

UK Visas & Immigration

Introduction

This form is to be used by Licenced Student Sponsors on the student immigration routes to request prioritisation of the eligible case types. If the request is not for one of the changes listed in the Student Priority Service Guidance, or you are ineligible for the service, your request will not be considered. A link to the relevant guidance is provided below:

Completing this form

Complete this form electronically and email it, along with any required supporting documents, to <mailto:StudyPostLicencePriorityService@homeoffice.gov.uk>

Eligible requests will normally be considered within 5 working days of receipt of payment.

Supporting documents

You can submit your supporting documents electronically by attaching them to your email, along with your completed form. Make sure your files are:

- are in PDF, JPEG, PNG or Word format
- have descriptive titles, with 25 or fewer characters
- are of high enough quality to be read

If you have sent physical documentation by post and submitted your request through the sponsorship management system (SMS), your case will still be considered within 5 working days.

Help and Support

If you have any technical problems with the service, you can contact:
StudyPostLicencePriorityService@HomeOffice.gov.uk.

Important note

The payment is for the consideration of the request and does not guarantee your request will be accepted. We may request further information within the 5-working day consideration timescale. If we do not receive this information in the time specified, we may reject the request, and no refund will be issued.

Eligible requests

Request type	Submission Sheet	EU/EEA/Swiss national: a copy of the photo (bio-data) page of your passport, or a copy of your national ID card. Non-EEA national: a copy of your biometric residence permit (both sides); or a copy of the photo (bio data) page of your passport, together with a copy of your valid visa or permission to enter or stay stamp.
