Dear Mayor Khan,

Re: Revenue Grant Determination Letter for Devolution of the Adult Education Budget for Financial Year 2025-26: No. 31/7826 (DfE Grant Reference: L3AO-25-26)

This Determination is made between:

- (1) **The Secretary of State for Education** and
- (2) **The Mayor of London**

This letter confirms the amount of ring-fenced funding to be transferred in the financial year (FY) 2025-26 (1 April 2025 to 31 March 2026) for the delivery of the Level 3 Free Courses for Jobs in your delegated area. It also sets out the conditions for the use of this ring-fenced funding.

Payment arrangements

You will receive your FY2025-26 payment by mid-April 2025. The payment is in addition to the annual Devolved Adult Education Budget (AEB) for the FY2025-26, which has been communicated separately.

We are providing this grant as a ring-fenced transfer under Section 39A of the Greater London Authority Act 1999. We have copied this grant letter to the Chief Finance Officer of the Greater London Authority for information.

Grant Conditions

Annex B sets out the grant conditions that apply to the ring-fenced funding.

Re: S31 Grant Determination (Ring-Fenced) Letter for Free Courses for Jobs Funding: No. 31/7826 (DfE Grant Reference: L3AO-25-26)

The Secretary of State for Education (“the Secretary of State”), in exercise of the powers conferred by section 31 of the Local Government Act 2003, makes the following determination:

Citation

1) This determination may be cited as the Free Courses for Jobs Determination for FY2025-26 **[31/7826]**.

Purpose of the grant

2) The purpose of the grant is to support the Government’s ‘Lifetime Skills Guarantee’ and deliver a targeted Level 3 adult offer (now called Free Courses for Jobs,) to help adults without an existing full Level 3 qualification or above or who are unemployed or earning low wages by providing a free fully funded Level 3 qualification to learners aged 19 and over. Further detail is set out in ESFA ASF funding rules.

Determination

3) The Secretary of State determines as the authorities to which grant is to be paid and the amount of grant to be paid, the authorities and the amounts set out in Annex A.

Grant conditions

4) Pursuant to section 31(4) of the Local Government Act 2003, the Secretary of State determines that the grant will be paid subject to the conditions in Annex B.

Treasury consent

5) Before making this determination in relation to specified Mayoral Combined Authorities in England, the Secretary of State obtained the consent of the Treasury.

Signed by authority of the Secretary of State for Education

Notes:

1. This funding is not part of the FY205-26 payment. It is being referenced here for completeness.
2. This is not the overall total for FY 2026-27, which will include an amount from the academic year (AY) 2025/26. We will confirm this amount in January 2026 and it will be issued under a separate S31 Grant Determination (Ring-Fenced) Letter.
3. The Mayor of London's grant allocation will be transferred to the Greater London Authority (on behalf of the Mayor of London) under separate arrangements in accordance with Section 39A of the Greater London Authority Act 1999. It is being referenced here for completeness.
4. For clarity and accessibility two tables are included here. Some of the same data is included in both tables (e.g. Aug to Mar funding figures)

Grant Conditions

1. In this Annex:

“the Department” means the Department for Education.

“the Authority” means the Combined Authority specified at (2) on page 1.

“the Secretary of State” means the Secretary of State for the Department of Education.

Nature of funding

2. The Grant paid to the Authority for the period in the table above identified either marked as “**Remaining funding rolled over from AY24/25**” and for the column marked as “April to July 2025” under this determination is ring-fenced. This means the funding can only be used to support eligible expenditure.
3. The remainder of the funding paid under this determination is unringfenced. The purpose of the grant is for provision of relevant adult education functions and towards expenditure lawfully incurred or to be incurred through the associated Adult Skills Fund.

Ringfenced funding: eligible expenditure

4. Eligible expenditure means allocations made by the Authority, between 1 April 2025 and 31 July 2025, to the Authority’s ASF funded providers and for the delivery of Level 3 Free Courses for Jobs.
5. This funding must only be used to:
 - To deliver the level 3 qualifications in the [Level 3 Free Courses for Jobs offer](#) (note that this list is amended as qualifications are added to or removed from the offer. Please note the funding approval start and end date under funding details).
 - For the following learners:
 - adult learners aged 19+ without a first full Level 3 qualification or above (subject to notifying the department whether you will continue to use this criteria) and who meet the ASF residency criteria; or
 - adults aged 19+ who are unemployed or earning low wages, even if they hold a full Level 3 qualification or higher. Further detail is set out in ESFA ASF funding rules.
6. However, the Authority has discretion to use up to 50% of its ring-fenced grant funding subject to meeting all the following conditions:

- You may fund eligible learners (as outlined in paragraph 5) who are enrolled on Level 3 qualifications eligible for government funding.
- Usage of this flexibility must be tracked via the ILR as per the guidance the department has issued to MCAs on this flexibility. During the reconciliation process at the end of the Academic Year, the MCA will only be able to claim funding for learners which are recorded accurately on the ILR.

