### Notes to the accounts

(see notes 82 and 83)

All notes to the accounts must be entered on or attached to this part of the return.

See pages following	

#### 1. ACCOUNTING POLICIES

#### a) Basis of preparation

These financial statements have been prepared in accordance with UK GAAP, including Financial Reporting Standard 102- "The Financial Reporting standard applicable in the United Kingdom and Republic of Ireland"

The financial statements are prepared under the historical cost convention as modified by the revaluation of freehold investment properties and investments to Fair Value (Market Value) in accordance with FRS102. Changes in fair value are recognised in the Income and Expenditure Account for the year.

The financial statements have been prepared under FRS 102 and their preparation, in compliance with FRS102 requires the use of certain critical accounting estimates (note 1m).

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest  $\mathfrak{L}$ .

#### b) Going concern

The financial statements are drawn up on the going concern basis which assumes the Union will continue in operational existence for the foreseeable future. Due consideration has been given to the working capital and cash flow requirements of the Union for at least 12 months from the date of signature on the accounts.

The Union generated a operating surplus of £ 1,180,482 in 2024 (2023: £1,609,736) and the Union held net cash of £ 3,906,998 at the year end.

As stated in the Foreword on pages 1 to 3, the members of Executive Committee expect the Union to generate a surplus in 2025.

On the basis of the above information, the members of Executive Committee consider it appropriate to prepare the Union financial statements on the going concern basis.

#### c) Members' contributions

Contributions are shown in the accounts on the basis of cash receivable for the year.

### d) Other income

Other income such as rent is dealt with on an accrual basis.

#### e) Payments to branches

Control over the use of the amounts paid to Branches' General Funds under Rule 10.5 (a) and Branches' Political Funds under Rule 10.5 (i) is delegated to branches. Branches' General and Political Funds are incorporated in these financial statements.

#### f) Fixed assets

Fixed assets are stated at cost less accumulated depreciation.

Depreciation is provided on the following bases:

Freehold land Nil

Freehold buildings (excluding investment property )

Leasehold property
Furniture and fittings and equipment
Computer equipment

Over their estimated remaining useful lives ranging from 40 to 50 years from 1 January 1991 or 100 years from date of purchase if later.

Over the term of the 150 year lease.

At 12.5 per cent per annum on cost

At 20 per cent per annum on cost

#### g) Investments

Quoted Investments are stated at fair value which is deemed to be market value at the Balance Sheet date. Movements in the market value are accounted for in the Statement of Comprehensive Income after the results from the operating activities for the year. Unquoted investments are stated at cost.

#### h) Investment property

Investment property at the balance sheet date is valued at fair value which deemed to be market value at that date. Movements in the market value are accounted for in the Statement of Comprehensive Income after the results from the operating activities for the year.

#### i) Provisions

Provisions, where considered appropriate, are made on a consistent and prudent basis. The valuation is based on reasoned estimation of costs as provided by independent third parties, and can be carried forward to future periods.

#### i) Taxation

Taxation has been applied in accordance with current UK taxation legislation.

Value added Tax is only partially recoverable. The non-recoverable element is expensed through the Statement of Comprehensive Income in the operating costs of the Union.

Deferred tax is provided to take account of material timing differences in the accounting treatment of certain assets or accounting purposes and for taxation purposes.

#### k) Operating leases

Rental income from leases is charged to the Statement of Comprehensive Income as and when due.

Lease payments are expensed to the Statement of Comprehensive Income on a straight line basis during the year as part of the operating costs of the Union.

### I) Defined benefit pension scheme

The surplus or deficit arising on the Union's defined benefit pension scheme is disclosed in the Union's Balance Sheet. Movements on the pension scheme are reflected through the Income and Expenditure Account to the extent that they relate to the employer's current service costs (which is reflected within staff costs) or movements arising from expected returns on scheme assets net of interest on scheme liabilities. Movements arising from changes in actuarial assumptions are reflected through the Statement of Comprehensive Income.

#### m) Critical accounting assumptions and judgements

The preparation of financial statements requires management to make judgements, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and judgements are continuously evaluated and are based on historical experience and other factors including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised in the period in which the estimates are revised and any future period affected.

