leave to enter

GEN.2.1. Subject to paragraph GEN.2.3., the requirements to be met by a person seeking leave to enter the UK under this route are that the person-

- (a) must have a valid entry clearance for entry under this route; and
- (b) must produce to the Immigration Officer on arrival a valid national passport or other document satisfactorily establishing their identity and nationality.

GEN.2.2. If a person does not meet the requirements of paragraph GEN.2.1. entry will be refused.

GEN.2.3.(1). Where an applicant for leave to enter the UK remains in the UK on immigration bail and the requirements of sub-paragraph (2) are met, paragraph GEN.1.10., D-LTRP.1.2., D-LTRC.1.1. or D-LTRPT.1.2. (as appropriate) will apply, as if paragraph D-LTRP.1.2., D-LTRC.1.1. or D-LTRPT.1.2. (where relevant) provided for the granting of leave to enter not leave to remain (and except that the references to leave to remain and limited leave to remain are to be read as leave to enter).

(2). The requirements of this sub-paragraph are met where:

(a) the applicant satisfies the requirements in paragraph R-LTRP.1.1.(a), (b) and (d), paragraph R-LTRC.1.1.(a), (b) and (d) or paragraph R-LTRPT.1.1.(a), (b) and (d), as if those were requirements for leave to enter not leave to remain (and except that the references to leave to remain and indefinite leave to remain are to be read as leave to enter); or

(b) a parent of the applicant has been granted leave to enter in accordance with this paragraph and the applicant satisfies the requirements in paragraph R-LTRC.1.1.(a), (b) and (d), as if those were requirements for leave to enter not leave to remain and as if paragraph R-LTRC.1.1.(d)(iii) referred to a parent of the applicant being or having been granted leave to enter in accordance with this paragraph (and except that the references to leave to remain are to be read as leave to enter).

### Exceptional circumstances

GEN.3.1.(1) Where:

- (a) the financial requirement in paragraph E-ECP.3.1., E-LTRP.3.1., E-LTRP.3.7. (in the context of an application for limited leave to remain as a partner), E-ECC.2.1., E-ECC.2.5., E-LTRC.2.1., or ELTRC.2.5. applies, and is not met from the specified sources referred to in the relevant paragraph; and
- (b) it is evident from the information provided by the applicant that there are exceptional circumstances which could render refusal of entry clearance or leave to remain a breach of Article 8 of the European Convention on Human Rights, because such refusal could result in unjustifiably harsh consequences for the applicant, their partner or a relevant child; then

the decision-maker must consider whether such financial requirement is met through taking into account the sources of income, financial support or funds set out in paragraph 21A(2) of Appendix FM-SE (subject to the considerations in sub-paragraphs (3) to (8) of that paragraph).

(2) Where the financial requirement in paragraph E-ECP.3.1., E-LTRP.3.1., E-LTRP.3.7 (in the context of an application for limited leave to remain as a partner), E-ECC.2.1., E-ECC.2.5., E-LTRC.2.1., or E-LTRC.2.5. is met following consideration under sub-paragraph (1) (and provided that the other relevant requirements of the Immigration Rules are also met), the applicant will be granted entry clearance or leave to remain under, as appropriate, paragraph D-ECP.1.2., D-LTRP.1.2., D-ECC.1.1., D-LTRC.1.1., Appendix Adoption of the Immigration Rules.

GEN.3.2.(1) Subject to sub-paragraph (4), where an application for entry clearance or leave to enter or remain made under this Appendix, or an application for leave to remain which has otherwise been considered under this Appendix, does not otherwise meet the requirements of this Appendix or Part 9 of the Rules, the decision-maker must consider whether the circumstances in sub-paragraph (2) apply.

(2) Where sub-paragraph (1) above applies, the decision-maker must consider, on the basis of the information provided by the applicant, whether there are exceptional circumstances which would render refusal of entry clearance, or leave to enter or remain, a breach of Article 8 of the European Convention on Human Rights, because such refusal would result in unjustifiably harsh consequences for the applicant, their

partner, a relevant child or another family member whose Article 8 rights it is evident from that information would be affected by a decision to refuse the application.

(3) Where the exceptional circumstances referred to in sub-paragraph (2) above apply, the applicant will be granted entry clearance or leave to enter or remain under, as appropriate, paragraph D-ECP.1.2., D-LTRP.1.2., D-ECC.1.1., D-LTRC.1.1., D-ECPT.1.2. or D-LTRPT.1.2.

(4) DELETED.

GEN.3.3.(1) In considering an application for entry clearance or leave to enter or remain where paragraph GEN.3.1. or GEN.3.2. applies, the decision-maker must take into account, as a primary consideration, the best interests of any relevant child.

