

Jobe Seascooter and Jobe Flux	
Aspect	Details
Images	 The image shows two Jobe water scooters. On the left is the 'Seascooter', which is blue with black propellers. On the right is the 'Flux', which is green and white with a white propeller. The labels 'Seascooter' and 'Flux' are placed above their respective images.
PSD Number	2511-0099
Product Type	Hobby/sports equipment – Scooters (Powered)
Product Identifiers	Brand: Jobe Models: Seascooter and Flux Serial numbers: For instructions on locating the serial number, please see Annex A. For a full list of affected serial codes, please see Annex B.
Product Description	Seascooter and Flux are propeller-powered scooters for use in water. The user holds the product and is pulled through the water.
Country of Origin	China
Counterfeit	No
Risk Level	Not provided
Risk Type	Electric Shock
Risk Description	The products present a risk of electric shock as a sealing defect can lead to water ingress during use. If water reaches the internal components, it may cause a short circuit, energising the housing/metal parts and putting the user at risk of electric shock. The product does not meet the requirements of the General Product Safety Regulations 2005.
Corrective Measures	The products have been recalled from end users. Consumers who own the products should stop using them immediately and remove the batteries. Please visit: Seascooter and Flux safety notice to arrange a free replacement.
Online Marketplace	N/A
Notifier	Office for Product Safety and Standards

Annex A

You can check the serial number on the inside of the battery holder:

Bottom of Flux:

You can also check the serial number on the shipping carton box:

Annex B
