Dear

Thank you

Thank you for taking part in the National Travel Survey.

We really appreciate the time you have taken to share your answers with us. We hope you found the survey interesting and enjoyable.

What happens with the results?

The information you have supplied will form part of a crucial source of data for the Department for Transport. We will use the findings to help make decisions about travel services across the country. The findings from the survey will also be used extensively by academics, charities and public interest groups, both here in the UK and throughout the world to understand more about how and why people travel in this country.