(2) In paragraphs GEN.3.1. and GEN.3.2., and this paragraph, “relevant child” means a person who:

(a) is under the age of 18 years at the date of the application;

## Appendix FM-SE

Family members - specified evidence

### Family Members - Specified Evidence

A. This Appendix sets out the specified evidence applicants need to provide to meet the requirements of rules contained in Appendix FM and, where those requirements are also contained in other rules, including Appendix HM Armed Forces, Appendix International Armed Forces and International Civilian Employees, Appendix Adult Dependent Relative, Appendix Adoption and Appendix Child Relative (Sponsors with Protection), and Appendix Adoption, and unless otherwise stated, the specified evidence applicants need to provide to meet the requirements of those rules.

B. Where evidence is not specified by Appendix FM, but is of a type covered by this Appendix, the requirements of this Appendix shall apply.

C. In this Appendix references to paragraphs are to paragraphs of this Appendix unless the context otherwise requires.

D. (a) In deciding an application in relation to which this Appendix states that specified documents must be provided, the Entry Clearance Officer or Secretary of State ("the decision-maker") will consider documents that have been submitted with the application, and will only consider documents submitted after the application where sub-paragraph (b), (e) or (f) applies.

(b) If the applicant:

(i) Has submitted:

(aa) A sequence of documents and some of the documents in the sequence have been omitted (e.g. if one bank statement from a series is missing);

(bb) A document in the wrong format (for example, if a letter is not on letterhead paper as specified); or

(cc) DELETED

(dd) A document which does not contain all of the specified information; or

(ii) Has not submitted a specified document, the decision-maker may contact the applicant or his representative in writing or otherwise, and request the document(s) or the correct version(s). The material requested must be received at the address specified in the request within a reasonable timescale specified in the request.

(c) The decision-maker will not request documents where he or she does not anticipate that addressing the error or omission referred to in sub-paragraph (b) will lead to a grant because the application will be refused for other reasons.

(d) If the applicant has submitted:

- (i) A document in the wrong format; or
- (ii) DELETED
- (iii) A document that does not contain all of the specified information, but the missing information is verifiable from:
  - (1) other documents submitted with the application,
  - (2) the website of the organisation which issued the document,
  - or
  - (3) the website of the appropriate regulatory body,

the application may be granted exceptionally, providing the decision-maker is satisfied that the document(s) is genuine and that the applicant meets the requirement to which the document relates.

(e) Where the decision-maker is satisfied that there is a valid reason why a specified document(s) cannot be supplied, e.g. because it is not issued in a particular country or has been permanently lost, he or she may exercise discretion not to apply the requirement for the document(s) or to request alternative or additional information or document(s) be submitted by the applicant.

(f) Before making a decision under Appendix FM or this Appendix, the decision-maker may contact the applicant or their representative in writing or otherwise to request further information or documents. The material requested must be received at the address specified in the request within a reasonable timescale specified in the request.

E. A reference in this Appendix to the provision of evidence from a UK government department includes evidence from a body performing an equivalent function to such a department.

(iii) The funds deposited as cash savings are the net proceeds of the sale, once any mortgage or loan secured on the property (or relevant share of the property) has been repaid and once any taxes and professional fees associated with the sale have been paid.

(iv) The decision-maker is satisfied that the requirements in sub-paragraphs (i)-(iii) are met on the basis of information and documents submitted in support of the application. These may include for example:

- (a) Where the current salaried employment in the UK of the applicant or their partner, parent, parent's partner or sponsor is relied upon:
  - (i) A letter from the employer confirming the employment, the gross annual salary and the annual salary after income tax and National Insurance contributions have been paid, how long the employment has been held, and the type of employment (permanent, fixed-term contract or agency).
  - (ii) Payslips covering the period of 6 months prior to the date of application or such shorter period as the current employment has been held.
  - (iii) personal bank statement covering the same period as the payslips, showing that the salary has been paid into an account in the name of the person or in the name of the person and their partner jointly.
- (b) Where statutory or contractual maternity, paternity, adoption or sick pay in the UK of the applicant or their partner, parent, parent's partner or sponsor are relied upon, paragraph 5(b)(i) and (c) or paragraph 6(b)(i) and (c) apply as appropriate.

- (d) Where the non-employment income of the applicant or their partner, parent, parent's partner or sponsor is relied upon, paragraph 10 applies and paragraph 10 shall apply as if it referred to any UK welfare benefit or tax credit relied upon and to HMRC as well as Department for Work and Pensions or other official documentation.

- (g) Where the applicant is an adult dependent relative the applicant must in addition provide details of the care arrangements in the UK planned for them by their sponsor (which can involve other family members in the UK), of the cost of these arrangements and of how that cost will be met by the sponsor.

