Notes to the accounts

(see notes 82 and 83)

All notes to the accounts must be entered on or attached to this part of the return.

Notes to the Financial Statements Year Ended 31 December 2024

1 INFORMATION IN RESPECT OF THE UNION

The National Union of Rail, Maritime and Transport Workers is a trade union registered in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992 with its head office at Unity House, 39 Chalton Street, London NW1 1.JD.

2 ACCOUNTING FRAMEWORK

The financial statements have been prepared in accordance with FRS102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS102"). The financial statements have been prepared under historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to the financial statements.

Trade Unions are governed by the Trade Union and Labour Relations (Consolidation Act) 1992 Amended. Under that Act the financial statements of Trade Unions are required to give a true and fair view. Therefore, the financial statements of Trade Unions are prepared under FRS102. However, as a Trade Union is not a company the Regulations that form the basis of disclosures under FRS102 have been adapted as considered necessary to ensure the financial statements give a true and fair view to the members of the Trade Union.

3 PRESENTATION CURRENCY

The accounts are presented in sterling and rounded to the nearest thousand Pounds.

4 GOING CONCERN

The activities of the Union, together with the factors likely to affect its future development and performance are set out in the General Secretary's report. The financial position of the Union, its cashflow and liquidity are presented in the Financial Statements and accompanying Notes.

The National Executive Committee has considered the effect of tough current economic climate and future of railways, and they have a reasonable expectation that the Union can meet its short-term liabilities as they fall due and has sufficient cash reserves and funds for operational purposes for a period of at least twelve months from the date of approval of these financial statements. For this reason, we continue to adopt the going concern basis in the preparation of the Financial Statements.

5 SIGNIFICANT ACCOUNTING POLICIES

The accounts have been prepared under the historical cost convention, as modified to include the revaluation of certain fixed assets, and in accordance with the specific accounting policies set out below.

(a) Contribution income

Contributions are accounted for on an accruals basis.

Notes to the Financial Statements Year Ended 31 December 2024

5 SIGNIFICANT ACCOUNTING POLICIES (continued)

(b) Expenditure

Expenditure in the accounts is presented inclusive of VAT where applicable.

(c) Investment income

Income from the Union's investments in equity and debt instruments and rental property is accounted for on an accruals basis.

(d) Taxation

Current tax is payable on the excess of interest income, rental income and chargeable gains arising on the disposal of properties and investments over expenditure on the provident benefits and reinvested chargeable gains for the year. Current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

Deferred tax liabilities are generally recognised for all timing differences and deferred tax assets are recognized to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable income. Deferred tax is calculated at the tax rates that are expected to apply in the period where the liability is settled or the asset is realised. Deferred tax is charged or credited in the income and expenditure accounts.

The Union has adopted a reinvestment policy whereby all realised proceeds on the disposal of investments are reinvested into other chargeable assets, thereby eliminating any current tax liability and thereby the need for the recognition of a deferred tax liability. Where the proceeds are not fully reinvested no current tax liability is considered likely to arise due to expenditure on provident benefits exceeding any chargeable gains that might arise.

(e) Tangible fixed assets

Tangible fixed assets are initially measured at cost. Office equipment and the land and buildings comprising the Union's Education Centre are subsequently measured at cost and the Union's office buildings (including Head Office) are subsequently measured at valuation, in all cases net of depreciation and any impairment losses. At each reporting date, the Union reviews the carrying amounts of its tangible fixed assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Impairment losses are recognized in the income and expenditure account.

Depreciation is provided on all tangible fixed assets, except freehold land, to write off the cost or valuation, less estimated residual value, on a straight line basis over the estimated useful lives of the assets. The rates applied are as follows:

Freehold buildings

2% per annum

Office equipment

20% per annum

Notes to the Financial Statements

Year Ended 31 December 2024

5 SIGNIFICANT ACCOUNTING POLICIES (continued)

The gain or loss arising on the disposal of a tangible fixed asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the income and expenditure account.

(t) Investment properties

Investment properties are initially measured at cost and subsequently measured at fair value. Changes in the fair value of investment properties are recognised in the income and expenditure account.

(g) Financial assets and liabilities

Financial assets and liabilities are grouped as either "Basic financial assets or liabilities" or "Other financial assets or liabilities" based on their particular characteristics and are accounted for accordingly.

Basic financial assets

Basic financial assets include cash and bank balances, trade and other debtors, and the Union's investments in listed and unlisted equity and debt instruments.

