Product Description	A black and yellow cordless spraying device with rechargeable lithium-ion batteries and carry case.
Country of Origin	China
Counterfeit	Unknown
Risk Level	Serious
Risk Type	Fire
Risk Description	The product presents a risk of fire as the plug is not fitted with an overcurrent protective device (fuse). The lack of fuse protection means that the product may not cut off electricity under fault conditions. This may result in the appliance overheating and catching fire. Some of the required documentation and markings were not present. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016 or the Plugs & Sockets (Safety) Regulations 1994.
Corrective Measures	The import has been rejected at the border and destroyed.