12B. Where the financial requirement an applicant must meet under Part 8 (excluding an applicant who is a family member of a Relevant Points Based System Migrant); under Appendix FM or under Appendix Adult Dependent Relative, Appendix HM Armed Forces, , Appendix International Armed Forces and International Civilian Employees, Appendix Adoption or Appendix Child Relative (Sponsors with Protection), relates to adequate maintenance and where cash savings are relied upon to meet the requirement in full or in part, the decision-maker will:

- (a) Establish the total cash savings which meet the requirements of paragraphs 11 and 11A;

- (b) Divide this figure by the number of weeks of limited leave which would be issued if the application were granted, or by 52 if the application is for indefinite leave to enter or remain;
- (c) Add the figure in sub-paragraph 12B(b) to the weekly net income (before the deduction of housing costs) available to meet the requirement.

## Calculating Gross Annual Income under Appendix FM

13. Based on evidence that meets the requirements of this Appendix, and can be taken into account with reference to the applicable provisions of Appendix FM, gross annual income under paragraphs E-ECP.3.1., E-LTRP.3.1., E-LTRP.3.7., E-ECC.2.1., E-ECC.2.5., E-LTRC.2.1. and E-LTRC.2.5. will, subject to paragraph 21A of this Appendix, be calculated in the following ways:

- (a) Where the person is in salaried employment in the UK at the date of application, has been employed by their current employer for at least 6 months and has been paid throughout the period of 6 months prior to the date of application at a level of gross annual salary which equals or exceeds the level relied upon in paragraph 13(a)(i), their gross annual income will be (where paragraph 13(b) does not apply) the total of:
  - (i) The level of gross annual salary relied upon in the application;
  - (ii) The gross amount of any specified non-employment income (other than pension income) received by them or their partner in the 12 months prior to the date of application; and
  - (iii) The gross annual income from a UK or foreign State pension or a private pension received by them or their partner.
- (b) Where the person is in salaried employment in the UK at the date of application and has been employed by their current employer for less than 6 months (or at least 6 months but the person does not rely on paragraph 13(a)), their gross annual income will be the total of:
  - (i) The gross annual salary from employment as it was at the date of application;
  - (ii) The gross amount of any specified non-employment income (other than pension income) received by them or their partner in the 12 months prior to the date of application; and
  - (iii) The gross annual income from a UK or foreign State pension or a private pension received by them or their partner. In addition, the requirements of paragraph 15 must be met.
- (c) Where the person is the applicant's partner, is in salaried employment outside of the UK at the date of application, has been employed by their current employer for at least 6 months, and is returning to the UK to take up salaried employment in the UK starting within 3 months of their return, the person's gross annual income will be calculated:
  - (i) On the basis set out in paragraph 13(a); and also
  - (ii) On that basis but substituting for the gross annual salary at paragraph 13(a)(i) the gross annual salary in the salaried employment in the UK to which they are returning.
- (d) Where the person is the applicant's partner, has been in salaried employment outside of the UK within 12 months of the date of application, and is returning to the UK to take up salaried employment in the UK starting within 3 months of their return, the person's gross annual income will be calculated:

- (i) On the basis set out in paragraph 13(a) but substituting for the gross annual salary at paragraph 13(a)(i) the gross annual salary in the salaried employment in the UK to which they are returning; and also
  - (ii) On the basis set out in paragraph 15(b).
- (e) Where the person is self-employed, their gross annual income will be the total of their gross income from their self-employment (and that of their partner if that person is in the UK with permission to work), from any salaried or non-salaried employment they have had or their partner has had (if their partner is in the UK with permission to work), from specified non-employment income received by them or their partner, and from income from a UK or foreign State pension or a private pension received by them or their partner, in the last full financial year or as an average of the last two full financial years. The requirements of this Appendix for specified evidence relating to these forms of income shall apply as if references to the date of application were references to the end of the relevant financial year(s). The relevant financial year(s) cannot be combined with any financial year(s) to which paragraph 9 applies and vice versa.
- (f) Where the person is self-employed, they cannot combine their gross annual income at paragraph 13(e) with specified savings in order to meet the level of income required under Appendix FM.
- (g) Where the person is not relying on income from salaried employment or self-employment, their gross annual income will be the total of:
  - (i) The gross amount of any specified non-employment income (other than pension income) received by them or their partner in the 12 months prior to the date of application; and
  - (ii) The gross annual income from a UK or foreign State pension or a private pension received by them or their partner.
- (h) Where the person is the applicant's partner and is in self-employment outside the UK at the date of application and is returning to the UK to take up salaried employment in the UK starting within 3 months of their return, the person's gross annual income will be calculated:
  - (i) On the basis set out in paragraph 13(a) but substituting for the gross annual salary at paragraph 13(a)(i) the gross annual salary in the salaried employment in the UK to which they are returning; and also
  - (ii) On the basis set out in paragraph 13(e).
- (i) Any period of unpaid maternity, paternity, adoption, parental or sick leave in the 12 months prior to the date of application will not be counted towards any period relating to employment, or any period relating to income from employment, for which this Appendix provides.
- (j) The provisions of paragraph 13 which apply to self-employment and to a person who is self-employed also apply to income from employment and/or shares in a limited company based in the UK of a type to which paragraph 9 applies and to a person in receipt of such income.
- (k) Where the application relies on the employment income of the applicant and the sponsor, all of that income must be calculated either under subparagraph 13(a) or under sub-paragraph 13(b) and paragraph 15, and not under a combination of these methods.

