

To whom it may concern

We live at [REDACTED] my wife and myself we object the application 25/13332/PINS for planning of a detached bungalow at the rear garden of 87 Queens hill Road, Bristol BS4 2XQ,

Our objection is mainly Health & Safety we have a school just up the road the traffic is very heavy already and parking when its drop off and collecting the children on a daily basics,

Where they would like to build the bungalow is a footpath to the school there are problems already with parents parking over residents drive ways it is a very congestive area in the morning lunch time and home time,

I understand 89 Queens hill will be applying for a detached bungalow this will also cause concern for the children going to and from school it will also affect [REDACTED] and I have a dog and birds in an Avery.

Kind regards
