

AFM Europe Ltd / Pearson Hydraulic Shearing Machine	
Aspect	Details
Images	
PSD Number	2510-0199
Product Type	Machinery – Shearing Machine
Product Identifiers	Brand: Pearson Model no: ZYS-6X3200
Product Description	Powered guillotine, used for cutting thin metal sheets.
Country of Origin	China
Counterfeit	No
Risk Level	High
Risk Type	Entrapment and Injuries (crushing or impact)
Risk Description	The product has inadequate safety guarding around the moving parts at the rear of the machine. The machine user could access these moving parts, leading to a risk of entrapment and/or crushing or impact injury. The product does not meet the requirements of the Supply of Machinery (Safety) Regulations 2008.
Corrective measures	HSE has instructed the manufacturer, AFM Europe Ltd, not to supply any further machines until they can ensure that the machines conform to the applicable Essential Health and Safety Requirements of the Supply of Machinery (Safety) Regulations 2008.