14. Where the requirements of this Appendix and Appendix FM are met by the combined income or cash savings of more than one person, the income or the cash savings must only be counted once unless stated otherwise.

15. In respect of paragraph 13(b) and paragraph 13(d), the provisions in this paragraph also apply:

- (a) In order to evidence the level of gross annual income required by Appendix FM, the person must meet the requirements in paragraph 13(b) or paragraph 13(d)(i); and
- (b) The person must also meet the level of gross annual income required by Appendix FM on the basis that their income is the total of:
  - (i) The gross income from salaried employment in the UK or overseas earned by the person in the 12 months prior to the date of application;
  - (ii) The gross amount of any specified non-employment income (other than pension income) received by the person or their partner in the 12 months prior to the date of application;
  - (iii) The gross amount received from a UK or foreign State pension or a private pension by the person or their partner in the 12 months prior to the date of application; and
  - (iv) The person cannot combine the gross annual income at paragraph 15(b)(i)-(iii) with specified savings in order to meet the level of income required.

16. Where a person is in receipt of maternity, paternity, adoption or sick pay or has been so in the 6 months prior to the date of application, this paragraph applies:

- (a) the relevant date for considering the length of employment with their current employer will be the date that the maternity, paternity, adoption or sick leave commenced or the date of application; and
- (b) the relevant period for calculating income from their salaried employment will be the period prior to the commencement of the maternity, paternity, adoption or sick pay or to the date of application.

17. If a person is an equity partner, for example in a law firm, the income they draw from the partnership (including where this is in the form of a profit share) will be treated as salaried employment for the purposes of this Appendix and Appendix FM.

17A. Where a person is a subcontractor under the Construction Industry Scheme administered by HMRC and does not rely on paragraph 13(e), the income they receive as a subcontractor under the Construction Industry Scheme may be treated as income from salaried employment for the purposes of this Appendix and Appendix FM. In that case, the requirements for specified evidence in paragraph 2 must be met, subject to applying those requirements so as to reflect the person's status as a subcontractor under the Construction Industry Scheme.

18. When calculating income from salaried employment under paragraphs 12A and 13 to 16, this paragraph applies:

- (a) Basic pay, skills-based allowances, and UK location-based allowances will be counted as income provided that:
  - (i) They are contractual; and

- (ii) Where these allowances make up more than 30% of the total salary, only the amount up to 30% is counted.
- (b) Overtime, payments to cover travel time, commission-based pay and bonuses (which can include tips and gratuities paid via a tronc scheme registered with HMRC) will be counted as income, where they have been received in the relevant period(s) of employment or self-employment relied upon in the application.
- (bb) In respect of a person in salaried employment at the date of application, the amount of income in sub-paragraph (b) which may be added to their gross annual salary, and counted as part of that figure for the purposes of paragraph 13(a)(i) or 13(b)(i), is the annual equivalent of the person's average gross monthly income from that income in their current employment in the 6 months prior to the date of application.
- (c) Payments relating to the costs of UK or overseas travel, including (for example) travelling or relocation expenses and subsistence or accommodation allowances, and payments made towards the costs of living overseas, will not be counted as income.
- (d) Gross income from non-salaried employment will be calculated on the same basis as income from salaried employment, except as provided in paragraph 18(e) and 18(f), and the requirements of this Appendix for specified evidence relating to salaried employment shall apply as if references to salary were references to income from non-salaried employment. Non-salaried employment includes that paid at an hourly or other rate (and the number and/or pattern of hours required to be worked may vary), or paid an amount which varies according to the work undertaken, whereas salaried employment includes that paid at a minimum fixed rate (usually annual) and is subject usually to a contractual minimum number of hours to be worked.
- (e) For the purpose of paragraph 13(a)(i), in respect of a person in non-salaried employment at the date of application "the level of gross annual salary relied upon in the application" shall be no greater than the annual equivalent of the person's average gross monthly income from non-salaried employment in the 6 months prior to the date of application, where that employment was held throughout that period.
- (f) For the purpose of paragraph 13(b)(i), "the gross annual salary from employment as it was at the date of application" of a person in non-salaried employment at the date of application shall be considered to be the annual equivalent of:
  - (aa) the person's gross income from non-salaried employment in the period immediately prior to the date of application, where the employment has been held for a period of no more than one month at the date of application; or
  - (bb) the person's average gross monthly income from non-salaried employment, where the employment has been held for a period of more than one month at the date of application.
- (g) For the purpose of paragraphs 13(c)(ii) and 13(d)(i), "the gross annual salary in the salaried employment in the UK to which they are returning" of a person who is returning to the UK to take up non-salaried employment in the UK starting within 3 months of their return is the gross annual income from that employment, based on the rate or amount of pay, and the standard or core hours of work, set out in the document(s) from the employer provided