Basic financial assets are initially measured at transaction price and subsequently measured at cost less any impairment losses. Listed investments are initially measured at fair value, which is normally the transaction price, and subsequently measured at fair value (market value). Changes in the fair value of listed investments are recognised in the income and expenditure account. Investments are the only financial instrument carried at fair value.

Impairment of financial assets

At each reporting date, the Union reviews the carrying amounts of all financial assets carried at cost to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Impairment losses are recognised in the income and expenditure account.

Basic financial liabilities

Basic financial liabilities include trade and other creditors and bank loans. Basic financial liabilities are initially measured at transaction price and subsequently measured at cost. Debt instruments repayable in more than one year, including bank loans, are subsequently measured at amortized cost using the effective interest method, in order to systematically allocate the interest expense over the expected repayment period of the debt.

(h) Post-employment benefits

The Union recognizes the present value of its defined benefit pension obligations, net of the fair value of plan assets, as its "net defined benefit pension liability" on the balance sheet and the net change in that liability during the period in the income and expenditure account or as other comprehensive income as appropriate depending on the nature of the change.

Notes to the Financial Statements Year Ended 31 December 2024

5 SIGNIFICANT ACCOUNTING POLICIES (continued)

The Union measures the cost of its pension obligations using the projected unit credit method which incorporates a number of actuarial assumptions and is discounted to present value using an appropriate discount rate derived from the rate of return on a high quality corporate bond of the same currency and a term similar to the estimated period of the future payments. It is the Union's policy to engage an independent actuary to perform the detailed actuarial calculations necessary to value its defined benefit pension obligations.

The change in the net defined benefit pension liability arising from employee service rendered during the reporting period is recognised in the income and expenditure account within the operating result; the net interest on the net defined benefit pension liability during the reporting period is recognised in the income and expenditure account within income from investment operations; and the remeasurement of the net defined benefit liability, including actuarial gains and losses, is recognised in other comprehensive income.

The value of a net pension benefit asset is limited to the amount that may be recovered either through reduced contributions or agreed refunds from the scheme. The Union does not have an unconditional right to refund on the winding up of the scheme. Consequently, the surplus on the scheme has not been recognized.

(i) Orphan Fund

A provision is included within the accounts for future payments to orphans where agreement has been made to fund the orphans at the balance sheet date. This is calculated based on assumptions including discount rates and date of termination of orphan benefits.

6 JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of its accounting policies, the Union is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. All significant estimates and underlying assumptions are reviewed on an ongoing basis and the relevant carrying amounts of assets and liabilities are revised to reflect any changes.

As at 31 December 2024 the carrying amounts of the following assets and liabilities were subject to judgement or to estimation uncertainty:

Unquoted investments are disclosed at their original cost or current value as determined by, either an independent third party or by the next asset value per share as approved by the board of the bank (Unity Trust Bank).

Notes to the Financial Statements Year Ended 31 December 2024

6 JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY (continued)

The fair values of the Union's investment properties and other land and buildings, as included in note 11 and note 12 to the accounts, cannot be directly observed. In order to manage the resulting estimation uncertainty the Union engages independent valuers to provide all material valuations. As at 31 December 2024 a valuation of the Union's property was undertaken by the National Executive Committee.

Unrealised valuation increases relating to investments and investment properties would potentially give rise to chargeable gains on the sale of the asset, but any potential liability to tax is eliminated if the proceeds of sale are reinvested in other chargeable assets used for provident purposes. The tax on any proceeds which are not reinvested is reduced by indexation allowances and any balance can also be offset against expenditure on provident benefits. Deferred tax has not been provided for potential chargeable gains because the Union is satisfied that proceeds of the sale of all related assets can be substantially reinvested, sufficient that any remaining balance can be offset against allowance or expenses. Therefore, no unrealized gain at 31 December 2024 is expected to give rise to a liability to tax.

The cost of defined benefit pension plans is determined using actuarial valuation. The actuarial valuation involves making assumptions about discount rates, future salary increases, mortality rates and future pension increases. Due to the complexity of the valuation, the underlying assumptions and the long-term nature of these plans, such estimates are subject to significant uncertainty. In determining the appropriate discount rate, management considers the interest rates of corporate bonds in the respective currency with at least AA rating, with extrapolated maturities corresponding to the expected duration of the defined benefit obligation. The underlying bonds are further reviewed for quality, and those having excessive credit spreads are removed from the population bonds on which the discount rate is based, on the basis that they do not represent high quality bonds. The mortality rate is based on publicly available mortality tables for the specific country. Future salary increases and pension increases are based on expected future inflation rates for the respective country. Further details are given in note 16.

