Licence Annex B: Provisions relating to licensed actions on or around Special Areas of Conservation (SACs), Special Protection Areas (SPAs), Sites of Special Scientific Interest (SSSIs), and/or Ramsar sites within the county of Shropshire.

Notes W, Y and Z to this Annex must be considered on any land where operations permitted under this licence are proposed or are undertaken.

Notes A and B apply only on and/or around Protected Sites and only in respect to Protected Sites where these Notes are cited in the 'Licence Condition' column of the table below for that site.

SSSI name	European Designated Site	Licence condition
	name (where applicable)	
Allscott Settling Ponds		No activities from 1st March to 31st August to avoid bird breeding season. Exclude the supralittoral zone and areas of open water and their margins from the operational area. The licensee must assist Natural England with the gathering of information on fox control taking place on, and in the vicinity of, this SSSI (see Notes A and B).
Alveley Grindstone Quarry		All vehicles must be restricted to existing surfaced tracks. Limit location of traps to existing sett footprint.
Attingham Park		All vehicles must be restricted to existing tracks. Limit location of traps to existing sett footprint. Any decaying wood located within the sett footprint is to be left in situ if possible. If decaying wood must be moved then it should be moved no further than is necessary.
Berrington Pool, Shropshire SSSI	Midland Meres & Mosses - Phase 1 Ramsar	Except on existing tracks, no vehicle use nor placing traps alongside any watercourses or waterbodies, nor within any wet area, fen, bog or mire. All vehicles must be restricted to existing tracks at all times.
Betton Dingle and Gulley Green SSSI		All vehicles must be restricted to existing tracks. Limit location of traps to existing sett footprint or/ and areas of scrub, Rhododendron, Cherry Laurel scrub or conifer plantation.
Blodwel Marsh SSSI		Except on existing tracks, no vehicle use nor placing traps alongside any watercourses or waterbodies, nor within any wet area, fen, bog or mire.
Bomere, Shomere and Betton Pools SSSI	Midland Meres & Mosses - Phase 1 Ramsar	Except on existing tracks, no vehicle use nor placing traps alongside any watercourses or waterbodies, nor within any wet area, fen, bog or mire. All vehicles must be restricted to existing tracks. Limit location of traps to existing sett footprint or/ and areas of Rhododendron, Cherry Laurel scrub or conifer plantation.
Brown Moss	Brown Moss SAC; Midland Meres & Mosses - Phase 1 Ramsar	All vehicles must be restricted to existing tracks. Limit location of traps to existing sett footprint. Except on existing tracks, no vehicle use or placing traps alongside any watercourses or waterbodies, or within any wet area, fen, bog or mire.
Brownheath Moss	Midland Meres & Mosses - Phase 2 Ramsar	All vehicles must be restricted to existing tracks. Limit location of traps to existing sett footprint. Except on existing tracks, no vehicle use or placing

