PSD Number	2508-0052
Product Type	Machinery - Buffers/Polishing Machines (Automotive)
Product Identifiers	Brand: Gooway Model: SDZ2110 Product carton identifiers: G14579-F2962764983, UKWS24133, RVG14579-250411-0001-491
Product Description	A car polishing machine with changeable buffers, 21v batteries and a wall plug charger.
Country of Origin	China
Counterfeit	Unknown
Risk Level	High
Risk Type	Fire
Risk Description	<p>The product presents a high risk of fire because the charger had insufficient creepage and clearance distances between the mains potential input circuits and low voltage output circuits. Under fault conditions, the charger may overheat and ignite, causing a fire.</p> <p>The dimensions of the plug face were not sufficient to prevent access to live parts when plugging in, or unplugging, the plug from the socket. Additionally, the breakdown isolation between input and output circuits did not meet the minimum requirements for insulation in Class II equipment, and there was no safety fusible resistor fitted to the mains input circuit.</p> <p>The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016 or the Plugs & Sockets etc. (Safety) Regulations 1994.</p>
Corrective Measures	The import has been rejected at the border and destroyed.
