individualised documents

Probate is the process by which
a court is asked to grant a grant of
probate to the estate of the deceased
in the event of their death. The
court will then issue a grant of
probate to the executor of the
will. The executor will then be
able to deal with the estate in
accordance with the will. The
court will also issue a grant of
probate to the executor of the
will. The executor will then be
able to deal with the estate in
accordance with the will.
