Subject: S62A/2025/0133 stoke lodge playing field - OBJECTION

Please consider my views related to this planning application.

- The application makes no mention of the rights of way across stoke lodge and hence ignores the Invasion of privacy for people walking on the rights of way and living nearby.
- There is no reason for such intrusive surveillance and not data privacy plan.
- The masts are unsightly and are not in keeping with the area.
