

SUMMARY MINUTES OF THE INTERIM DEVICES WORKING GROUP MEETING HELD ON 8TH JULY 2025

Information is being withheld, under Section 43 of the Freedom of Information Act 2000, on the grounds that information regarding the issue under consideration and advice from the IDWG remains confidential at the date of this summary and will remain so until a final decision has been taken. Any request for future information should be made direct to the MHRA (via info@mhra.gov.uk) and will be considered in accordance with the FOI Act.

The MHRA Risk and Safety Communications team presented an overview on their three-year strategy on Improving Safety Communications. Setting out their ambition to transform the way we communicate about the risks and safety of medicines, medical devices and healthcare products in the UK to support effective implementation of new safety measures. The aim is that this 3-year strategy will deliver to healthcare professionals and patients more co-ordinated, targeted, and impactful safety communications, when they need it, using the best possible communication channels.

The Group was provided with an update of the work of a 3-year Wellcome funded project to explore the regulation and evaluation of digital mental health technologies (DMHTs) that qualify as Software as a Medical Device (SaMD). The presentation covered the impact of regulatory guidance published in February 2025 and outlined additional activities that will be completed by the project conclusion in 2026.

The Group were presented with a high-level summary of a signal concerning medical devices that were assessed by the MHRA in May 2025.

The Group were presented with an update on a review that the MHRA are undertaking on a medical device manufacturer. This included data analysis, case studies, and planned action. This presentation was for information only.

Procedural Items

In addition, the Group completed its usual procedural business including the need to observe the confidentiality of the meeting, to declare interests, apologies, announcements, approval of minutes, and updates on items previously considered. Mr Boyle declared a non-personal, specific interest in one or more agenda items and the appropriate action was taken.

A list of members who participated in the meeting is at **Annex A**.

Medicines Healthcare products Regulatory Agency staff may be present for all or part of the meetings or for specific items. The meeting started at 10:03 and finished at 11:59. The next meeting is scheduled to take place on Tuesday 9th September 2025 at 10:00.