You cannot use your ring-fenced grant on any qualifications or learners that do not meet the above criteria. Any qualification delivered via this route will not attract uplifts funded from this ringfenced grant described in paragraph 8.

7. When determining its definition of 'low wage' (as per paragraph 5), the Authority may determine their own reasonable low wage threshold, as long as this is at or higher than the National Living Wage annually (£23,492 from April 2025). You must inform the Department of your low wage threshold.
8. In addition, the qualifications included in the Level 3 Free Courses for Jobs offer will attract an uplift:
 - £600 for qualifications of 360 Guided Learning Hours (GLH) and above (unweighted rate)
 - £150 for qualifications of 359 GLH and below (unweighted rate).
9. The Authority must apply the same ESFA AEB funding rates and formula and the above uplifts for delivery of the Level 3 Free Courses for Jobs offer by the Authority's ASF funded providers. This will ensure consistency across devolved and non-devolved areas. Any uplift above this will not be funded from the ring-fenced Level 3 Free Courses for Jobs offer grants.

Grant Usage

10. Grant usage will be calculated against academic years (AY) for the purposes of determining underspends. This applies to the whole grant including any of the flexibility outlined in paragraph 6.
11. To determine the Authority's grant usage, the Department and the authority will collect ILR data on the delivery of Level 3 qualifications available in the list of qualifications for the [Level 3 Free Courses for Jobs offer \(please note the funding approval start and end date detailed under funding details\)](#) and for the flexibilities outlined in paragraph 5. The Department will collect the following ILR data (though not limited to):

- Details of the Authority's providers in receipt of funding
 - Learning aims delivered (number of learners eligible for funding through the Level 3 Free Courses for Jobs offer)
 - The age of learner
 - Spend against the Authority's ring-fenced grant, to the extent it is collected on the ILR
12. The Department will only consider grant usage against Level 3 qualifications funded according to the [ESFA ASF Funding Rates and Formula](#). To ensure the ILR captures this correctly please refer to the guidance in [ESFA ASF funding Rules](#) and any other guidance issued to MCAs about how data should be captured in the ILR.
13. Any additional uplifts or alternative funding rates used by the Authority's ASF funded providers to deliver the Level 3 Free Courses for Jobs offer must come from the Authority's 'core' ASF. The Department will not pay for any uplifts outside those outlined in the ESFA ASF Funding Rates and Formula document.
14. The Department will apply the Authority's grant usage, determined by the ILR, to the reconciliation process to verify delivery at Authority level. However, this information from the ILR may not be sufficient to tell us the total extent of legitimate MCA/GLA expenditure on the FCFJ offer.
15. The authority must submit a statement of grant usage to determine legitimate spend, by a date specified by the Department. The statements must record the following accurately:
- Any learning support in addition to the £150 per learner per month captured via the ILR using code 'LSF' (this may be captured via the EAS but this will not be broken down to identify L3 Free Courses for Jobs offer spend)
 - Additional learner support
 - Information which allows us to understand the true picture of delivery in the MCA or GLA area covering providers' allocations and delivery against them. This allows us to understand whether recovery of underspend is required. Where an MCA or the GLA has paid a provider 100% against delivery of 97%-100% it will not count as an underspend (see below).
18. This statement of grant usage will be against AY 2024/25 (1 August 2024 to 31 July 2025 period) and for the Authority's grant allocation(s) covering the same period. It will be required in early January 2026 (in a format specified by the Department). It will be a funding statement. This will be used to determine any underspends which the department will recover from the April 2026 payment or recover separately as agreed between the Authority and the Department.

Assurance

16. We require the Authority to carry out appropriate assurance and checks to ensure this funding is used in accordance with the conditions in this letter and relevant funding rules, and to ensure the funding is not misused or fraudulently claimed. This can be conducted on an internal or external basis depending on the assurance arrangements in place at the Authority. The internal and/or external audit reports conducted must make clear that the population sample includes Free Courses for Jobs and make explicit reference to financial spend related to Free Courses for Jobs. This is required even if the same assurance processes are used for general ASF spend.
17. The Authority must provide additional detail in the assurance statement where errors are found relating to a) the time period to which audit reports relate and b) the population size and sample used for the checks. We will also require an additional level of detail surrounding how these errors translate into costs and any relevant steps that have been taken to rectify the errors with the provider(s).
18. Whilst we expect these assurance arrangements to incur limited financial burden on the Authority, we will allow up to 1% of the total Free Courses for Jobs grant value to cover audit and administration costs relating to Free Courses for Jobs only. Usage of this funding must be accurately detailed in the Authority's financial statement of grant usage and, in the event of any discrepancies, may require further evidence relating to spend.
19. The Authority must inform the Department immediately of any significant financial irregularity/control issues raised during their audit and assurance processes, along with details of how the Authority intends to recover these funds. The Secretary of State may at any time require a further external validation to be carried out by an appropriately qualified independent accountant or auditor, on the use of the grant.
20. The Authority must also provide an assurance statement at the financial year end in line with the requirements set out in this letter. That assurance statement should include details of spend for the whole of FY 2025-26 broken down by the relevant periods in AY 2024/25 and AY 2025/26 (recognising that AY 2025/26 information will not be finalised at this point). Any significant inconsistencies in the AY 2024/25 spend (when comparing the assurance statement to the funding statement referred to in paragraph 17) will result in a further adjustment which will be made to the Authority's future payments to recover the difference.
21. We require that this assurance statement sets out how the Authority monitors the veracity of its providers' ILR returns in relation to this grant and any internal or external audit which are conducted on this spend. The internal and/or external audit reports must be made available to the Department when they become available (and the Authority must retain copies for inspection for a period of 6 years).

