Inspector Z Raygen DipURP MRTPI has been appointed to determine the application.

Following a [procedural review](#) the application is to be determined on the basis of representations in writing as it does not raise issues which cannot be clearly understood from the written submissions. We'll update the procedure on the application website page shortly.

The appointed person wishes to carry out an unaccompanied site inspection [REDACTED] please can you confirm access can be arranged? Please also advise if there are there any health and safety issues at, or near, the site which the Inspector would need to be aware of during the visit to the site?

Kind regards
Leanne