In preparing these financial statements, the Union has made the following judgements: Determined whether there are any indicators of impairment of the Union's tangible fixed assets. Factors taken into consideration in reaching such a decision include the economic viability and expected future financial performance of the asset and where it is a component of a larger cash-generating unit, the viability and expected future performance of that unit.

Pension scheme - see note above.

For a full breakdown of the properties see note 19 on page 25.

### 3. TAXATION

The Union is not liable to taxation on income from its members. Tax credits arise on dividends received. Corporation tax is payable on investment income to the extent that this exceeds provident benefits.

#### 12. PENSION SCHEME CONTRIBUTIONS

The Union operates the ASLEF Officers & Staff Superannuation Fund (the Scheme), a UK registered trust-based pension scheme that provides defined benefits. Pension benefits are linked to the members' pensionable salaries and service at their retirement (or date of leaving if earlier). The Trustees are responsible for running the Scheme in accordance with the Scheme's Trust Deed and Rules, which sets out their powers. The Trustees of the Scheme are required to act in the best interests of the beneficiaries of the Scheme.

Following changes to the Scheme's benefits structure effective from 1 November 2023, the annual contributions required from the Union for future accrual increased to 23.0% or 20.5%. In respect of the deficit in the Scheme as at 1 August 2022, the Union has agreed to pay contributions of £21,750 per month from November 2023 to August 2032 (inclusive).

Member contributions payable in addition to the above, remain at the rates of either 5% or 7.5% of pensionable pay.

The value of the assets and defined benefit obligations reflect market conditions at the year end.

As at 31 December 2024, the surplus in the Scheme was £4,388,000 compared with a deficit of £300,000 as at 31 December 2023.

The main factors contributing to the improvement were:

- Changes in assumptions which have reduced the defined benefit obligation. This was primarily due
  to a higher discount rate following a rise in corporate bond yields over the year;
- The actual investment return achieved on the assets being higher than that required to match the
  expected increase in the defined benefit obligation over the year; and
- Deficit contributions paid by the Union.

In 2018 a High Court ruling gave Trustees the duty to make sure that equal pension benefits were paid to men and women, including where these benefits are in the form of GMP. As a result, all schemes with GMP rights have to now allow for the equalisation of benefits for the effect of unequal GMPs. This has been allowed for within these disclosures, by increasing the defined benefit obligation by 0.2% (2023 0.2%). The GMP equalisation allowance of 0.2% of the defined benefit obligation equates to £41,000 (2023 £46,000).

The assumptions used in calculating the defined benefit obligations for section 28 of FRS 102 are not used for funding the Scheme. The assumptions used in funding the Scheme and for calculating the funding surplus of £4.38 m referred to above, are in accordance with s225 and s226 of The Pensions Act 2004.

#### Present values of scheme liabilities, fair value of assets and deficit

	<b>2024</b> £'000	<b>2023</b> £'000	<b>2022</b> £'000
Fair value of scheme assets	25,045	22,955	20,365
Present value of scheme liabilities	20,657	23,255	21,934
Surplus /(Deficit) in scheme	4,388	(300)	(1,569))

There is no deferred tax asset or liability in relation to the above pension assets or liabilities.

### 12 PENSION SCHEME CONTRIBUTIONS (continued)

#### 26. RELATED PARTIES

Michael Whelan is a director of TU Financial Management Limited, an entity that acts as an intermediary between ASLEF and the investment management company. TU Financial Management Services Limited did not charge ASLEF any fees for it's services, nor did they hold any ASLEF funds.

Michael Whelan is also a director of Justice for Colombia Limited, a not for profit company established in October 2023 as a joint enterprise between the Trades Union Congress and ASLEF. Donations of £7,785 were made to Justice for Colombia Limited during the year (2023: £5,285). There was also an arrangement whereby ASLEF paid a proportion of a director's salary for Justice for Colombia Limited which totalled £76,727 in the year (2023: £64,662) with a contribution made by the Trades Union Congress.