under paragraph 4. Notwithstanding paragraph 18(b), this may include the gross "on-target" earnings which may be expected from satisfactory performance in the standard or core hours of work.

19. When calculating income from self-employment under paragraphs 12A and 13(e), and in relation to income from employment and/or shares in a limited company based in the UK of a type to which paragraph 9 applies, this paragraph applies:

- (a) There must be evidence of ongoing self-employment, and (where income from salaried employment is also relied upon or where paragraph 9(c) applies) ongoing employment, at the date of application.
- (b) Where the self-employed person is a sole trader or is in a partnership or franchise agreement, the income will be the gross taxable profits from their share of the business in the relevant financial year(s), not including any deductible allowances, expenses or liabilities which may be applied to the gross taxable profits to establish the final tax liability.
- (c) Where income to which paragraph 19 applies is being used to meet the financial requirement for an initial application for leave to remain as a partner under Appendix FM by an applicant who used such income to meet that requirement in an application for entry clearance as a fiancé(e) or proposed civil partner under that Appendix in the last 12 months, the Secretary of State may continue to accept the same level and evidence of income to which paragraph 19 applies that was accepted in granting the application for entry clearance, provided that there is evidence of ongoing self-employment, and (where income from salaried employment is also relied upon or where paragraph 9(c) applies) ongoing employment, at the date of the application for leave to remain.
- (d) The financial year(s) to which paragraph 7 refers is the period of the last full financial year(s) to which the required Statement(s) of Account (SA300 or SA302) relates.
- (e) The financial year(s) to which paragraph 9 refers is the period of the last full financial year(s) to which the required Company Tax Return(s) CT600 relates.

20. When calculating income from specified non-employment sources under paragraphs 12A and 13 to 15, this paragraph applies:

- (a) Assets or savings must be in the name of the person, or jointly with their partner.
- (b) Any asset or savings on which income is based must be held or owned by the person at the date of application.
- (c) Any rental income from property, in the UK or overseas, must be from a property that is:
  - (i) owned by the person;
  - (ii) not their main residence and will not be so if the application is granted, except in the circumstances specified in paragraph 20(e); and
  - (iii) if ownership of the property is shared with a third party, only income received from their share of the property can be counted.
- (cc) The amount of rental income from property received before any management fee was deducted may be counted.
- (d) Equity in a property cannot be used to meet the financial requirement.

(e) Where the applicant and their partner are resident outside the UK at the date of application, rental income from a property in the UK that will become their main residence if the application is granted may only be counted under paragraph 13(c)(i) and paragraph 13(d)(ii).

(f) Any future entitlement to a maintenance grant or stipend of the type specified in paragraph 10(g) may be counted as though the person had received the annual amount of that grant or stipend in the 12 months prior to the date of application.

20A. When calculating the gross annual income from pension under paragraph 13, the gross annual amount of any pension received may be counted where the pension has become a source of income at least 28 days prior to the date of application.

21. When calculating income under paragraphs 13 to 16, the following sources will not be counted:

(a) Loans and credit facilities.

(b) Income-related benefits: Income Support, income-related Employment and Support Allowance, Pension Credit, Housing Benefit, Council Tax Benefit or Support (or any equivalent) and income-based Jobseeker's Allowance.

(c) The following contributory benefits: contribution-based Jobseeker's Allowance, contribution-based Employment and Support Allowance and Incapacity Benefit.

(cc) Unemployability Allowance, Allowance for a Lowered Standard of Occupation and Invalidity Allowance under the War Pension Scheme.

(d) Child Benefit.