The difference between the market value of the assets of the Pension Fund and the present value of accrued pension liabilities is shown as an asset or liability on the balance sheet, except that an asset is only recognised where the union has the sole right to determine the use of surplus of assets over liabilities.

Notes to the Financial Statements

Year Ended 31 December 2024

| 7 | CONTRIBUTIONS | 2024 £'000 | 2023 £'000 |
|---|---|---------------|---------------|
| | General Fund Orphan Fund | 18,434 329 | 17,751 329 |
| | Political Fund | 219 18,982 | 222 |
| | Contributions to the General Fund were made up as follows:- | 10,702 | 10,502 |
| | National Dispute Fund | 25 | 197 |
| | Legal Fund | 249 | 148 |
| | Other | 18,160 | 17,406 |
| | | 18,434 | 17,751 |

The Union's expenditure in respect of Dispute Fund payments and member legal costs is set out in Note 8.

10 TAXATION

Current tax

No Corporation Tax liability arises as the cost of provident benefits provided by the Union in the year is in excess of taxable income.

Deferred tax

Unrealised valuation increases relating to investments and investment properties would potentially give rise to chargeable gains on the sale of the asset, but any potential liability to tax is eliminated if the proceeds of sale are reinvested in other chargeable assets used for provident purposes. The tax on any proceeds which are not reinvested is reduced by indexation allowances and any balance can also be offset against expenditure on pro, dent benefits. Deferred tax has not been provided for potential chargeable gains because the Union is satisfied that proceeds of the sale of all related assets can be substantially reinvested, sufficient that any remaining balance can be offset against allowance or expenses. Therefore, no unrealized gain at 31 December 2024 is expected to give rise to a liability to tax.

Notes to the Financial Statements

Year Ended 31 December 2024

11 TANGIBLE FIXED ASSETS (continued)

All land and buildings are freehold.

Cost or valuation in respect of other land and buildings reflects the following:

The National Education Centre, Doncaster, is carried at its historic cost of £3,753,000 plus additions less accumulated depreciation.

All other properties were valued as at 31 December 2024 by the NEC, based on the full valuation undertaken by Centrik Commercial, CBRE, BTF, Keppie Massie and Ryden (all RICS Registered Valuers) as at 31 December 2024 which was conducted on the basis of fair value in use.

A provision is included in the balance sheet in respect of financial obligations in connection with the Orphan Fund of $\pm 1,153k$ (2023: $\pm 1,240k$). The movement during the year of $\pm 87k$ was the result of changes in discount rates.

Notes to the Financial Statements Year Ended 31 December 2024

16 POST-EMPLOYMENT BENEFITS

The Union operates a defined benefit pension scheme for its employees and officials. The assets of the scheme are held in trustee administered funds separate from the Union's finances.

In addition to the funded scheme, the Union has granted unfunded supplementation benefits to certain historic pensioners of the National Union of Railwaymen.

The details of both of these schemes are given in the following notes.

The National Union of Rail, Maritime & Transport Workers Pension Scheme

From 1 January 1991, the Fund incorporates the assets and liabilities of the National Union of Railwaymen's Employee's Superannuation Fund. From 31 January 2008 the Fund incorporates The National Union of Seamen - Officials' and Employees' Superannuation Fund.

The Fund is a funded defined benefit scheme providing benefits based on final pensionable salary. The basis of determining the final pension and the rates at which the member and the Union provides contributions differ depending on when the member entered the Fund. Contribution rates are determined by the Fund's actuary. A salary sacrifice arrangement is now in place resulting in the Union making contributions on behalf of members and members having a corresponding reduction in pay.

The Union pays additional employer contributions of £490,000 per annum until 31 March 2025.

Notes to the Financial Statements

Year Ended 31 December 2024

16 POST-EMPLOYMENT BENEFITS (continued)

The most recent actuarial valuation was carried out as at 31 December 2020. This valuation showed that the fair value of the assets of the Fund was £75.7 million. The estimated actuarial value of the liabilities is assessed as being £76.6 million, which represents a deficit of £1 million and a funding level of 99%, compared to the projected liabilities. The next triennial actuarial valuation will be performed as at 31 December 2024.

Independent actuaries have been appointed by the Union in order to measure the defined benefit pension obligation for the purpose of these accounts as at 31 December 2024. The result of this is reported below.

