LETTER TO CONFIRM NON-COMPLIANCE WITH NOTICE

Environmental Permitting (England and Wales) Regulations 2016, Regulation 36.

Regulated facility: Nick Brookes Demolition and Waste Disposal, Green Lane, Wardle, Nantwich, Cheshire, CW5 6FB

Following the service of the Enforcement Notice referenced above and dated 29/07/2024, also enclosed within this letter, that required you to take specified steps by 10am on 13/09/2024 in relation to breaches of conditions of your environmental permit reference EPR/EP3798CS, the Environment Agency hereby confirm that the requirements of the Notice have not been achieved.

This is because the revised Environment Management System (EMS) was sent to the officer after the deadline and it did not include the required information.

Based on the above, the Environment Agency are now considering further enforcement action.

Yours faithfully,

Cheshire Waste Team Leader