		traps alongside any watercourses or waterbodies,
Duildura Divar		nor within any wet area, fen, bog or mire.
Buildwas River		All vehicles must be restricted to existing surfaced
Section		tracks. Limit location of traps to existing sett footprint.
Buildwas Sand		All vehicles must be restricted to existing surfaced
Quarry		tracks. Limit location of traps to existing sett
		footprint. Avoid vehicle tracking across the site when
		ground conditions are wet - except on pre-existing
		tracks and roads. Backfill with same sediment
		removed to dig trap location.
Bullhill Brook SSSI		No additional conditions imposed.
Bush Wood and		All vehicles must be restricted to existing tracks.
High Wood		Limit location of traps to existing sett footprint.
Catherton		No licensed activities from 1st March to 31st August
Common SSSI		to avoid bird breeding season. All vehicles must be
		restricted to existing tracks. Limit location of traps to
		existing sett footprint. Except on existing tracks, no
		vehicle use nor placing traps alongside any
		watercourses or waterbodies, nor within any wet
		area, fen, bog or mire. The licensee must assist
		Natural England with the gathering of information on
		fox control taking place on, and in the vicinity of, this
		SSSI (see Notes A and B).
Chermes Dingle SSSI		No additional conditions imposed.
Chorley Covert		All vehicles must be restricted to existing tracks.
and Deserts		Limit location of traps to existing sett footprint.
Wood		
Clarepool Moss	West Midlands Mosses	All vehicles must be restricted to existing tracks.
	SAC, Midland Meres &	Limit location of traps to existing sett footprint.
	Mosses - Phase 1 Ramsar	Except on existing tracks, no vehicle use or placing
		traps alongside any watercourses or waterbodies, or
		within any wet area, fen, bog or mire.
Claverley Road		All vehicles must be restricted to existing surfaced
Cutting		tracks. Limit location of traps to existing sett
		footprint.
Clee Hill Quarries SSSI		No additional conditions imposed.
Clunton Coppice		All vehicles must be restricted to existing tracks.
SSSI		Limit location of traps to existing sett footprint or/
		and areas of Rhododendron, Cherry Laurel scrub or
		conifer plantation.
Cole Mere	Midland Meres & Mosses -	All vehicles must be restricted to existing tracks.
	Phase 2 Ramsar	Limit location of traps to existing sett footprint. Delay
		access until after hay cut, mid-July. Except on
		existing tracks, no vehicle use or placing traps
		alongside any watercourses or waterbodies, or within
		any wet area, fen, bog or mire.

SSSI name	European Designated Site name (where applicable)	Licence condition
Comley Quarry SSSI		No additional conditions imposed.
Cornbrook Dingle SSSI		No additional conditions imposed.
Coston Farm Quarries SSSI		No additional conditions imposed.
Coundmoor Brook SSSI		No additional conditions imposed.
Craig Sychtyn SSSI		All vehicles must be restricted to existing tracks. Limit location of traps to existing sett footprint. Limit location of traps to existing sett footprint or/ and areas of Rhododendron, Cherry Laurel scrub or conifer plantation.
Crofts Mill Pasture SSSI		Except on existing tracks, no vehicle use, nor placing traps alongside any watercourses or waterbodies, nor within any wet area, fen, bog or mire. All vehicles must be restricted to existing tracks. Limit location of traps to existing sett footprint or areas of scrub.
Cuckoopen Coppice SSSI		All vehicles must be restricted to existing tracks. Limit location of traps to existing sett footprint or/ and areas of Rhododendron, Cherry Laurel scrub or conifer plantation.
Derrington Meadow SSSI		All vehicles must be restricted to existing tracks. Limit location of traps to existing sett footprint or areas of scrub.
Devil's Hole, Morville		All vehicles must be restricted to existing surfaced tracks. Limit location of traps to existing sett footprint.
Earl's Hill & Habberley Valley SSSI		All vehicles must be restricted to existing tracks. Limit location of traps to existing sett footprint or/ and areas of scrub, Rhododendron, Cherry Laurel scrub or conifer plantation.
Eaton Track SSSI		No additional conditions imposed.
Farley Dingle		All vehicles must be restricted to existing surfaced tracks. Limit location of traps to existing sett footprint.
Fenemere SSSI	Midland Meres & Mosses - Phase 1 Ramsar	All vehicles must be restricted to existing tracks.  Except on existing tracks, no vehicle use, or placing traps alongside any watercourses or waterbodies, or within any wet area, fen, bog or mire. Limit location of traps to existing sett footprint. Any decaying wood located within the sett footprint is to be left in situ if possible. If decaying wood must be moved, then it should be moved no further than is necessary.
Fenn's, Whixall, Bettisfield, Wem & Cadney Mosses	Fenn's, Whixall, Bettisfield, Wem & Cadney Mos SAC, Midland Meres & Mosses - Phase 2 Ramsar	No activities from 1st March to 31st August to avoid bird breeding season. All vehicles must be restricted to existing tracks. Limit location of traps to existing sett footprint. Except on existing tracks, no vehicle use, or placing traps alongside any watercourses or waterbodies, or within any wet area, fen, bog or mire. Any decaying wood located within the sett footprint is to be left in situ if possible. If decaying wood must be moved, then it should be moved no further than is necessary. The licensee must assist Natural England with the gathering of information on fox control taking place on, and in the vicinity of, this SSSI (see Notes A and B).

