- ☐ The V5C (log book) or V62 has already been submitted to register the vehicle in my name
- ☐ I am submitting the V5C (log book) or V62 with this notification

If you are submitting the V5C (log book) to register the vehicle in your name, please make sure that the date you declared SORN is not earlier than the date you acquired the vehicle. ## 3 What your declaration means

- That the vehicle will not be used or parked on a public highway from the date you have given above. If you have doubt about where your vehicle is parked, you may wish to contact your local authority to establish if the land is private or part of a public highway.
- That you have checked the information provided on this form and you believe it is correct. **Making a false declaration is an offence.**

## 4 Guidance notes

- On receipt of this application, if you are the registered keeper we will automatically issue you with a refund to the address shown on your V5C (log book) within 4 to 6 weeks, and cancel any Direct Debit (DD).
- Your refund will be calculated for complete calendar months remaining, from the date we receive your notification.
- This declaration is valid until you re-tax, sell, permanently export or scrap the vehicle. **A SORN cannot be made if the vehicle is taken out of the UK.**
- Motor traders who have vehicles temporarily in their possession in the course of their business are not required to make a SORN unless the vehicle is registered in their name.
- Once you have made a SORN you will be sent an acknowledgement within 4 weeks confirming the details. If the acknowledgement is not received after 4 weeks you must contact Customer Enquiries on **0300 790 6802** immediately, as you could still be liable for the vehicle and may receive a penalty.