## INDEPENDENT AUDITORS' REPORT TO THE ASSOCIATED SOCIETY OF LOCOMOTIVE ENGINEERS AND FIREMEN

#### **Opinion**

We have audited the financial statements of the Associated Society of Locomotive Engineers and Firemen (ASLEF) (the 'Union') for the year ended 31 December 2024 which comprise the income and expenditure account, the statement of comprehensive income, the balance sheet, the cash flow statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Union's affairs as at 31 December 2024 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in which the ISAs (UK) require us to report to you where:

- the Executive Committee's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate, or
- the Executive Committee has not disclosed in the financial statements any identified material uncertainties
  that may cast significant doubt about the Union's ability to continue to adopt the going concern basis of
  accounting for a period of at least twelve months from the date when the financial statements are
  authorised for issue.

#### Other information

The Executive Committee is responsible for the other information. The other information comprises the information included in the Foreword to the 2024 Annual Report and Financial Statements, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## INDEPENDENT AUDITORS' REPORT TO THE ASSOCIATED SOCIETY OF LOCOMOTIVE ENGINEERS AND FIREMEN

#### Matters in which we are required to report by exception

In light of the knowledge and understanding of the Union and its environment obtained in the course of the audit, we have not identified material misstatements in the financial report.

We have nothing to report in respect of the following matters to which the Trade Union and Labour Relations (Consolidation) Act 1992 requires us to report to you if, in our opinion:

- proper accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, in accordance with the requirements; or
- the union has not maintained a satisfactory system of controls over its transactions in accordance with the requirements; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

#### Responsibilities of the Executive Committee

As explained more fully in the Statement of The Executive Committee's Responsibilities, the Executive Committee are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Executive Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Executive Committee are responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Committee either intend to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs(UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Councils website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

#### Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above and on the Financial Reporting Council's website, to detect material misstatements in respect of irregularities, including fraud.

We obtain and update our understanding of the Union, its activities, its control environment, and likely future developments, including in relation to the legal and regulatory framework applicable and how the Union is complying with that framework. Based on this understanding, we identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. This includes consideration of the risk of acts by the Union that were contrary to applicable laws and regulations, including fraud.

## INDEPENDENT AUDITORS' REPORT TO THE ASSOCIATED SOCIETY OF LOCOMOTIVE ENGINEERS AND FIREMEN

In response to the risk of irregularities and non-compliance with laws and regulations, including fraud, we designed procedures which included:

- Enquiry of management and those charged with governance around actual and potential litigation and claims as well as actual, suspected and alleged fraud;
- Reviewing minutes of meetings of those charged with governance;
- Assessing the extent of compliance with the laws and regulations considered to have a direct material effect on the financial statements or the operations of the company through enquiry and inspection;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations;
- Performing audit work over the risk of management bias and override of controls, including testing of
  journal entries and other adjustments for appropriateness, evaluating the business rationale of significant
  transactions outside the normal course of business and reviewing accounting estimates for indicators of
  potential bias.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

#### Use of our report

This report is made solely to the Associated Society of Locomotive Engineers and Firemen, as a body, in accordance with the provisions of the Trade Union and Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the Union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the union as a body, for our audit work, for this report, or for the opinions we have formed.

### Membership audit certificate

# made in accordance with section 24ZD of the Trade Union and Labour Relations (Consolidation) Act 1992

(See notes 97 to 103)

At the end of the reportign period proceding the one to which this audit relates was the total membership of the trade union greater than 10,000?

#### Yes

If "YES" please complete SECTION ONE below or provide the equivalent information on a separate document to be submitted with the completed AR21

If "NO" please complete SECTION TWO below or provide the equivalent information on a separate document to be submitted with the completed AR21

## Membership audit certificate

### Section one

For a trade union with more than 10,000 members, required by section 24ZB of the 1992 Act to appoint an independent assurer

In the opinion of the assurer appointed by the trade union was the union's system for compiling and maintaining its register of the names and addresses of its members satisfactory to secure, so far as is reasonably practicable, that the entries in its register were accurate and up-to-date throughout the reporting period?

2 In the opinion of the assurer has he/she obtained the inforamation and explanations necessary for the performance of his/her functions?

## Yes No

If the answer to either questions 1 or 2 above is "NO" the assurer must:

- (a) set out below the assurer's reasons for stating that
- (b) provide a description of the information or explanation requested or required which has not been obtained
- state whether the assurer required that information or those explanations from the union's officers, or officers of any of its branches or sections under section 24ZE of the 1992 Act
- (d) send a copy of this certificate to the Certification Officer as soon as is reasonably practicable after it is provided to the union.
