To whom this may concern,

I am a member of staff at Cotham school [REDACTED]

The vandalisms and the hostility that has taken place towards the playing files, structure and towards the school makes me very concerned. I am very much in agreement for CCTV to be used to deter anti-social behaviour that has/could make the site unsafe for students or staff. This has incurred repair costs and disruption to PE lessons. All students will and has been affected by the cost and will take away from other equipment that could provide effective education for our school.

Staff, Students and my very own children should be able to feel safe.

Regards
Sarah Downer
