[list agreed amendments to the standard terms e.g. the definition of Business Days].]

If you have any questions on this Guarantee Letter, please contact [name] whose telephone number is [number].

Yours faithfully,

²⁵ This provides optionality where a Lender does not wish to rely on the definition in the Companies Act. Please note that the Companies Act (despite being UK legislation) provides an objective definition of 'Financial Year', so it can still be applicable to a Borrower located in a foreign jurisdiction, so if the Companies Act is not to be used the Lender should be asked to explain why the definition as set out in the Companies Act isn't appropriate before agreeing to an alternative.

²⁶ The GSTCs are generally not negotiable. Amendments are only agreed where absolutely necessary.
