Re: FLOODLIGHTS

I object to the installation of Spotlights.

We were assured that FLOODLIGHTS would not be required by the school. This was noted during planning permission consideration for MUGA and AW.

The school has failed to keep 'out of hours' use by intruders. As very close neighbours we have called the police to attend, many times.

Cotham school need to 'Police' use and adherence to times of use.

No doubt there will be occasions when lights are left on - the light pollution into our bedrooms is likely to be intrusive.
Although we are located in central Bristol this area is currently quiet and dark (winter evenings and at night).

We have lived here for [REDACTED] Cotham School cannot always be trusted to consider nuisance factors affecting its neighbours.

Thank you
Yours faithfully
D Gordon
