Subject: Objection to camera and poles stoke Lodge.

To whom it may concern.

I am a resident whose house is located [REDACTED]
I object to planning being granted for these unnecessary cameras planned for stoke Lodge.

The resolution of the cameras, their location and ability to look into neighbouring properties and gardens where young children live is not acceptable.
It is an infringement on my right to privacy. There is no trust in the people managing the school and there is no need for a playing field to be set up like a prison. Why would a field need such servailance.

I hope these complaints and objections are made note of.

Kind Regards,

[REDACTED]