22. As part of this assurance statement the Chief Executive and Chief Internal Auditor of each of the recipient authorities are required to sign and return to the team leader of the Further Education Funding Division of the Department of Education a declaration, to be received no later than 30 April 2025, in the following terms:

“To the best of our knowledge and belief, and having carried out appropriate investigations and checks, in our opinion, in all significant respects, the conditions attached to the Free Courses for Jobs Determination No. 31/7826 have been complied with.”

23. If an Authority fails to comply with any of the conditions and requirements of this letter and its annexes, the Minister of State may-
- a) reduce, suspend, or withhold grant; or
 - b) by notification in writing to the Authority, require the repayment of the whole or any part of the grant.
24. Any sum notified under paragraph 23(b) shall immediately become repayable to the Department for Education.
25. In the event of any discrepancies between the grant usage determined by the ILR data (supplemented by the information provided by the Authority through the statement of grant usage) and the Authority’s own records on spend against the grant, both Parties will share evidence and use all reasonable endeavours to agree an amount of acceptable grant usage.
26. Ultimately, if an amount of acceptable grant usage cannot be agreed between both Parties, then the final decision will rest with the Secretary of State.

Managing Under Delivery

27. The Authority will be responsible for managing any under or over delivery amongst the Authority’s ASF Funded Providers who receive a Level 3 Free Courses for Jobs offer allocation, within the total ring-fenced grant provided.
28. When determining underspends to be reflected in FY2026-27 grants, the Department will assess any net under or over delivery against the Authority’s total grant value for AY2024/25. We will account for AY2024/25 underspends into grants for FY2026-27. Note this only applies if you had devolved funding for the AY2024/25.
29. If the area has devolved funding in **AY 2024/25 (1 August 2024 to 31 July 2025 period)**, the Department will recoup funding based on an Authority’s grant usage (net spend) determined by the ILR and statement of grant usage and will adjust the Authority’s next Level 3 Free Courses for Jobs offer grant payment in April 2025:

- **Net under delivery** - the Department will recover any net underspend below 100% of the total ring-fenced grant provided (1 August 2024 to 31 July 2025 period), by **reducing** the Authority's grant in FY 2026-27. This applies to the whole grant including any of the flexibility outlined in paragraph 6.
 - **The Department is content for an Authority to pay a provider 100% against delivery of 97-100% and count this as 100% spend for that provider.** This is in line with the ESFA model, which allows 97-100% delivery with no recovery. There will therefore be no recovery (through the adjustment of future years' budget) of ring-fenced FCFJ funding for the portion of funding where the Authority agrees 100% funding to providers against delivery of 97-100%. We will consider this 100% delivery. This must be fully evidenced through the statement of grant usage return.
30. It will be made clear in the Authority's Grant Determination (Ring-fenced) Letter issued for FY 2026-27, that any reduction in the Authority's grant attributed to FY2025-26 is in arrears.
31. The Department will reconcile against delivery to date at the end of AY 2024/25.
32. Funding will be available via future grants to fund continuing learners beyond FY2025-26.

Financial Management

33. The Authority must inform the Department immediately of any significant financial irregularity/control issues identified or suspected as part of its assurance processes (e.g. in audit reports).
34. The Secretary of State may at any time require a further external validation to be carried out by an appropriately qualified independent accountant or auditor, on the use of the grant.

Evaluation

35. The Department will undertake or engage a third party to undertake an evaluation of the Level 3 Free Courses for Jobs offer.
36. In relation to any such activity, the Authority will:
- Provide all reasonable assistance.
 - Respond to all reasonable requests.
 - Provide any information reasonably required.

Changes to the Department's Requirements

37. The Department will give the Authority notice of any significant changes to the Level 3 Free Courses for Jobs offer to which the Authority will be asked to respond. For example, if the qualification list for the Level 3 Free Courses for Jobs offer changes or expands in the future.
