Subject: Section 62A Planning Application: S62A/2025/0133 Stoke Lodge Playing Fields, West Dene, Shirehampton, Bristol BS9 2BH

Dear Sir/Madam

I am writing to lodge my objections and concerns with the planning application made by Cotham School to erect 8 CCTV poles.

This move would exacerbate still further the bad feeling in the local community. It would be in no way supportive of the fact that this land contains public right of ways and entrances. It would also negatively affect the look of the landscape and could cause damage to the land during the installation.

The school has made public statements about 'community collaboration' and 'improving local spaces' and this application would be at odds with these statements to say the least.