(e) Working Tax Credit.

(f) Child Tax Credit.

(ff) Universal Credit.

(g) Any other source of income not specified in this appendix.

## Other sources of income, financial support or funds in exceptional circumstances

21A(1). Where paragraph GEN.3.1.(1) of Appendix FM applies, the decision-maker is required to take into account the sources of income, financial support or funds specified in sub-paragraph (2).

(2) Subject to sub-paragraphs (3) to (8), the following sources of income, financial support or funds will be taken into account (in addition to those set out in, as appropriate, paragraph E-ECP.3.2., E-LTRP.3.2., E-ECC.2.2. or E-LTRC.2.2. of Appendix FM):

(3) Where the applicant is a child:

- (a) other references in this paragraph to “applicant” mean the “applicant’s parent” under paragraph E-ECC.1.6. or E-LTRC.1.6. of Appendix FM; and
  - (b) references in this paragraph to “partner” refer to the “applicant’s parent’s partner” under those paragraphs.
- (4) The onus is on the applicant to satisfy the decision-maker of the genuineness, credibility and reliability of the source of income, financial support or funds relied upon, on the basis of the information and evidence provided, having regard (in particular, but without limitation) to the factors set out below.
- (5) The source of income, financial support or funds must not be a loan, unless evidence submitted with the application shows that:
- (a) the source is a mortgage on a residential or commercial property in the UK or overseas which at the date of application is owned by the applicant, their partner or both, or by the third party to whom sub-paragraph (2)(a) refers;
  - (b) the mortgage is provided by a financial institution regulated by the appropriate regulatory body for the country in which that institution is operating; and

- (8) In determining the genuineness, credibility and reliability of the source of income, financial support or funds relied upon under sub-paragraph (2), the decision-maker will take into account all the information and evidence provided, and will consider (in particular):
- (a) in respect of a guarantee of sustainable financial support from a third party:
    - (i) whether the applicant has provided verifiable documentary evidence from the third party in question of their guarantee of financial support;
    - (ii) whether that evidence is signed, dated and witnessed or otherwise independently verified;
    - (iii) whether the third party has provided sufficient evidence of their general financial situation to enable the decision-maker to assess the likelihood of the guaranteed financial support continuing for the period of limited leave applied for;
    - (iv) whether the third party has provided verifiable documentary evidence of the nature, extent and duration of any current or previous financial support which they have provided to the applicant or their partner;
    - (v) the extent to which this source of financial support is relied upon by the applicant to meet the financial requirement in paragraph E-ECP.3.1., E-LTRP.3.1., E-LTRP.3.7., E-ECC.2.1., E-ECC.2.5., E-LTRC.2.1. or E-LTRC.2.5. of Appendix FM (as applicable); and

- (b) in respect of prospective earnings from sustainable employment or self-employment of the applicant or their partner:
  - (i) whether, at the date of application, a specific offer of employment has been made, or a clear basis for self-employment exists.   - (ii) whether the applicant has provided verifiable documentary evidence of the offer of employment or the basis for self-employment, and, if so, whether that evidence:
    - (aa) is on the headed notepaper of the company or other organisation offering the employment, or of a company or other organisation which has agreed to purchase the goods or services of the applicant or their partner as a self-employed person;
    - (bb) is signed, dated and witnessed or otherwise independently verified;
    - (cc) includes (in respect of an offer of employment) a signed or draft contract of employment;
    - (dd) includes (in respect of self-employment) any of a signed or draft contract for the provision of goods or services; a signed or draft partnership or franchise agreement; an application to the appropriate authority for a licence to trade; or details of the agreed or proposed purchase or rental of business premises;
  - (iii) whether, in respect of an offer of employment in the UK, the applicant has provided verifiable documentary evidence:
    - (aa) of a relevant employment advertisement and employment application;
    - (bb) of the hours to be worked and the rate of gross pay, which that evidence must establish equals or exceeds the National Living Wage or the National Minimum Wage (as applicable, given the age of the person to be employed) and equals or exceeds the going rate for such work in that part of the UK; and
    - (cc) which enables the decision-maker to assess the reliability of the offer of employment, including in light of the total size of the workforce and the turnover (annual gross income or sales) of the relevant company or other organisation;
  - (iv) whether the applicant has provided verifiable documentary evidence that at the date of application, the person to be employed or self-employed is in, or has recently been in, sustained employment or self-employment of the same or a similar type, of the same or a similar level of complexity and at the same or a similar level of responsibility;
  - (v) whether the applicant has provided verifiable documentary evidence that the person to be employed or self-employed has relevant professional, occupational or educational qualifications and that these are recognised in the UK;

