Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the surrender in part of an environmental permit.

Yorkshire Water are partially surrendering an area of this installation as part of a project to introduce a gas to grid plant on site. It has been confirmed as a low-risk partial surrender and a new site plan has been submitted.

Any changes made as a result of the part surrender are set out in the schedules.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