The difference between the market value of the assets of the Pension Fund and the present value of accrued pension liabilities is shown as an asset or liability on the balance sheet, except that an asset is only recognised where the union has the sole right to determine the use of surplus of assets over liabilities. The FRS102 valuation method gave a surplus of £2.8m, however, the scheme rules and trust deed does not unconditionally give the employer the right to the asset by way of a refund or in the form of reduced contributions. Therefore the asset has not been recognised in the accounts and this asset ceiling adjustment is shown within Other Comprehensive Income.

Net defined benefit pension Liability at the balance sheet date

| | 2024 | 2023 |
|--|----------|----------|
| | £'000 | £'000 |
| Fair value of scheme assets | 58,392 | 58,643 |
| Present value of defined benefit pension obligations | (45,593) | (55,860) |
| Asset ceiling adjustment | (12,799) | (2,783) |
| Net defined benefit pension liability | | - |

Reconciliation of opening and closing balances of the present value of defined benefit pension obligations

| Scheme liabilities at end of year | 45,593 | 55,860 |
|-------------------------------------|----------|---------|
| Actuarial (gain)/loss | (11,190) | 1,389 |
| Actual contributions - members | 11 | 18 |
| Interest expense | 2,506 | 2,536 |
| Benefits paid | (2,874) | (3,028) |
| Current service cost | 1,280 | 1,252 |
| Scheme liabilities at start of year | 55,860 | 53,693 |
| | £'000 | £'000 |
| | 2024 | 2023 |
| | | |

The current service cost is the cost to the Union of pension rights earned by members of the scheme in the year.

Year Ended 31 December 2024

16 POST-EMPLOYMENT BENEFITS (continued)

Analysis of scheme assets

| | Fair values | |
|---|-------------|---------------|
| | 2024 | 2023 |
| | £'000 | £'000 |
| Equity securities | 23,222 | 20.937 |
| Debt securities | 29,232 | 32,292 |
| Other (includes investments in diversified growth funds, alternatives and cash) | 5,938 | 5,414 |
| Total fair value of scheme assets | 58,392 | <i>58,643</i> |

The return on scheme assets for the year was a gain of £891,000 (2023: gain of £4,636,000).

The principal actuarial assumptions used at the balance sheet date were:

| | 2024 | 2023 |
|--|-----------|----------|
| | % | % |
| Rate of increase in pensionable salaries | 3.10 | 4.00 |
| Rate of increase in pensions in payment | 3.10 | 3.00 |
| Rate of increase of deferred benefits | 2.80 | 2.65 |
| Discount rate for scheme liabilities | 5.50 | 4.55 |
| Rate of inflation (RPI/CPI) | 3.10/2.80 | 3.0/2.65 |

Unfunded supplementation to historic pensioners of the National Union of Railwaymen

Benefit supplementation was awarded to certain historic members of the National Union of Railway men's Employees' Superannuation Fund to provide cost of living increases. The benefits are unfunded and are payable directly by the Union. No new members accrue further supplementation.

Total cost of the scheme for the year analysed between the amounts recognised in the income and expenditure account and other comprehensive income:

| Income and expenditure account | 2024 | 2023 |
|---|-------|-------|
| | £'000 | £'000 |
| Investment income | | |
| Interest expense on scheme liabilities | 10 | 10 |
| Total amount recognised in the income and expenditure account | 10 | 10 |
| Remeasurement of defined benefit pension liability recognised in other comprehensive income | 2024 | 2023 |
| | £'000 | £'000 |
| Actuarial loss/ (gain) | (11) | 27 |
| Total amount recognised in other comprehensive income | (11) | 27 |

Notes to the Financial Statements

Year Ended 31 December 2024

16 POST-EMPLOYMENT BENEFITS (continued)

The principal actuarial assumptions used at the balance sheet date were:

| Rate of increase in pensions in payment Discount rate for scheme liabilities Rate of inflation (RPI) | 2024 % 3.10 5.50 3.10 | 2023 % 3.00 4.55 3.00 |
|--|--|-----------------------------------|
| Independent actuaries appointed by the Union have valued the Union's obligatio supplementation rights as at 31 December 2024. The result of this, valuation is | ns arising from these s reported below. | |
| Defined benefit pension liability at the balance sheet date | 2024 | 2023 |
| Present value of defined benefit pension obligations | £'000 192 | £'000 233 |
| Reconciliation of opening and closing balances of the present value of defined benefit pension obligations | | |
| | 2024 | 2023 |
| | £'000 | £'000 |
| Scheme liabilities at start of year | 233 | 238 |
| Interest expense | 10 | 10 |
| Actual benefit payments by the Union | (40) | (42) |
| Actuarial loss/ (gain) | (11) | 27 |

