As both a parent and a member of staff at Cotham School, I support the application for CCTV at the Stoke Lodge playing fields.

CCTV would strengthen safeguarding by providing accountability during off-site supervision and help prevent bullying, inappropriate behaviour, or false allegations.

It would also improve security by deterring vandalism, theft, and unauthorised access.

Additionally, it would help manage conflicts arising from public use, provide evidence of damage or incidents, and support risk management for a site that staff cannot directly oversee.

For an off-site facility used by students, CCTV is widely considered best practice for safety and compliance

Kind regards
Corrie Chapman