- (vi) whether the applicant has provided verifiable documentary evidence that the person to be employed or self-employed has the level of English language skills such prospective employment or self-employment is likely to require;
  - (vii) the extent to which this source of income is relied upon by the applicant to meet the financial requirement in paragraph E-ECP.3.1., E-LTRP.3.1., E-LTRP.3.7., E-ECC.2.1., E-ECC.2.5., E-LTRC.2.1. or E-LTRC.2.5. of Appendix FM (as applicable); and
  - (viii) where an offer of employment is relied upon, and where the proposed employer is a family member or friend of the applicant or their partner, the likelihood of a relevant change in that relationship during the period of limited leave applied for.
- (c) in respect of any other credible and reliable source of income or funds for the applicant or their partner:
- (i) whether the applicant has provided verifiable documentary evidence of the source;
  - (ii) whether that evidence is provided by a financial institution regulated by the appropriate regulatory body for the country in which that institution is operating, and is signed, dated and witnessed or otherwise independently verified;
  - (iii) where the income is or the funds are based on, or derived from, ownership of an asset, whether the applicant has provided verifiable documentary evidence of its current or previous ownership by the applicant, their partner or both;
  - (iv) whether the applicant has provided sufficient evidence to enable the decision-maker to assess the likelihood of the source of income or funds being available to them during the period of limited leave applied for; and
  - (v) the extent to which this source of income or funds is relied upon by the applicant to meet the financial requirement in paragraph E-ECP.3.1., E-LTRP.3.1., E-LTRP.3.7., E-ECC.2.1., E-ECC.2.5., E-LTRC.2.1. or E-LTRC.2.5. of Appendix FM (as applicable).

- (a) An applicant for entry clearance, limited leave to enter or remain or indefinite leave to remain as a partner under Appendix FM (except as a fiancé(e) or proposed civil partner) or Appendix Settlement Family Life intends to enter or remain in the UK to begin their probationary period (or has done so) and then to live outside the UK for the time being with their sponsor (or is doing so or has done so) before the couple live together permanently in the UK; and

## Evidence of English Language Requirements

27. The evidence required of passing an English language test in speaking and listening (at a minimum of level A1 or A2 (as the case may be) of the Common European Framework of Reference for Languages) with a provider approved by the Secretary of State, where the applicant relies on that pass to meet an English language requirement, is confirmation on the on-line verification system operated by an approved English language test provider and at an approved Secure English Language Test centre that:

- (i) the applicant has passed such a test; and
- (ii) that test was an English language test in speaking and listening which is approved by the Secretary of State and was taken no more than two years before the date of application and at a test centre approved by the Secretary of State as a Secure English Language Test Centre or if they have already shown they met the requirement in this manner at the level required for their current application, in a previous successful application for entry clearance or permission to stay.

28. The evidence required to show that a person is a citizen or national of a majority English speaking country is a valid passport or travel document, unless paragraphs 29 and 30 apply. A dual national may invoke either of their nationalities.

29. If the applicant has not provided their passport or travel document other evidence of nationality can be supplied in the following circumstances only (as indicated by the applicant on their application form):

- (a) where the passport or travel document has been lost or stolen;

- (b) where the passport or travel document has expired and been returned to the relevant authorities; or
- (c) where the passport or travel document is with another part of the Home Office.

30. Alternative evidence as proof of nationality, if acceptable, must be either:

- (a) A current national identity document; or
- (b) A letter from the applicant's national government, Embassy or High Commission confirming the applicant's full name, date of birth and nationality.

31. Evidence of an academic qualification under paragraphs 284(ix)(c), (d) and (e), 290 (viii) (c), (d) and (e) and 295D(xi)(c), (d) and (e) of Part 8 and paragraphs E-ECP.4.1.(c), E-LTRP.4.1.(c), E-LTRP.4.1A.(c), E-ECPT.4.1.(c), E-LTRPT.5.1.(c) and ELTRPT.5.1A.(c) of Appendix FM must be:

- (a) a certificate issued by the relevant institution confirming the award of the academic qualification showing:
  - (i) the applicant's name;
  - (ii) the title of award;
  - (iii) the date of award; and
  - (iv) the name of the awarding institution; or
- (b) if the applicant is awaiting graduation or no longer has the certificate and cannot obtain a new one, either:
  - (i) an academic reference from the institution awarding the academic qualification that:
    - 1) is on official letter headed paper;
    - 2) shows the applicant's name;
    - 3) shows the title of award;
    - 4) explains when the academic qualification has been, or will be, awarded; and
    - 5) confirms either the date that the certificate will be issued (if the applicant has not yet graduated) or that the institution is unable to re-issue the certificate of award; or
  - (ii) an academic transcript that:
    - (1) is on official letter headed paper;
    - (2) shows the applicant's name;
    - (3) shows the name of the academic institution;
    - (4) shows the course title; and
    - (5) confirms either the date that the certificate will be issued (if the applicant has not yet graduated) or that the institution is unable to re-issue the certificate of award; and
- (c) if the qualification was awarded by an educational establishment outside the UK, a document from Ecctis which confirms that the qualification meets or exceeds the recognised standard of a Bachelor's or Master's degree or PhD in the UK and was taught or researched in English to level A1 or A2 (as the case may be) of the Common Framework of Reference for Languages or above.