17 CONTINGENT LIABILITY – Deferred tax

Scheme liabilities at end of year

As explained in note 10, no tax liabilities are expected to arise on the realization of Unrealised valuation increases on investments and investment properties. If the Unrealised valuation increases at 31 December 2024 were all to give rise to chargeable gains less indexation) the maximum liability to tax would be £5,368k (2023: £5,368k).

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE NATIONAL UNION OF RAIL, MARITIME & TRANSPORT WORKERS

Opinion

We have audited the financial statements of the National Union of Rail, Maritime & Transport Workers (the 'Union') for the year ended 31 December 2024 which comprise the Income and Expenditure Account

- Combined Funds, Income and Expenditure Account- General Fund, Income and Expenditure Account
- Orphan Fund, Income and Expenditure Account Political Fund, the Balance Sheet, Cash Flow Statement, Statement of Movement in Funds and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice)

In our opinion the financial statements:

- give a true and fair view of the state of the Union's affairs as at 31 December 2024 and of its income and expenditure for the year then ended; and
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the National Executive Committee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Union's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the National Executive Committee with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The National Executive Committee is responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE NATIONAL UNION OF RAIL, MARITIME & TRANSPORT WORKERS

the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Trade Union and Labour Relations (Consolidation) Act 1992 (Amended) requires us to report to you if, in our opinion:

- · a satisfactory system of control over transactions has not been maintained; or
- the Union has not kept proper accounting records; or
- · the financial statements are not in agreement with the books of account; or
- we have not received all the information and explanations we need for our audit.

Responsibilities of the National Executive Committee

As explained more fully in the Statement of the National Executive Committee's Responsibilities, the National Executive Committee is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the National Executive Committee determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the National Executive Committee are responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the National Executive Committee either intend to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Based on our understanding of the Union and the environment in which it operates, we identified that the principal risks of non-compliance with laws and regulations related to Trade Union legislation, data protection regulations and employment law, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Trade Union and Labour Relations (Consolidation) Act 1992 and corporation tax regulations.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE NATIONAL UNION OF RAIL, MARITIME & TRANSPORT WORKERS

We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to inappropriate journal entries in respect of revenue recognition. Audit procedures performed by the engagement team included:

- Inspecting correspondence with regulators and tax authorities;
- Discussions with management including consideration of known or suspected instances of noncompliance with laws and regulation and fraud;
- Evaluating management's controls designed to prevent and detect irregularities;
- Identifying and testing journals, in particular journal entries with unusual descriptions; and
- Challenging assumptions and judgements made by management in their critical accounting estimates.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the Financial Reporting Council's website at: https://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Union's members, as a body. Our audit work has been undertaken so that we might state to the Union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Union and the Union's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Membership audit certificate

made in accordance with section 24ZD of the Trade Union and Labour Relations (Consolidation) Act 1992

(See notes 97 to 103)

At the end of the reportign period proceding the one to which this audit relates was the total membership of the trade union greater than 10,000?

Yes

If "YES" please complete SECTION ONE below or provide the equivalent information on a separate document to be submitted with the completed AR21

If "NO" please complete SECTION TWO below or provide the equivalent information on a separate document to be submitted with the completed AR21

Membership audit certificate Section one

For a trade union with more than 10,000 members, required by section 24ZB of the 1992 Act to appoint an independent assurer

In the opinion of the assurer appointed by the trade union was the union's system for compiling and maintaining its register of the names and addresses of its members satisfactory to secure, so far as is reasonably practicable, that the entries in its register were accurate and up-to-date throughout the reporting period?

Yes

In the opinion of the assurer has he/she obtained the inforamation and explanations necessary for the performance of his/her functions?

Yes

If the answer to either questions 1 or 2 above is "NO" the assurer must:

- (a) set out below the assurer's reasons for stating that
- (b) provide a description of the information or explanation requested or required which has not been obtained
- (c) state whether the assurer required that information or those explanations from the union's officers, or officers of any of its branches or sections under section 24ZE of the 1992 Act
- (d) send a copy of this certificate to the Certification Officer as soon as is reasonably practicable after it is provided to the union.
