Legislation

Keywords

Accountability; Proportionality; Regulatory bodies; Regulatory reform; Subordinate legislation; Transparency

21 Principles

- (1) Any person exercising a regulatory function to which this section applies must have regard to the principles in subsection (2) in the exercise of the function.
- (2) Those principles are that—
 - (a) regulatory activities should be carried out in a way which is transparent, accountable, proportionate and consistent;
 - (b) regulatory activities should be targeted only at cases in which action is needed.
- (3) The duty in subsection (1) is subject to any other requirement affecting the exercise of the regulatory function.