## **NOTES TO ANNEX B**

## **General note on interpretation:**

Protected sites that are listed above are not necessarily part of any active operations. Active operations can and will only occur on protected sites where landowner/occupier permission has been granted.

Within the licence conditions, use of the word 'avoid' denotes a prohibition, i.e. it indicates that an area must be excluded from relevant activities or that activities must not be undertaken during the time period stated or in the manner described. Similarly, the word 'restrict' means that activities must be confined to the areas or time periods stated.

For further details on each protected site and its notified features of special interest and/or European Site qualifying features please enter the site name into the following link: <a href="https://designatedsites.naturalengland.org.uk/SiteSearch.aspx">https://designatedsites.naturalengland.org.uk/SiteSearch.aspx</a>.

## **Individual notes:**

**Note A:** Natural England will inform the licensee from time to time of the information it requires. This is likely to focus on whether fox control is routinely undertaken on the relevant site and/or on areas of participating land within a few kilometres of the site. The licensee is expected to use reasonable endeavours to assist Natural England with the gathering of this information.

**Note B:** Natural England may form the judgment that measures should be introduced to secure the protection of species associated with this site, such as fox control, anti-predator fencing, habitat management, or buffer zones in which badger control is not undertaken. Such measures may be secured through cooperation between licensees, landowners, occupiers, and/or public bodies. If it considers it necessary to do so, Natural England may: exercise its powers under sections 28J-K of the Wildlife and Countryside Act 1981 or regulation 20 of the Conservation of Habitats and Species Regulations 2017; and/or revoke and re-issue this licence with revised terms (provided that such terms will be reasonable and proportionate in all of the circumstances).

**Note W:** European protected species are listed in Schedule 2 (animals) and Schedule 5 (plants) of the Conservation of Habitats and Species Regulations 2017. Nationally protected species are listed in Schedule 5 (animals) and Schedule 8 (plants) of the Wildlife and Countryside Act 1981 (as amended). Under these laws (regulations 43 and 47 of the 2017 Regulations and sections 9 and 13 of the 1981 Act), it can be an offence to:

- deliberately capture, injure or kill any wild animal of a European protected species;
- intentionally kill, injure or take a nationally protected wild animal;
- deliberately disturb wild animals of any European protected species;
- intentionally or recklessly damage or destroy any structure or place which a nationally protected animal uses for shelter or protection, disturb such an animal while it is occupying such a structure or place, or obstruct access to any such structure or place;
- damage or destroy a breeding site or resting place of any wild animal of a European protected species;
- deliberately take or destroy the eggs of any wild animal of a European protected species;
- deliberately pick, collect, cut, uproot or destroy a wild plant of a European protected species;
- intentionally pick, uproot or destroy any nationally protected wild plant.

Great Crested Newt, Otter, Dormouse, and Sand Lizard are European and nationally protected species.

**Note Y:** All birds, their eggs and nests (while in use or under construction) are protected under the Wildlife and Countryside Act 1981. This licence does not allow you to take or destroy such nests. Bird species listed under Schedule 1 of that Act have additional legal protection so care must be taken to avoid their disturbance during the breeding season.

**Note 2:** All bats and their roosts (even when not occupied by bats) are protected by the Wildlife & Countryside Act 1981 and by The Conservation of Habitats and Species Regulations 2017. This licence does not allow you to enter or obstruct any bat roost, nor to disturb any bat whilst it is occupying a roost. Care must be taken to avoid sustained human presence near, or artificial illumination of cracks and cavities in trees and man-made structures, and of any mounted boxes.
