

Instructions for Use

Inventory Check - MOD Form/Format 770(WLG)

1. MOD Form/Format 770(WLG) is used to record inventory checks of a glider. The entries are to be authorized by the Viking CAMO (in consultation with the Glider DT) and specified in the Viking CAMO Pt. M Orders.
2. MOD Forms/Formats 770(WLG) are to be inserted and removed from the MOD Form 700C in accordance with the instructions for controlled forms on MOD Form 799/1.
3. Inventory checks are to be completed:
 - a. Prior to dispatching from Depth or transferring between VGS.
 - b. Annually (Detailed on MOD Form 721B).
 - c. As detailed by local management including Viking CAMO.