32. If the qualification was taken in one of the following countries, it will be assumed for the purpose of paragraph 31 that it was taught or researched in English: Antigua and Barbuda, Australia, the Bahamas, Barbados, Belize, the British Overseas

Territories, Dominica, Grenada, Guyana, Ireland, Jamaica, New Zealand, St Kitts and Nevis, St Lucia, St Vincent and the Grenadines, Trinidad and Tobago, the UK, the USA; Malta.

32A. For the avoidance of doubt paragraphs 27 to 32D of this Appendix apply to fiancé(e), proposed civil partner, spouse, civil partner, unmarried partner and same sex partner applications for limited leave to enter or remain made under Part 8 of these Rules where English language requirements apply, regardless of the date of application. Paragraphs 27 to 32D of this Appendix also apply to spouse, civil partner, unmarried partner and same sex partner applications which do not meet the requirements of Part 8 of these Rules for indefinite leave to remain (where the application is for indefinite leave to remain) and are being considered for a grant of limited leave to remain where paragraph A277A(b) of these Rules applies. Any references in paragraphs 27 to 32D of this Appendix to “limited leave to enter or remain” shall therefore be read as referring to all applicants referred to in this paragraph.

32B. Where the decision-maker has:

- (a) reasonable cause to doubt that an English language test in speaking and listening at a minimum of level A1 or A2 (as the case may be) of the Common Framework of Reference for Languages relied on at any time to meet a requirement for limited leave to enter or remain in Part 8 or Appendix FM was genuinely obtained; or
  - (b) information that the test certificate or result awarded to the applicant has been withdrawn by the test provider for any reason, or
  - (c) from an approved test centre,
- the decision-maker may discount the test certificate or result and require the applicant to provide a new test certificate or result from an approved provider which shows that they meet the requirement, if they are not exempt from it.

32C. If an applicant applying for limited leave to enter or remain under Part 8 or Appendix FM submits an English language test certificate or result which has ceased by the date of application to be:

- (a) from an approved test provider, or
- (b) in respect of an approved test, or
- (c) from an approved test centre, the decision-maker will not accept that certificate or result as valid, unless the decision-maker does so in accordance with paragraph 32D of this Appendix and subject to any transitional arrangements made in respect of the test provider, test or test centre in question.

32D. If an applicant applying for limited leave to enter or remain under Part 8 or Appendix FM submits an English language test certificate or result and the Home Office has already accepted it as part of a successful previous application in any route (but not where the application was refused, even if on grounds other than the English language requirement), the decision-maker will accept that certificate or result as valid if it is:

- (a) from a provider which is no longer approved, or
- (b) from a provider who remains approved but the test the applicant has taken with that provider is no longer approved, or

(c) from a test centre which is no longer approved, or  
(d) past its validity date (if a validity date is required), provided that it is at or above the requisite level of the Common European Framework of Reference for Languages and when the subsequent application is made the award to the applicant does not fall within the circumstances set out in paragraph 32B of this Appendix.

## Appendix Electronic Travel Authorisation

An Electronic Travel Authorisation (ETA) is required by specified nationals in advance of travel to the UK.

The holder of an ETA will need to obtain permission to enter on arrival in the UK but can be refused entry if they require an ETA and do not have one.

An application for an ETA may be granted through automated processing. A person who is refused an ETA has not been refused permission to enter the UK and will need to apply for a visa if they wish to come to the UK.

A person who already holds a valid entry clearance, or permission to enter or stay, is not required to obtain an ETA.

The ETA application process opened on 25 October 2023 for nationals set out at Immigration Rules Appendix ETA National List ETANL 1.1(a) who intend to travel to the UK on or after 15 November 2023.

The ETA application process then opened on 1 February 2024 for nationals set out at Immigration Rules Appendix ETA National List ETANL 1.1(b) who intend to travel to the UK on or after 22 February 2024.

The ETA application process will open on 27 November 2024 for nationals set out at Immigration Rules Appendix ETA National List ETANL 1.1(c) who intend to travel to the UK on or after 8 January 2025.
